FRED. J. GARBETT, M. D., Graduate of the London University, Dean and Registrar of the Boston Medical College of Specialists, says:—"I had tried every system of treatment for the cure of nervous prostration, partial paralysis, and abouic dyspepsia. Persuaded, much against my will, to try the Pad system, I put them on, and in two days found that the paralysis of the nerves had been conquered, the entire nervous system toned up, and now—six months from the day of application—I am free from any symptoms of nervous debility or dyspeptic tendency. In my professional practice as a Physician, in private life and among my personal friends, I shall deem it my bounden duty and my highest privilege, as an act of gratitude, to counsel and enforce this treatment, as the only reliable and effectual remedial agency having for its origin the stomach, liver, brain, and great nerve centres.
