Other officers chosen were: vice-president, Gerald Murphy; secretary-treasurer Donald MacDonald; committee — Ross Pigott, Montford Nicholson, and representatives from Peakes and Fort Augustus yet to be named. TAKES WICKED CUT

Leadoff man Len Bagnoie takes a wicked cut and misses at the first pitch thrown by Summerside's John Bethel Saturday afternoon at Queen Elizabeth Park as the two junior clubs got together for an exhibition match. The game was closely contested with the Charlottetown Legionaires edging the Pontiacs 12-11. Also in the photo is Pontiacs backstop Ulric Gallant and umpire Elmer Phillips.

Ch'town Juniors Eke Out Victory Over Summerside

SUMMERSIDE — The Charlottetown Legion junior baseball team eked out a close 12-11 win over Summerside Pontiacs in an exhibition game at Queen Elizabeth park Saturday afternoon.

The home team took a 1-0 lead in the first inning and were ahead 8-4 at the end of the seventh, but John Bethel, on the mound for Summerside, evidently tiring, lost his throwing magic and gave up seven hits in the final two innings. His defence corps also collapsed committing five errors in those two last frames, and as a result Brian Lewis' boys collected four runs in each inning. Summerside came back strong in their half of the ninth to score three runs, but fell one short of tying the visitors.

Bethel gave up fourteen hits in all including two wind-blown pop flies that had Pontiac infielders running in circles. He struck out six, walked two and hit one. Lefty Dunn, winning pitcher, also went the route and gave up eight hits. He whiffed ten Summerside batters, but issued five walks and hit one batter. Four of the six he presented with tickets to first crossed the home plate.

Wayne MacDonald led the Lewis-coached crew with the stick getting three singles and a double in five tries. He also led in miscues, chalking up four bobbles out of seven charged to the team. Gord Whitlock, Jack Kane and Gene Ward got the others. Kane hit two singles and a double in six trips to the plate. Bagiole hit 2 for 5, Dunn 1 for 3, Commiskey 1 for 4, Roger MacLeod and Ward 1 for 5.

The leading stickers on the Pontiacs were also the big offenders in the field. Fidele DesRoches hit 2 for 3, and had three errors. Greg Deighan had a single and double in five tries, in addition to a trio of miscues. Don MacEachern and Bethel each hit 1 for 3, Eddie Boates and Garth Harris 1 for 5. Boa had two errors and Don Schurman one to complete a collection of nine bobbles for the home team.

A diving catch by Jack Kane at third to rob Wilfred Barlow in the third and a nice stab of Gauthier's hot grounder inside third base in the seventh were fielding highlights in weather that was more conducive to the commission of errors than to smart defensive plays.

Umpires — plate — Elmer Phillips; bases — Jack Gallant.

National Hockey League Starting Sessions Today

MONTREAL (CP) — The National Hockey League opens its three-day annual meeting Monday with indications that the minor pro circuits will play as big a part as the draft in cash deals and swaps.

The American Hockey League and the Quebec Hockey League in particular present the more pressing problems—for different reasons.

The AHL, the big boy of the minors, is a solidly-set six - city organization that has been going along since last August without an agreement with the NHL. The draft has for some time been the big stumbling block. The AHL doesn't want the major circuit to grab off its players.

TROUBLES IN HL

The QHL, wobbling along financially except for a couple of teams, seems to face disappearance or a complete reorganization that would bring in new members.

There will be no formal official meetings of either the AHL or the QHL during the NHL's show, but with hockey moguls from pro and amateur circuits present from Canada and the United States it's a certainty some hefty spade work will be done.

Since last season two QHL clubs—Montreal Royals and Quebec Aces—have applied for membership in the AHL.

Some clubs of the AHL, particularly Hershey, have been reported unwilling to open the door to the Royals and Aces. Main reasons were said to be the long trips for most AHL clubs to Montreal and Quebec and probably more important, the fact that both circuits have depended heavily on Sunday dates for best attendance.

SEEK AGREEMENT

So far as the NHL is concerned, the AHL and the major circuit have been negotiating since last February towards a new agreement. There seems to be willingness between the two to co-operate but the AHL shies off the draft as if it were poison.

There have been reports that the QHL may look westward for new members to replace Trois-Rivieres and Chicoutimi. Cities mentioned in all sorts of pure speculation have been Ottawa, a former member; Hull, Que., Kingston, Ont., and even Sudbury, in Northern Ontario.

With the NHL's intra - league draft coming up Wednesday, it appears that the champion Montreal Canadien aren't going to let any club snatch proven players.

Canadiens are reported prepared to protect all players on the roster and not get caught as New York Rangers did last year. The Rangers went heavy on protecting upcoming rookies and had four first-string players grabbed.

The Monday schedule for the meetings calls for the rules committee to gather and a joint get-together between pros and amateurs. No drastic rules changes have been indicated.

The first draft comes up Tuesday when the NHL drafts from the Western Hockey League. The price is $20,000. Late in the day NHL clubs must fill their protective lists. Each club can protect 18 players, plus two goalies, from the draft.

The NHL owners meet Wednesday. After their huddle the intra-league draft is held. It's also a $20,000 proposition, $5,000 more than last season.

Stirling Moss Captures Race

ADENAU, Germany (AP)—Britain's Stirling Moss Sunday drove his green English Aston Martin to a second straight victory in the 1,000 - kilometre (621.40 - mile) Nuerburgring endurance race for sports cars.

Moss, 29, and his British co-driver Jack Fairman, won by 48 seconds over an Italian Ferrari driven by Phil Hill of the U.S. and Olivier Genedbien of Belgium. Another Ferrari was third and a German Porsche fourth.

The Britons were timed in seven hours, 33 minutes, 18 seconds, for an average speed of 82.2 miles an hour. This was slower than the record pace of 84.26 mph set by Moss last year.

FIVE - YEAR TERM

The president of Venezuela is elected by direct vote for a term of five years.

Dave Regan Cops Eastern Open

BALTIMORE (CP)—Dave Ragan, 23, of Chattanooga, Tenn., fired a two-under-par 70 in Sunday's final round to win the $20,000 Eastern Open Golf Tournament with a 72-hole total of 273.

A four-foot birdie putt on the 16th hole of the last round enabled him to win his first professional championship after a nip-and-tuck battle with Gene Littler of Singing Hills, Calif., who ended up with 68-67-71-71—274 and second-prize money of $1,900.

Ragan collected $2,800.

Don Whitt of Borrego Springs, Calif., and Henry Ransom of St. Andrews, Ill., tied for third place with final scores of 275. Each got $1,300.

Jerry Magee of Toronto failed to qualify for the last two rounds after shooting 75-76—151.

Won Contest Hands Down Claims Rookie

KANSAS CITY (AP)—"I won it 'hands down' and that's all there is to it."

That's how Jerry Walker, Baltimore's rookie pitcher, answered charges of Bill Tuttle, veteran Kansas City outfielder, that a cowmilking contest prior to the Orioles-Athletics baseball game Sunday was "fixed" in favor of Walker.

Few of the 15,600 fans who witnessed the Orioles' 3-0 victory in Municipal Stadium were in a position to see exactly what went on as Walker and Tuttle went about the milking chores in a two-minute contest near home plate.
