Junior Ch'ships Here

FOR THE first time in history (and probably the last time for many years to come) Prince Edward Island will host the Canadian Junior Golf championships, at Charlottetown's Belvedere Golf and Winter Club.

Golfers from all of the provinces but Newfoundland will start arriving at Belvedere Saturday, and take part in practice rounds Sunday and an official practice round Monday. The field is limited to 80 golfers with the lowest handicaps. The championship will be held Tuesday to Friday.

As in past years the meet is sponsored by Pepsi-Cola and conducted by the Royal Canadian Golf Association. Bob Giggey has been the driving force behind the scenes at Belvedere.

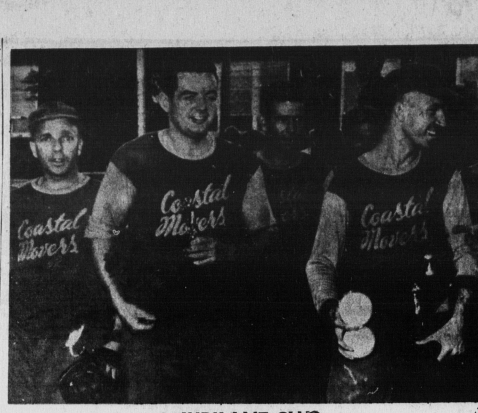
The players to watch will probably be from British Columbia.—Although Belvecere's narrow fairways might give some of the westerners the shakes for a while. Several courses in Western Canada have a much larger greenage than Belvedere.

Wayne Vollmer, 18-year-old member of the famous Marine Drive club of Vancouver won the title in his home British Columbia province last year; defeating 17-year-old Noel Pumfrey, Victoria, on the final hole of their 63-hole playoff. Marine previously produced Canadian junior champions in Alan Kennedy (1959) and Terry Campbell (1961).

British Columbia recorded a wide-margin victory in the Junior team championships last year. Paced by Vollmer, Gary Smith and Rickey Kent of Victoria; and Doug Robb, Vancouver, the westerners finished the 36-hole play with a 29 stroke bulge over second place Nova Scotia. The N.B.-P.E.I. entry made their best showing in history last year, finishing in fifth place, just three out of fourth. A member of the team Gord Leslie, Saint John, tied Smith for individual honors in team play. Each had 145.

Off The Cuff

COASTAL MOVERS finally disposed of Inman Plumbers in the Prince County Softball League. It took the mthe five game limit in the series but they finally did it Thursday night with a 7-3 win. **GEORGE KINCH** was again the winner on the Movers mound. It looks like he will be their ace in provincial playdowns ..... **SAMMY GOLDMAN**, who managed boxing champions Pete Herman and **TONY CANZONERI**, died Thursday after a long illness. He was 74. The St. Louis native broke into boxing in New Orleans where he was a sports writer for the Item, and a referee .He met Herman in New Orleans and guided him to the world bantamweight title. Canzoneri, also of New Orleans, won the world featherweight and lightweight titles ..... **CHARLOTTETOWN ABBIES** didn't waste much time with Summerside Intermediates in their provincial best-of-seven playoff at Memorial Field Thursday night. Seems that there isn't a team on the Island that can handle the Abbies. (Now I wender what Kings County will have to say about that comment!) ..... National Hockey League managers, coaches and referees met in Toronto Thursday and yesterday in an effort to gain uniform interpretation of the rules. **NHL president CLARENCE CAMPBELL** said the meeting was the first of its kind. They planned to go through the rule book page by page, rule by rule. Campbell said the NHL intends to rewrite the rule book completely next year in conjunction with the Canadian Amateur Hockey Association ..... Back to the Kings County area: two games are slated for the County loop Sunday Morell will be at **VERNON RIVER** and Cardigan at **Mount Stewart** ..... **The City Commercial Softball League had a dooser of a final series opener Thursday night as the Police edged the Bankers 3-2 on a seventh inning, run-producing double by CHARLIE READY.**



A JUBILANT CLUB

A jubilant Coastal Movers club walks victoriously off the playing field following their final 7-3 win over Inman Plumbing in Summerside, Thursday night. Coastal Movers won the Prince County softball finals and the CJRW trophy defeating the Plumbers three games to two. Coastal Movers won their other two games by scores of 10-1 and 18-1. Inman Plumbing won their games by scores of 8-7 and 6-4.

B.C. Squad Is Favored; Local Team Looks Strong

British Columbia, with two of its members back from last year's team, are all set to defend the Pepsi-Cola trophy, emblematic of inter-provincial junior golf supremacy, at the Canadian Junior Golf Championships to be played here September 1-4, on the 6,405-yard, par-72 course of the Belvedere Golf and Winter Club.

Gary Smith, 18, of Victoria, who led B.C. to victory last year at his hometown club, the Royal Colwood, and clubmate Ricky Kent, also 18, are the two holdovers. New members are Jim Seed, 18, and Len Johnson, 17, both from Vancouver. Smith, Kent and Johnson finished in that respective order this year at the B.C. junior championship. Seed tied Smith for first place recently at the Vancouver City junior championship.

Smith, who reached the quarter finals at Colwood only to be upset by Vancouver's Noel Pumfrey, is favored to win individual honors this year and keep the Pepsi-Cola Silver Cup in B.C. It was won last year by Victoria's Wayne Collmer, who edged Pumfrey in the finals. Vollmer will not be back to defend his title because of age requirements.

On opening day of the Canadian championships, eight four-member teams are to compete for the inter-provincial team title in a 36-hole medal-play round. Each player's score serves to qualify him for the match-play championship. Individual contestants — boys under 19 from across Canada — also play in this qualifying round.

The 32 lowest scores of these two events qualify for the three-day match-play competition, which is crowned by the 36-hole final on the last day.

A combined New Brunswick-Prince Edward Island four-man squad that placed fifth last year in B.C., is expected to be a strong contender for team honors this year.

Pierre Rossignol, 18, of Bathurst, the only holdover from last year, Doug MacAfee, 17, of Saint John, Holland-born Kees Huibers, 17, of Campbellton, and Bob Irwin, 16, of Charlottetown, comprise the N.B. - P.E.I. team. Playing on a familiar course, his own club in Irwin's case, is expected to boost the four-some's chances for a shot at the title.

Harness Racing At Charlottetown

Don Simmons was making his first start in the sulky last night, and in doing so reined Bobby Brook owned by Ron Gass, Cornwall, P.E.I. to first place in the second and sixth dashes at the Charlottetown Driving Park.

Simmons reined the gelding to the wire in times of 2.12:1 and 2.12:3 respectively.

Eyre Don owned by Stanley Mayhew, Kinkora was also a double dash winner on last night's program as the Graham Chappell teamed gelding led the way to the wire in dashes one and five.

The first daily double which was featured on the first and second dashes was the largest pay of the evening. The winning combination was Eyre Don and Bobby Brook. A ticket on the twosome was worth $56.80. Other combination pays were small.

Single dash winners on last night's card included: Mighty Warrior (2.12), Stalag Hanover (2.11:3), Jolly Abbe (2.15:2), Mary Leah (2.13:2).

Mets Shade Chicago 12-10

CHICAGO (AP) — Joe Christopher's fourth hit of the game drove in the go-ahead run in New York Mets' see-saw 12-10 slugfest victory over Chicago Cubs Friday, the Mets' ninth triumph in 11 games.

At various times the Mets led 5-0, trailed 6-5, led 8-6 and trailed 10-8 in the free-swinging affair that produced a total of 33 hits, including five homers.

Christopher's single in the eighth drove in Bobby Klaus with the run that broke a 10-10 tie. Ron Hunt's two-run single earlier in the inning had squared it, and Jim Hickman's double drove in Hunt with the fourth run of the inning.

The biggest inning, however, was a six-run burst by the Cubs in the third, wiping out a 3-0 New York lead. The Cubs had seven straight hits in the third, including a three-run double by Ron Santo, a two-run homer by Ernie Banks and a pinch - hit homer by Len Gabrielson.

George Archer Maintains Lead

By WILL GRIMSLEY

BIRMINGHAM, Mich. (AP)— Rookie George Archer came out of a trap and sank a 12-foot downhill putt on the final green to cling to a one-stroke halfway lead Friday just before a lashing thunderstorm cooled off his challengers in the $200,000 World Open golf championship.

The six-foot-six former cowpoke from Gilroy, Calif., had just posted his skidding 74 on top of his record first-round 65 for 139 when the Oakland Hills course was struck by driving rain and flashes of lightning that delayed play for 25 minutes.

Caught in the deluge were young Dick Sikes of Springdale, Ark., and 41 - year - old Jack Burke, Jr., of Houston, both of whom were under par at the time with a good chance to take first place.

Finishing in almost impossible conditions — so black at times that one couldn't follow the flight of the ball and so soggy the players were sending sprays of water from the fairways on every shot—both saw their hopes evaporate in the downpour.

PLAYED BY LIGHTS

Sikes, two under par through the first seven holes, quickly lost four shots to par and staggered in with a 72 for 141. He played the last hole in semi-darkness with automobile lights illuminating the green.

Burke, one under at the 12th when the storm hit, went two over par at the 12th and a one over par at the 13th, shooting a 74 for 143.

Undeterred by the rain storm was the imperturbable Ben Hogan who birdied the 14th and 17th in midst of the most trying circumstances and posted an even-par 70 for 142.

Entering today's third round, Archer has a single stroke lead over PGA champion Bobby Nichols and Englishman Peter Butler, tied at 140.

Arnold Palmer a shot back at 141, was tied with Sikes and Kel Nagle, the veteran Australian.

Nichols, putting spectacularly with the $4.95 brass blade he picked up in a basement bargain sale before the PGA at Columbus last month, fired a two-under-par 68. Butler shot a 69.

STILL A THREAT

Palmer posted a 71 which kept him in a menacing position. Nagle, 1960 British Open champion, finished in the rain with a 71.

All the leaders except Nagle and Sikes finished before the storm swept the 6,907 - yard, par-70 Oakland Hills course, scene of four U.S. Open championships.

Tied with Hogan at 142 were Bob Rosburg, former PGA champion, who shot a third round 70; Australia's Bruce Devlin, who shot a 74 after an earlier 68; former U.S. Open champion Bill Casper, 72; Jay Hebert, 69, and Dave Hill, 72.

Tony Lema, the British Open champion, shot 71 for 143, where he was tied with Burke, Juan (Chi Chi) Rodriguez and a half-dozen others.

U.S. Open champion Ken Venturi fired an even-par 70 for 144, in a bracket with such players as Bob Charles of New Zealand, Gary Player of South Africa and Gene Littler, who won the Open here in 1961.

Jack Nicklaus, the year's leading money winner and golf's golden bear, couldn't get it going Jack, his powerful game still a bit wild, struggled to a 72 for 145.

It took a score of 148 or better to qualify for the final 36 holes today and Sunday. Seventy-eight made it.

Race Drivers Fined $1,700

INDIANAPOLIS (AP) — The U.S. Auto Club Friday slapped fines totalling $1,700 on race drivers Parnelli Jones of Torrance, Calif., and Rodger Ward of Indianapolis for cheating under the yellow caution light in the Milwaukee 200-miler last Sunday.

Both Jones and Ward are former winners of the rich Indianapolis 500-mile Memorial Day race.

Jones, the Milwaukee winner, was fined a record of $1,100 and Ward, the No. 2 finisher, $600.

Henry Banks, club director of competition and a former race driver, said the fines were imposed after a thorough study of timing and scoring sheets by Milwaukee race officials.

Club rules demlare a driver must not improve his position when the yellow flag or light is displaying because of hazards due to wrecks or weather.

"A thorough study of these reports revealed beyond doubt both men were guilty of ignoring the yellow flag," Banks said. Both drivers had admitted

Track Results Are Released

WINNIPEG (CP)—Two Canadian records were established in early field events at the national age - class track and field championships Friday.

Jana Lundy, a member of the host Manitoba team, won the midget women's high jump with a leap of five feet, two inches — one - half inch better than the previous mark set by Bev Pierce of Hamilton last year.

Pat Filipenko of Stettler, Alta., won the midget men's long jump with 21 feet, 7¼ inches—1¾ inches better than the listed Canadian record set in 1961.

Carol Martin of Toronto won the juvenile women's javelin with a throw of 111 feet, three inches, well below the Canadian mark of 135 feet, one-half inch.

Paul Patterson of Toronto won first place in the juvenile men's shot put with 53 feet, 7¼ inches.

The junior men's long jump was taken by Michael Charland of the Quebec team with a distance of 23 feet, six inches.

Marjorie Turner of Kings County, N.S., won the juvenile women's shot put with a heave of 39 feet, 10 inches.

Boxing Ass'n Condemns Bout

NORFOLK, Va. (AP) — The World Boxing Association voted Friday to ban a Cassius Clay-Sonny Liston return bout for the heavyweight championship and said Clay would be stripped of his world crown if he goes through with the match.

"In the eyes of the WBA this would be no championship match," said U.S. Commissioner Abe J. Greene.

He said the state accepting the bout would be suspended from the WBA and the same suspension would apply to any individuals connected with it.

"If a non-member state puts on the match," Greene said, "all boxers, managers and all others associated in WBA activities would be directed not to do business in the suspended state."

In a stormy morning session, delegates voted 27-2 not to approve the match. Kentucky and Michigan cast the dissenting votes, but later reversed their decision to put the convention into unanimous accord on the issue.

Despite the WBA ban, Inter-Continental Promotions said it would stage the match as planned in November. The site has not been selected.

WBA refused sanction of the fight because of its ban of re-match clauses. Liston has been dropped from the WBA ratings and there's no indication he will be reinstated.
