The Science of Life is worth more to the young and middle-aged men of this generation than all the gold mines of California and the silver mines of Nevada combined.—S. E. Chronicle. The Science of Life points out the rocks and quicksands on which the constitution and hopes of many a young man have been fatally wrecked. There is no member of society to whom the Science of Life will not be useful, whether youth, parent, guardian, instructor or clergyman.—Argonaut.
