**an ELECTRIC
CLOTHES
DRYER**

Let REDDY KILOWATT rescue you from one of housework's hardest chores! In 30 minutes or less, an average washer load of clothes will be damp-dried, ready for ironing. Or you can give them a complete "wind-blown" drying in about 60 minutes. That's the kind of time-saving speed you get with an ELECTRIC CLOTHES DRYER.

Not only does an ELECTRIC CLOTHES DRYER save you hours of time... you are completely independent of the weather. Dry clothes electrically whether it rains, sleets or snows. You can stop worrying about dust, dirt and broken clotheslines. Stop fumbling with clothespins. Stop lugging heavy wet clothes. Let Reddy take the work out of washday.

**Universities
take blast**

TORONTO (CP) — Universities in Canada discriminate against female students, says Mrs. M. J. Sabia, president of the Canadian Federation of University Women.

Mrs. Sabia, who calls herself "the fighting alderman from St. Catharines," said in an interview Thursday the unchanging attitude of many of the male heads of universities is that "women marry."

OPENED DOOR TO ALL

Calvin Coolidge was the last American president to hold open house for all comers every day.

university heads) told me that women are not suited to the academic life; that women should keep quiet with their hands in the dishpan and their minds on diapering the babies." Mrs. Sabia said there are no grants to women who could work for postgraduate degrees on a part-time schedule and that

universities are turning down women who want to return to college for postgraduate work if they are nearing 40 years of age. "But 40, 50 and 60-year-old men... are all over the country carrying advance degrees," she said.

**YOUR
NEIGHBORHOOD STORE
offers you friendly
courteous service!**

MOST of the time, when you're shopping at your neighborhood store, you are dealing either with the man who owns it or his family. After a short while of dealing with them, you all know one another by name and a friendly atmosphere is created and you find yourself dealing with FRIENDS who have your interest at heart.

NEED something after normal shopping hours? Don't worry about it, your friendly Neighborhood Grocer is generally open in the evenings for YOUR convenience. He has anything from a comic book to a bottle opener.

YOU don't have to get "all dressed up" or call in a baby sitter when you shop at your neighborhood grocer's. Just leave the car in the garage, take the children by the hand and drop in on your "friend" ... he's glad to see you anytime.

THE variety of merchandise carried by your neighborhood grocer is quite often almost as big as some of the larger stores. He doesn't stack the shelves ten wide with one item... he usually puts only a few of each item on his shelves, thus allowing him room for more merchandise.
