Campus Comment

by Karen Rawlines

How do you feel about paying to print from campus computers?

Brian Hicks, 4th year Arts: "Doesn't affect me because I have my own printer."

Anonymous, 2nd year History: "I can't say I like it very much. It's kind of a pain in the ass."

Anonymous, 2nd year: "I agree."

Desi Doyle, 3rd year Arts: "Doesn't really concern me. I don't print anything anyway."

Kim Soloman, 4th year Psych: "Doesn't really matter. Some people come in and abuse it. This stops people from abusing it since they have to pay."

Norbert Carpenter, 4th year Psych: "I think tuition is high enough already. We shouldn't have to pay for that, too. I can see paying for the laser printer because it's good quality, but the others aren't. I have to save my money for Myron's."

Jay Carpenter, 4th year Biology: "It's terrible."

Hello! I did invite you to a movie
