

An Undeniable Truth.

You deserve to suffer, and if you lead a miserable, unsatisfactory life in this beautiful world, it is entirely your own fault and there is only one excuse for you—your unreasonable prejudice and skepticism, which has killed thousands.

A Good Account.

"To sum it up, six long years of bed-ridden sickness and suffering, costing \$200 per year, total \$1,200—all which was stopped by three bottles of Hop Bitters taken by my wife, who has done her own housework for a year since, without the loss of a day, and I want everybody to know it their benefit."
