BAPTIZED AT TIGNISH

On Sunday June 4th at 4 o'clock at the Church of St. Simon and St. Jude the infant son of Mr. and Mrs. George Kennedy, nee Reia Shea of Lennox Island and Tignish, was baptized, James Roy, by his uncle Rev. Claude E. Shea. Sponsors were Mr. and Mrs. James Shea of Upsalante, Mich. Father Shea had been ordained but a few hours previous to his officiating at this baptismal ceremony. Paternal grandparents of the infant are Mr. and Mrs. Albert Kennedy, Waterford. Maternal grandparents are Mr. and Mrs. W. J. Shea, Tignish.

ALBERTON SCOUT MEETING

The regular meeting of the Alberton Boy Scout group committee was held last night in the Weeks Radio Shop with the following members in attendance: J. W. Don Campbell, Mrs. Arthur Wilkie and Mr. Frank Weeks. It was decided to appoint Mr. Gordon Coffin as assistant scoutmaster, and Messrs. Wesley Hardy and Merritt Callaghan as assistant scoutmasters. Transportation to summer camp June 9-18 was discussed and several ways of taking the boys to camp at Point Prim were dealt with. After appointing a committee to arrange for transport the meeting closed.

INJURED IN ACCIDENT

Mr. George W. Goss of Hampton, N.B. is a patient in the Prince County Hospital with what appears to be only slight injuries following an accident which occurred about six o'clock last evening when his car left the road on Water Street East, Summerside and landed on its hood in the ditch with its four wheels in the air. According to a report given Summerside Police he had endeavored to overtake a Quebec car driven by Mr. Jacques Nadeau and as he drew abreast the two vehicles sideswiped; the Goss car apparently went out of control and plunged over the fairly steep but not very deep bank. Mr. Goss was able to climb out of his car, a Pontiac sedan, and into the hospital in a taxi. His car is quite badly damaged. The other automobile also suffered damage to two doors and the centre post. It was raining at the time.—S

S'side Firemen Seek Funds From Old Furniture

Tonight at 6 p.m. the Summerside Firemen will canvass the Town seeking old furniture which they intend to sell by auction to raise money to pay for new uniforms which they recently purchased. The Town has been divided into zones so that it can be covered in short order and nine team captains with trucks will pick up the donations. Major F. J. McNeill has given permission for the firemen to hold their auction on the Armoury Square on next Saturday afternoon. The well known auctioneer Mr. Hugh Morrison is giving his services free. In case of bad weather the sale will be held in the new Curling Rink. It is many years since the Summerside Firemen have sported new uniforms and since this year Summerside will be the scene of the Maritime Fire Chiefs Convention in July it was thought only proper that the firemen should be properly attired. The firemen raised most of this money last summer by means of a dance, bingo and horse race. They also received a substantial amount from the Town but they still lack about \$600. Every citizen realizes the importance of the department in Summerside and it is thought that citizens will back up this effort.—S

Other guests were Rotarian Philip Roth of Minnesota and Mr. Roy Phillips of San Juan, Puerto Rico. Mr. Arthur Rogers was the projectionist.
