LOCAL AND OTHER ITEMS.

BAND at the Rink to-morrow afternoon.

L. O. A.—Regular meeting of Boyne Lodge to-night at 8 o'clock.

FIRST METHODIST CHURCH.—Come early to the basement on Tuesday evening next if you wish to secure a good seat.

HOCKEY.—The Charlottetown Hockey Club will meet for practice to-morrow night at 8.30. A full attendance is requested.

SKATING RACE.—Frank Cannon and A. D. Caldwell skated a two-mile race at Summerside last night, Cannon winning by about half a lap in 7.15.

SCOTT ACT.—John Hebert was yesterday committed to jail for two months in default of payment of a Scott Act fine imposed upon him a short time ago.

FOR SELLING ON SUNDAY. — Yesterday a summons, charging a violation of the Sunday Observance Law, was served on Michael Carragher. It is returnable at the Police Court on Monday.

POLICE COURT.—To-day a man named Angus McEachern contributed $2 to the civic exchequer. It seems that Angus was alcoholically embarrassed, contrary to the statute in such cases made and provided.

SOCIAL.—There was a most enjoyable social at the Presbyterian Manse at Hampton on Tuesday evening last. A musical and literary entertainment was followed by a supper. A snug sum was realized.

MEDAL CONTEST.—The Y. W. C. T. U. extend a cordial invitation to the public to be present at the "Demorest" medal contest on Tuesday evening, 28th inst., in the basement of the First Methodist Church. Silver collection.

Gentlemen of refined taste chew **BEAVER** plug exclusively. It is absolutely pure with a rich avor. Refuse cheap imitations.

AT THE CAPES.—The boats from this side with mails crossed to-day, and will return to-morrow bringing the mails and any passengers offering. All the mail matter which has accumulated at Georgetown during the past few days was sent to Cape Traverse last night.

THE gospel meeting held on Chestnut Street, at the mission station, last night, was crowded to the door. Chairs had to be borrowed to accommodate the people. It was one of the most inspiring and impressive meetings ever held there and numerous testimonies were given for the Master.

NEW SAW MILL.—A new steam saw mill has just commenced operations at Stanley Bridge. It is located on what was the Brown property. The enterprising owner is Mr. Bowness from Norboro, who, we understand, intends to add a planing mill and sash and door department to his business in the near future.

MARINE LAW.—Mr J. E. Wyatt, barrister-at-law, Summerside, will deliver the third of the series of lectures in connection with the curriculum of the commercial course at the Charlottetown Business College and Writing Academy. The subject of his lecture will be "Marine Law." The date will be announced later.

SERVICES APPRECIATED.—A correspondent of the Farmer states that at the social recently held in the hall at Malpeque by the Christian Endeavor Society, Miss Janie B. McNutt, daughter of the late D. S. McNutt, Esq., was presented with a purse containing gold and silver coin as a token and memento of her services as organist of the society. The gift was fittingly acknowledged.

THE STANLEY left Pictou yesterday morning at half-past seven, and did not get to Georgetown until three o'clock this morning. She was fast in the ice about a mile outside Pictou Island from six o'clock yesterday afternoon until midnight, when the change of tide enabled her to get clear and proceed to Georgetown. The mails and passengers were brought to Charlottetown by special train, arriving about half-past eleven. The steamer left Georgetown on return to Pictou at half-past nine.

BURNS' ANNIVERSARY. — Those who were present at the rehearsal of the above entertainment last night received strong evidence that there is a treat in store for concert-goers this evening. The pictures to be presented are in the highest style of art, especially those of "John Anderson, My Jo," "Tam O'Shanter" and "Burns," which are especially excellent and reflect great credit on our local talent. The committee in charge of this entertainment deserve a full house, ad no doubt the generous public will see that they receive that reward in full.

SECOND METHODIST CHURCH.—The Rev. R. W. Weddall, B. A., who is to preach the re-opening sermon in the Upper Methodist Church on Sunday next, is a graduate from Sackville, an ex-Secretary of the Conference, and ex-chairman of district. He has served the usual term of three years on several of the leading circuits in New Brunswick, and has been most successful in his pastoral career. He has never been heard in this city, and a treat will be afforded the public on Sunday next to hear him preach, as well as to see the very important changes made in the interior of the church. Special collections all day in aid of the church funds. The pew-holders will meet at two o'clock on Saturday afternoon and select the location of their seats. Any person desiring to secure sittings will find this a good opportunity to make selection—before all are taken up.

LOCAL AND OTHER ITEMS.

ART OF ADVERTISING. — Mr. H. A. Woodworth's lecture to-morrow before the students of the Charlottetown Business College and Writing Academy on the subject of "The art of advertising and its application to a business education" will be listened to with interest by business men as well as students. It is a most important subject, and Principal Miller has placed it in good hands.

ORIENT LODGE.—The officers of Orient Lodge, A. F. and A. M., Souris, for the current year were installed a few evenings ago. They are as follows:

LETTERS TO THE EDITOR.

WHO BRINGS HIM OUT?

SIR,—I see by this evening's Patriot that Mr. Horace Haszard has accepted the nomination for Mayor, and has done so in response to the requisition of a number of citizens. Would Mr. Haszard please publish this requisition in order that we may know who is bringing him out? Is he the nominee of the Citizens' League? Let us know by all means who his backers are.

INQUIRER.

A NOTE OF WARNING.

SIR,—The new mayor and council will be in power when the next Scott Act election comes on, and it behooves us all to be astir and not to allow the rummies to get control of the City Council as they did in 1893, and thus carry their nefarious opposition to the Scott Act. The object of our opponents will be to lay low, as they always do, but our experience shows us that they are on hand on election day. I understand that a determined effort is to be made to repeal the Scott Act at the next election, and if the anti-Scott Act people succeed in electing sympathisers in the council they will succeed, and out goes the Act. I trust, therefore, that our people will be on the alert and see that our interests are protected. I hope politics will be kept out of the fight. Mr. Haszard, who is now spoken of as coming out, is a very strong party man, and besides is being brought out by Mr. Peters, who every person knows is no friend of us temperance people. Strong party men on both sides should be avoided and all political manœuving put aside. Unless this is done our cause is lost.

TEMPERANCE.

PERSONAL.

Mr. W. L. Waring, Dominion Inspector of Boilers, is among the guests at the Queen Hotel.

The arrivals at the Hotel Davies to-day include Everett E. Wells. Montreal; M. B. Rice, do; D. D. Donovan, Brockville; W. B. Hurd, Toronto; Dr. Bowen, Kensington.

We notice a very good likeness of J. F. Clarke, of the O. A. C., in a late number of the Baptist Union, of Chicago. Mr. Clarke, who is a son of J. C. Clarke, Esq., of Bay View, is a third year student at the above-mentioned institution, and is also engaged in young people's work in connection with the Baptist denomination.

LATEST NEWS NOTES.

The anti-German spirit in London and the anti-British feeling in Berlin continue very bitter.

An Imperial decree has been issued announcing that the coronation of the Czar will take place in Moscow next May.

The Ashanti war is over. Coomassie was occupied by the British forces without opposition, and King Prempeh accepts all British demands.

The British Admiralty Department in London makes the statement that the flying squadron is not going to Bermuda or anywhere in American waters.

The exports from Canada during last month, exclusive of coin and bullion, rose from $6,739,123 to $8,932,934, of which $2,108,892 was in goods the produce of Canada.

The twenty-fifth anniversary of the crowning of King William of Prussia at Versailles as Emperor of Germany was celebrated with much pomp in Berlin on Saturday.

It is understood that Lord Salisbury is preparing a full statement on the Venezuelan question, which will be submitted to Parliament soon after it meets on February 11th.

SACRED CONCERT.—There was a good attendance at the sacred concert last night in the Methodist Church at Mount Stewart, and an interesting programme of vocal and instrumental music, recitations, etc., was capitally carried out.

AT AMHERST.—As a result of the recent Crossley and Hunter evangelistic meetings at Amherst fifty persons were last Sunday admitted by baptism into the Baptist church and a similar number into the Methodist church as probationists.

THE LOST TRIBES.—At Marshfield last evening, Mr. John Ross, of Charlottetown, delivered his lecture on "The Lost Tribes of Israel," to a good audience. The lecture was both interesting and instructive, and at the close, a hearty vote of thanks was tendered the lecturer.

QUEBEC WINTER CARNIVAL.—Preparations are being made on such a scale as to point to the fact that this carnival will, in all respects, far surpass all previous ones, and this statement, coupled with the low fares, should induce a large number of people to visit Quebec. The People's Railway, in this connection, issue return tickets at first-class single fare on the 24th and 25th, good leaving Quebec up to February 5th, and at special fare of $11.00 from Pictou to Quebec on the 28th and 29th, good leaving Quebec up to February 3rd. jan 17 eod

SOME RARE HOUSE PLANTS.—The Summerside Farmer says: Mr. Harry Green of this town, takes great delight in the cultivation of rare house plants. Our readers will remember that a few years ago his night blooming cereus produced a bloom of rare beauty. He has also a cactus which has had 155 blossoms upon it since Christmas. One of his rarest plants, however, is a dwarf orange tree which stands about one foot in height, and has at present a fully developed orange about an inch and a half in diameter. One would hardly suppose that when the orange groves of Florida are so near the tropics that oranges could be brought to perfection so far north as this and in the middle of winter besides.

Rubbing It In.

Never use a liniment for rheumatism, says a high authority. Don't rub it in—drive it out. Take something that removes the acid poison from the blood—take something that will improve your digestion, and build up the body to the perfection of robust health. That "something" is Scott's Sarsaparilla, a remedy that obtains the best results in the shortest time. $1, of all druggists.

LADIES, clean your kid gloves with Josephine Glove Cleaner. It is not a liquid, gives no odor, and can be used while the glove is on the hand. For sale only at A. W. Reddin's drugstore. tf.

We know they are well and stylishly made, and that the prices are as low as it is possible to sell goods of this grade.
