

### Orderly Voting In Republic Of Ireland Election

DUBLIN, May 30 — (Reuters)—Ireland held her first general election as a republic today. It was the 14th in the country's independent history—and the quietest.

The 1,800,000 electors will decide whether the next government will be another coalition led by John Costello, or a single-party administration headed by Brooklyn-born Eamon De Valera.

It was expected about 1,250,000 electors spread over 40 multiple constituencies would vote in a close race.

Voting for members of the 147-seat Dail Eireann (Irish Parliament) opened quietly at 9 a.m. local time (4 a.m. EDT) and continued to 9 p.m. (4 p.m. EDT).

Under the complex Irish proportional representation system, first results are not expected before late tomorrow, with most figures to be announced Saturday.

### Final Inspection Of School Cadets To Be Held June 11

The final school cadet inspection of the season here will be held at Victoria Park on June 11 when the West Kent School Cadet Corps marches onto Memorial Field.

In the inspecting party that day will be Lt.-Col. K. M. Johnston, officer commanding 5th Signals Regiment with which the West Kent Corps is affiliated.

Commanding the corps that day will be Cadet Major David Nicholson, with Capt. Don McNally as second-in-command, and CSM. Don Livingstone as company sergeant major.

Other officers and N.C.O.s in the West Kent group will be Lt. Barry Macdonald, Lt. Bob Hutchison, Lt. Neil Hansen, Lt. Bill Ives, QMS. Gordon Tait, Sgt. Roy Lantz, Sgt. Ian Taylor, Sgt. David MacKay, Sgt. Richard Carson, Sgt. Keith Stickings, Sgt. Wilf Kennedy, Sgt. Bob McKarris and Sgt. George Court.

### Island Graduates At Mount Allison

At the recent graduation exercises held at Mount Allison University there were several Islanders either graduating or winning prizes.

Graduating with the degree of Bachelor of Arts (with distinction) was Miss Thirza Winnifred Cairns (magna cum laude) of Freeport.

Also winning degrees were Norman Russell Green, Breadalbane, and Douglas Roderick Milton, Charlottetown, both Bachelor of Arts; Miss Myrtle Ruth Wigmore, Emerald, Bachelor of Science in Home Economics; Miss Lorna Creelman, Charlottetown, Bachelor of Fine Arts; Robert Wilson Ross, B.S.C., Summersville, Bachelor of Education; and Ernest Alexander Clawson, Charlottetown, Certificate in Engineering.

The Mary Ann Howard Memorial Prize awarded for second highest standing in the four years of the course, leading to a B.Sc. in Home Economics was won by Miss Myrtle Ruth Wigmore, Emerald. The Elizabeth Lovitt Prize awarded to the student with the highest standing in the first three years of the Honours Chemistry Course was won by Errol Webster Carruthers, Augustine Cove.

One of the Lord Beaverbrook Post Graduate Scholarships covering all expenses for a year of study at the University of London, including travel expenses to the British Isles during holidays, for the year 1950-51 was awarded to Miss Ruth Milton, Charlottetown.

**Personals**

Mr. John Eldon Green, M.S.W., supervisor of welfare services for family allowances, Charlottetown, left Sunday to attend a conference of the supervisors of welfare services for the family allowances being held in Ottawa this week.

### Another Laurel For Mutch Herd

Mr. Edison B. Mutch of North River, whose Jerseys have been taking top honors at many cattle shows in this country had another laurel added to his achievements when he recently received word that a bull he had bred on his farm here had won the grand championship at the big Vermont Jersey show.

The Rivernorth bred sire is owned by Mr. Roland Easter in West Addison, Vermont and named "Brave Flora's Oscar Dam of the sire is also the mother of Mr. Mutch's two famous show twins, Flora's Jay and Flora's Kay which were sold last year.

In winning at the Jersey show, the Island bred bull had to top some of the best sires in the U.S.A. Among the animals entered were a son of "Favorite Commando" and a grandson of the outstanding Jersey sire "Wonderful Advantage."

### FAMILY PRAYER

Continued from page 1

did the people face the same challenge as you people today," he said. (He was referring to the fact that there had been fine weather for all other rallies since they were started in Canada in 1948).

In noting that the Crusade in Canada was now nearly completed, he stated: "I can leave Canada with the happy memory of the people of Prince Edward Island and of the great, beautiful faith of its people."

He stressed the effect which the recitation of the Family Rosary would have on the members of the home. "Think of the effect it has on the husband, who comes home at the end of the day's work to kneel down beside his wife and lead the family in prayer, of the wife who can say she has such a husband and of the family members, young children and teenagers to have their parents kneel beside them."

The crusade was started in Canada in the London Diocese in 1948, he recalled, where 90,000 people gave their pledges. The next Crusade was in Saskatchewan followed by Alberta, British Columbia and the North West Territories.

The first Crusade in the United States was held in Scranton, Pennsylvania where 30,000 men brought in their pledges. From then on there was no stopping the Crusade in the States, he stated. He next went to England and from there to the Maritimes.

Fourteen more Rosary Crusades are waiting to be conducted by Father Peyton in the United States. Archbishops and Bishops in fourteen states are waiting to put this Crusade through their states, he said.

"You are only joining your forces with millions of other Christians," he continued. "Your pledges will help to send the Rosary over the whole world and save the world again as it has in the past."

The 16,000 lay organizers in the Provinces of Prince Edward Island and Nova Scotia will call on all Catholics in the dioceses next week to secure the pledges.

His Excellency Bishop Boyle welcomed the large crowd and complimented them for their testimonial of faith. He pointed out that the aim of the Crusade was to enlist every Catholic in the

### Premier Expects Official Here Re Defence Contracts

Hope of obtaining some defense contracts for the Province was expressed by Premier J. Walter Jones on his return last evening from Ottawa, where he attended the Dominion-Provincial conference on old age pensions. The Premier said he expected a Government official would be arriving here today to see what work can be done at the Bruce Stewart & Co. Ltd. plant, or by other local firms.

Premier Jones also attended the national Holstein sales at Oakville, Ont., where one of his prize bulls, Abtweit Consort, sold on Monday for \$7,000, which was by far the highest price at the sales.

Hon. W. A. Matheson, Minister of Health and Welfare, returned earlier in the week after attending the conference at Ottawa.

### R. C. A. F. Begins Enlisting Women

OTTAWA, May 30—(CP)—The R. C. A. F. announced today its qualifications for Women's Division enlistments, who will start entering the service in limited numbers tomorrow.

Applicants must be between 18 and 29 years old, except for former wartime W.D.S. who may be accepted up to 40 years of age. Education minimum is grade 10 or equivalent. The women must be single although in special cases the Air Force may consider a married woman with no dependents.

Applicants for commissions must have a university degree or senior matriculation with two years' administrative experience.

The R.C.A.F. is the first of the services to start recruiting women for its regular force.

### Attractive Island Film

One of the more attractive tourist films made in this Province was shown privately yesterday at a filming held in Prince of Wales College. Done in natural colors the film tells much about the Island from the time the visitor reaches the mainland until he ends his tour with Old Home Week. The film first traces the four methods of reaching the Province and has some excellent shots of the car ferries, planes, buses and trains. It also goes into detail about industry highlights such as oyster and lobster fishing and farming and picks up many of the prettier sections of the Province for general tourist scenery. Included are pictures of the harness racing during Old Home Week and shots of yacht racing on the harbor.

great army of prayer.

"We must pray that World War III will be averted and that the kingdom of love, peace and justice will be restored to our hearts," he declared. No one denies that family prayer has been neglected, nor is it surprising that in many homes where there has no respect for family members.

Lt. Col. MacDonald thanked Father Peyton for his address. He also thanked Lt. Col. A. W. Rogers for granting the use of the Recce Band, Bandmaster MacFarlane, members of the Band, the stage decorators, B. Maddigan and Wilfred Smith, and members of the general committee who aided in organizing the rally.

After Father Peyton's remarks the crowd led by the choir directed by Frank MacIntyre sang "Holy God We Praise Thy Name." The short programme ended with "God Save the King."

### U. S. Observes Memorial Day

WASHINGTON, May 30 — (AP)—Bands blared. Parades marched. Rifle salutes split the air.

Today was Memorial Day, the annual occasion for wreath placing and public eulogies to the United States' war dead.

It was a day off for most Americans. Golf courses were crowded and so were the theatre malines and ballparks. It was a holiday, officially.

In New York City, there were six different parades.

And in cemeteries, bereft families stood beside graves.

New casualties were falling on the Korean battlefield as the country observed the day.

### FRESH PROTESTS

Continued from page 1

putting the paper out."

Mr. Hatfield said he wished to protest the higher rates, especially those on weeklies. The newspapers were doing a service to the province. Many of them had been harmed by radio, yet the Government-owned CBC did not have to pay its way.

Mr. Balcer objected to the rate proposal. It would hit Quebec harder than any other Province because of the distances certain newspapers have to travel and the fact that they serve a large rural area.

Mr. Balcer predicted that the increases could force some small dailies out of existence.

Postmaster-General Rinfret said if the zoning idea were adopted on the existing parcel-post basis the rates now proposed would be charged for the first zone and there would be extra charges for additional zones. The money had to be obtained to reduce the postal deficit.

### MASSED REDS

Continued from page 1

and tired, was forced to give way under the sheer weight of the enemy's pressure.

The hill was gone. The positions in the plain below became untenable and it was a question of fighting a delaying action as the Canadians moved back.

Medland reported to Keane that the Chinese first were sighted approaching across country, going to ground and then coming into view only as they crossed ditches to get into paddy fields on higher ground. Each "sighting" showed the enemy 100 yards closer.

Medland said he had excellent killing—at least 300 dead by conservative estimate and possibly 500.

Duncan and Peterson said they had equally good targets but did not estimate the results of their fire.

**Too Many Targets**

Lieut. Wellington Hamilton of Niagara Falls, Ont., one of Medland's platoon commanders, summed up the action tersely:

"They were shooting at us. We were catching hell. But we had a lot of targets and shot right back. Then the targets began getting thicker—and closer. Soon it was too many targets. Too many men with too many weapons against us and we had to fight our way back."

Keane ordered a withdrawal. The infantrymen loaded their heavier weapons onto tanks to carry back. The whole thing was in perfect order. There was no panic, no worry.

And even in that maddenly-persistent rain men shivering with cold were cheerful—such as one of Medland's corporals who shouted to me as he passed Keane's tank:

"And you can tell them we will be coming back."

### Good Progress In Recruiting

The splendid recruiting records of Islanders in the past are being matched again as Canada seeks men for her 27th Brigade.

Since the drive started a short time ago over 200 men have applied and 95 of them have been actually enlisted. Of these some have been sent on draft to Halifax, some posted to V Troop, here, and others are currently on leave or have not yet been posted. In the meantime men continue to visit the Armouries seeking information. While the flow is not as heavy as it would be during the early days of a war it is yet steady enough to give recruiting forces the knowledge that the manpower is here and ready.

Officers realize that it is often difficult for recruits to come to this city for the requisite time needed to complete enlistment. In order to make it easier for them to acquire all necessary information a mobile recruiting unit will be sent out to various centres of the province. Among the places to be visited will be Souris, Georgetown, Summerside, Alberton and Montague. The dates when the mobile unit will be in those places will be well advertised in advance.

Of the number of men already actually enlisted there were two drafts sent to Halifax from which centre they will be again posted to the units for which they enlisted.

Following is a list of the men who left the Province for there to date:

Pte. J. W. Cadmore, Bonshaw; C/PN. C.E. Martell, Georgetown; Pte. C. B. Easter, O'Leary; Pte. E. D. Delaney, Kensington; Pte. W. N. Smith, St. Eleanor's; A/Cpl. R. S. Robertson, Breadalbane; Pte. F. F. Atkins, Central Royalty; Pte. W. J. Gallant, O'Leary; Pte. A. R. MacKenzie, North River; A/Sgt. J. E. Gallant, Summerside; Pte. N. E. MacFarlane, Southport; and the following all of Charlottetown: C/PN. J. G. Newell, Signm. F. E. Villard, Gnr. J. H. Donovan, Spr. J. A. Kelly, A/Sgt. R. A. Walsh, Pte. G. R. Beliman, Pte. J. P. Dunn, Gnr. K. G. Pineau, Pte. E. T. Fall, Pte. E. L. H. Brown and Spr. S. C. Malr.

### Anglican Synod Meets At Halifax

HALIFAX, May 30 — (CP)—A resolution urging the Federal Government to re-impose price controls was passed by the Synod of Nova Scotia of the Church of England here tonight.

The resolution was introduced by Rev. F. G. Moore of nearby Woodside, who said the people in lower income brackets would be deprived of the necessities of life unless some measures were taken to stabilize prices.

He said certain manufacturers were "rolling up the prices and are making exorbitant profits."

Mr. Moore said he expects the Government will freeze prices "shortly before the next election" but prices would have risen out of the reach of many people by then.

Secular activities in Cape Breton industrial centres on Sundays are interfering with religious instruction and duties, Rev. H. R. Cooper, New Waterford, told delegates to the Church of England Synod of Nova Scotia today.

The meeting passed a resolution urging co-operation to maintain the day for religious activities.

Rev. J. W. B. Nowe, Coxhead, said the problem is becoming serious, particularly in New Waterford and Glace Bay.

MONTREAL—(CP)—More than 2,000 Scouts will attend the international Boy Scout jamboree at Lacine, Que. June 1-3. J. F. Carter is in charge of arrangements.

## HOLMAN STORE NEWS

— G. H. M. —

EVEN if your windows have tiny old-fashioned panes — you can add that desirable touch of moderne with **PLASTIC CURTAINS AND DRAPES**. They're ready-made, so you merely buy them in the House Furnishing Section of the Furniture Departments at either the Charlottetown or the Summerside Stores, and hang them at your windows, then stand back and admire the soft, colorful fullness and beauty!
