A Grand Success

This year's Gold Cup and Saucer classic was once again an outstanding success.

Originated in 1960, this August spectacle has grown by leaps and bounds and today it is one of the greatest attractions in Eastern Canada.

We talked with numerous persons from outside the province and these folks were amazed at the excitement that went into the staging of this great harness classic.

The founders of the idea had hoped that Gold Cup and Saucer would become a great day for Prince Edward Islanders. They worked mighty hard at their task and after a lapse of three years, they see the outstanding fruits of their labors.

It's a mammoth undertaking but the committee in charge realized this and they did everything they tried to think of every angle and we think they did it well. If there were, you know, some folks who were disappointed, well, if there were, you know, we can be sure these will be remedied next August.

The week falls into the parade in the morning and the way they jammed Charlottetown Driving Park at night is the greatest proof that the public welcomes this outstanding event in the summer program for Prince Edward Island.

This year's show appeared better organized than ever and we know the committee workers tried desperately to make it that way.

The founders of the idea had hoped that Gold Cup and Saucer would become a great day for Prince Edward Islanders can proudly boast of their Gold Cup and Saucer classic. They need not apologize to anyone from anywhere.

This is a downright first class spectacle and many other cities in Canada would surely like to have such a summer project.

Unfair Criticism

WE were rather annoyed at some criticism levelled at announcer Frank Acorn on Friday night last.

Mr. Acorn was given a list of instructions by the committee and he followed them to the letter. At the time the committee had laid down, Miss Joyce Sullivan, television artist, was to sing the Island Hymn during post parade.

At any rate, Frank Acorn followed instructions to the letter Friday night. He didn't ignorantly cut in on Miss Sullivan as a result came in for some unfair criticism.

We state this here in fairness to Frank who had a rugged week with classifying and announcing.

He wasn't guilty in this case. Make up your mind to that.

Congratulations

CONGRATULATIONS to Clark Smith on again capturing The British Columbia trophy emblematic of the leading driver during the Old Home Week racing program.

Clark had to come from behind Saturday night to gain the stiverware but he was equal to the occasion. It was a tough race for the capable Joe Hennessy who was the favorite as the races started Saturday night.

TERMS UNACCEPTABLE

Clay-Liston title bout negotiations cancelled

LOUISVILLE, Ky. (AP) — Cassius Clay's manager said Tuesday negotiations for a heavyweight title bout between Clay and champion Sonny Liston "have completely broken down."

Manager Bill Faversham added, "That includes plans for 1964 as well as this year."

The group backing the Louisville contender has decided to have Clay fight sometime this year. Faversham probably in late October or early November.

Faversham said he received for matches against heavyweight Ernie Terrell, Bryan Gordon and Tom McNeely. Terrell is ranked third by Ring Magazine and fifth by the World Boxing Association in the line of heavyweight boxers.

WONT ICE CASS Faversham reported the Clay group found Liston's terms for a fight next year unacceptable, particularly one which would have kept Clay out of action until a title bout in mid-April.

The idea of putting Clay on ice for that long was unacceptable to the Clay camp.

Michigan's Booted Out Of World Boxing Group

MIAMI BEACH, Fla. (AP) — The World Boxing Association voted Tuesday to boot out of the state of Michigan for staging the sanctioned lightweight title fight between Kenny Lane and Paul Armstrong.

And the WBA convention ordered its executive committee to consider putting the sanctioning body under a trusteeship to provide supervision and fines for other states that flout the rules of the world organization.

Edward Lassman of Miami Beach was the motion to suspend Michigan, accusing the state of "contemptuous attitude." The executive committee was instructed to set the punishment at a fine of \$100,000.

Dr. Charles P. Larson, WBA president from Tacoma, Wash., told the convention that he could call David Gudecky, chairman of the Michigan Boxing Commission, "every name in the book" if he didn't quit.

"I used I told my finger with Donovan (8-30) and Azure (7-17) and Howard," he said, "with GREATNESS AHEAD?"

ATLANTA, Ga. (AP) — Wally Puts, who has won a world title as football coach, has the biggest stakes of all Tuesday at \$3,000,000 judgment against the Saturday Evening Post.

He went for jury as a federal court ruled that the Post was libelled by a March 23 Post story saying he rigged the 1962 Georgia-Alabama game by giving secret information to coach Paul (Bear) Bryant of Alabama.

The 58-year-old former athletic director and coach at the University of Georgia had been a vindictive of what he had said—that he was giving secret information to coach Paul (Bear) Bryant of Alabama.

For general damage, \$600,000. For punitive purposes, \$3,000,000.

PUBLISHED WITH MALICE Butts had charged, and the jury awarded \$3 million in damages in publication of the article.

The Saturday Evening Post, published by Curtis Publishing Co., immediately announced it would pay the damages.

Soon after the verdict, Butts told a press conference: "I am grateful particularly to the people who have stood by me through this ordeal."

Ahead for the Post lay an other libel suit that stemmed from the article—a \$10,000,000 one filed by Bryant. No date for trial has been set.

OVERHEARD PHONE CALL The Post article, written by Frank Graham Jr., said Atlanta insurance salesman had overheard a telephone conversation between Butts and Bryant.

The salesman, George P. Bryant, was quoted as saying he had been accidentally cut into the phone call and heard Butts selling game secrets to Bryant.

CO-HITTER FEATURES GIMMERSIDE VICTORY

The Summerside Little League All-stars won the P.E.I. Little League "A" Section Championship by their shut-out win over the Charlottetown team led by Don Abbie. Abbie fired the masterpiece yesterday afternoon after the Charlottetown team had tied the series one all with a 10-1 win in the morning.

Abbie missed a perfect game when he walked the second batter in the last frame.

The winning pitcher, Richard Young's steady pitching and his hitting led Charlottetown to its lopsided victory. Young, Robert Steward and Harrison Robbins each had two hits. Hutchison led the Summerside attack with two hits.

In the afternoon game it was all Summerside as they scored five big runs in the third inning and never look back. Hayner, Nelson, Hutchison, MacPherson and Gallant all picked up bingles for the winners but the damage was caused mostly by center fielder Herb Wilbur.

Palmer Takes Playoff Win

AKRON, Ohio (AP) — Arnold Palmer shot one-under-par 70 Tuesday to defeat Phil Rodgers and Jacky Cupit and earn a crack at the 100 world series of golf jockey.

Playing masterfully over the 35-70 Firestone Country Club course, Palmer put together a 3-45 in the run-away victory. Rodgers shot 75-72 and Cupit 38-38.

Palmer's victory enables him to join Masters and PGA champion Jack Nicklaus, U.S. Open champion Julius Boros, and British Open champion Bob Charles in the \$6,000 play for the top prize of \$50,000 in the world series.

Avoiding any need for one of his famous comeback in the second round play, Palmer went ahead of both Cupit and Rodgers after six holes with a string of pars.

BIRDIED 8TH HOLE Palmer then birdied the par-four eighth for a three-stroke lead but that was enough to bury both rivals, neither of whom carried a birdie in the entire round.

Although Palmer is the leading money winner with a record \$96,555 this year, he failed to win any of the big four tournaments to qualify for the series. When Nicklaus won both the PGA and Master's, a playoff was decided upon with Lorton coach and a player thrown out of the game.

The Summerside Intermediate and Junior were at bat in the bottom of the ninth inning, but the two runners were out.

It's been a tough series since the playoffs were started in 1961. In 1962, Nicklaus won both the PGA and Master's, a playoff was decided upon with Lorton coach and a player thrown out of the game.
