

Whitby Dunlops Leading; But Not Playing Best

WHITBY, Ont. (CP)—The way Manager Wren Blair tells it, Whitby Dunlops have been "up" for only one game this season—Nov. 22's 7-2 victory against the touring Moscow Selects.

It's a thought that makes the Dunlops' rivals shudder in the Ontario Hockey Association Eastern division.

Since the Moscow game, the team that will represent Canada at the world hockey championships in Oslo, Feb. 28 to March 9, has won 18, lost two and tied one and now leads Belleville McFarlands by 18 points.

Dunlops rank one-two-three in league scoring and hold six of the 10 first places.

What, wonder rival coaches, would be the situation if these guys were aiming to do their best here?

"Our guys are thinking of only one job," said Blair. "All the other teams are up against us. But before games our guys talk about things like how much luggage they're going to take."

Consciously or not, Whitby is ridding through league play like the class of Canada's amateur hockey talent the 1957 Allan Cup champions are.

Playing Coach Sid Smith said: "They hate to lose. It's tough to get up for these games and our first periods have been our worst. But then the boys get anxious and explode in the later stages."

Typical was Tuesday's game against Belleville. Whitby led 2-1 at the end of the second period, Dunlops won 8-2. Or Dec. 14, when Ottawa-Hull Junior Canadiens led Whitby 2-4 at the end of the second period. Dunlops won that game 10-3.

"This desire to win will reach a pinnacle in Oslo," said Blair. "Nor is this team simply satisfied to win. That's a good attitude. Show me a satisfied man and I'll show you a failure. Show me a contented club and I'll show you a bad club."

Blair is happy with the team's win streak. He says it makes it easier to point out mistakes and

keep the team sharp.

Whitby's win trail now includes nine straight victories, using the 21 games since Dunlops played Moscow and attracted country-wide attention, they've scored 120 goals and allowed 60.

NEEDS REARGUARD

Blair is seeking one defence man before the team leaves New York Jan. 29 for a 14-game exhibition tour in Europe and the championships in Oslo. He's especially happy with the performance of three additions this year—Smith, Jack Mackenzie and Connie Broden.

Three others ranking high offensively are Bob Attersley, Bus Gagnon and Charlie Burns, who lead the league's individual scoring.

"I don't know if we're going to win but if we do—and I think we have the team—it'll be because everybody played their hearts out," said Blair. "They all know there's no second chance and I think they'll make good the first time."

Gonzales Evens Tennis Series

ADELAIDE, Australia (AP)—Pancho Gonzales of Los Angeles Wednesday night evened his professional tennis series with Lew Hoad at 3-3 by defeating the Australian in a five-set duel.

The 29-year-old Gonzales came from behind to win 11-13, 6-3, 3-5, 6-2, 7-5.

Gonzales twice exhibited flashes of temper. In the final set, when he dropped his service to trail 1-2, he hit the ball over the stands. He recovered quickly to go ahead 3-2, and then argued with a linesman over a decision against him.

SPORT OF KINGS'

Souris Will Hold Their First Skate Next Week

One rink has started ice-making on this end of the Island. The caretakers of Souris Rink started flooding late last week. If the cold weather holds, they expect that the first skate may be held next week.

In the last few years, this rink, along with an open air rink in Red Point have been the only two rinks in operation at this end of the Island. Morell has an open air rink, but the last few years, they've been using the Souris rink for their home games.

Reports are making the rounds that both Morell and Souris, finalists in Intermediate "C" and "B", respectively, last year, will be much weaker than last year's squads. Last year, during the season, and again at the conclusion of the season, some of Morell's veterans announced their intentions of hanging up

their skates. One Morell player has informed this corner that, so far, they haven't changed their minds.

In Souris, some of the top players will be missing from last year's team. The "BIG LINE" will be lost, along with a few other capable performers. The Paquet brothers, Mel and Henry may line up with the Souris squad this year. Both boys have been away from the hockey wars for a few years, but, with a little practice should regain their old form. Other new faces will also be seen with the 1958 version of Eastpacks.

On Tuesday afternoon, Souris basketball officials were in touch with the SWAP League officials and tentatively arranged games for Wednesday night. Final arrangements were to be reached on Wednesday morning. At time of writing it was unknown if this

S'Side Minor Hockey Opens

The official opening of the minor hockey program at the Summerside Athletic Association was held at the Civic Stadium with a fair crowd of spectators watching the four minor hockey matches. Jack Scott, president of the Association, thanked the crowd for their support and introduced the following members of the executive: Horace MacFarlane, Neil MacLeod, Charlie Ballen, Charles Hogan, Ralph Boates, Bob Clarke. He stated that the minor hockey players were showing keen interest under the capable coaching of

Francis "Peg" Neill. Both the summer and winter programs were designed to make better citizens of the participants, as well as better baseball and hockey players. Mr. Scott was followed by Horace MacFarlane, who spoke of the contribution which Bob Clarke had made to the program. He had been president for a year and secretary for four years, and had conducted his duties in a quiet, efficient, unassuming manner. He had done a great deal for the association. The speaker called on Neil MacLeod who made the presentation of a gift for Mr. Clark.

In the paperweight major game the Maple Leafs beat the Bruins 2-1. Paul Hogan scored for the Bruins, and Bill Dieke and David Gallant for the Maple Leafs. The Pee Wee game between the Canadians and Maple Leafs ended in a 2-2 draw. Scoring for Canadians were Michael Driscoll and Richard Perry, and Paul Gallant and Paul MacWilliams scored one each for the Maple Leafs. The Greens beat the Reds in the Bantam game by the score of 3-0. Goals were scored by Donnie Schurman, Keith Cameron and Joey Trainor. The Midget game ended in a 6-6 tie. The following is the summary—1. Greens—Alden MacNevin; 2. Reds—E. DesRoches

Beliveau Not Ready To Play

MONTREAL (CP)—Jean Beliveau, out of NHL action since Dec. 12 with a rib separation, has been working out with Montreal Canadiens but isn't expected to play for a game or two, the club said Wednesday.

"It's the kind of injury that has to heal itself," said Frank Selke, Jr., "and it would be taking a chance to send him back before, perhaps, next week."

Maurice (Rocket) Richard, the other long-term injured Canadian, should be skating next week.

Durelle Fight To Be Seen

OTTAWA (CP)—The postponed New York bout between Yvon Durelle and Tony Anthony will be telecast live to the Maritimes Jan. 31, a CBC spokesman said Wednesday.

The fight, originally scheduled for Friday, was rescheduled Tuesday after Maritime-born Durelle was stricken with pneumonia poisoning. It is to be Madison Square Garden's main event Jan. 31.

The boxing match will be carried on the CBC's microwave circuit, now under construction and scheduled to open Feb. 2.

The CBC had arranged to interrupt circuit tests to carry the match Friday night and to televise part of the national Liberal convention here Jan. 14-16. The circuit does not extend to Newfoundland.

Durelle, a Baie Ste. Anne, N.B., fisherman, is classed as No. 2 contender for the light heavyweight title by the National Boxing Association.

Undeafated in 10 starts, a win over Anthony would give the Canadian a shot at Archie Moore's title. Durelle holds the Canadian and British Empire light heavyweight championships.

FALSE TEETH That Loosen Need Not Embarrass

Many wearers of false teeth have suffered real embarrassment because their plates dropped, slipped or wobbled at just the wrong time. Do not live in fear of this happening to you. Just sprinkle a little FASTERIE, the alkaline (non-acid) powder, on your plates. Hold false teeth more firmly, so they feel more comfortable. Does not sour. Checks "plate odor" (denture breath). Get FASTERIE at any drug counter.
