RAPID GROWTH.—Montreal Witness says that that city has at present a population of 208,000, which by 1891 will reach 290,000, and a year later will easily reach 300,000. It is proposed to take an annual census hereafter.

REMOVE THE SNOW.—The new City Marshal should see that the snow is removed from the sidewalks in front of the premises of every citizen. Even a City Councilor should not be allowed to have his sidewalks obstructed.

McNEALLY'S HIDING PLACE.—It now turns out that Frank C. McNeally, has for some time past been located in Donville, P. Q., at the house of Warren Carter, a former Saco boy, who now resides at that place. Carter was one of the drivers for the American Express Company a few years ago, a friend and former neighbor of the McNeally's.

FOUND DEAD.—An Arichat despatch says: "A deaf mute named Petipas was found dead in the woods near D'Esouasse a few days ago. An axe was found near him and a deep cut in the arm near the wrist gives rise to the supposition that he accidentally cut himself, severing an artery, and that he bled to death. He was a young man 19 years of age."

BRIGANTINE IN TROUBLE.—The brigantine Corinne, Captain Byrne, from P. E. Island via Halifax, with 7,000 bushels of potatoes for a United States port, has arrived at Liverpool, N. S., with loss of sails, leaking badly, cargo damaged and crew refusing duty. A survey was held and she has been ordered to discharge for further survey. She reports heavy seas with terrific gales and extremely cold weather.—Hz. Chronicle.

THE CARNIVAL.—The carnival at the Excelsior rink to-morrow evening promises to be the best ever held in this city. Extensive preparations are being made to beautify the rink, as to decorations, &c. A very large number of skaters will appear in a variety of costumes. Summerside will be well represented by a large number of costumes. A good time is promised to those who attend the rink to-morrow evening. The managers feel that this carnival will be a grand success.

A FARMER MURDERED.—The team of Bobb Orme, a farmer in the 18th concession, London township, Ontario, arrived home a few nights ago without the owner. His son started back and found his father lying on the roadway with a bullet wound in his head. His pockets were turned inside out, and there were evidences of a severe struggle having taken place. The victim had been attending a meeting at a neighboring town, and was, it is supposed, murdered on his way home by tramps.

SUICIDE.—Mc. L. Woolrich, traveler for W. & C. Silver, of Halifax, committed suicide in the sample room of the McKenzie House, Sydney, C. B., on Tuesday morning last. His body was found suspended from the ceiling by a leather trunk strap. His hands and feet were quite cold; the eye balls were fixed and the heart had ceased to beat. He breakfasted at ten o'clock, read the papers, and an hour afterwards was found dead as above stated. No cause is given for the rash act. On the table in his room was found a letter addressed to his mother which said he was laboring under some dreadful trouble and it would soon be all over. The coroner's jury returned a verdict of suicide while laboring under temporary insanity. He was about 25 years of age, and unmarried. His acquaintances in this city will regret to hear of his untimely death.

REJECTED AT THE ALTAR.—A Fredericton despatch to the St. John Telegraph says: If the generally circulated report be true there was a remarkable scene at an intended marriage at the house of a Fredericton clergyman the other afternoon. A young pair went to the house of a clergyman with the intention of getting married. The ceremony had commenced and the prospective bride had said she would accept the young man as her husband. The minister began to draw a picture of marriages that had proved to be unhappy. Without waiting to hear the bright side of the picture she pushed her lover's hand away declaring "I will not have you." The young man was thunderstruck, but neither he nor the minister could induce her to change her mind. She seized her wraps and left the house and the marriage was indefinitely postponed.

A row occurred at the railway station at Galway to-day between a crowd which waited the arrival of Fathers Burk and Francis and the police. The latter charged the people, using their batons freely, while the crowd retaliated, throwing stones and bottles. Several persons were injured, among them a member of the Municipal Council, who received three cuts on the head from a policeman's baton. Among the persons injured by the batons were women and boys. One boy is dying from the effects of clubbing.

Wm. O'Brien is rapidly recovering from the effects of his imprisonment.

Startling Revelations.

Startling developments took place to-day at Osgoode Hall, in connection with the Central Bank affairs. A petition was presented by Howland and Gooderham, liquidators, making grave and startling charges against A. They therefor prayed for an investigation, which was fixed for to-morrow.

To Cruise the Behring Sea.

OTTAWA, Jan. 24.

It is said that the Imperial Government has issued orders to Rear Admiral Henegge, of the Pacific Station, instructing him to run north and cruise about Behring Sea during the coming season, and to report to the Government on the operations of the American cruisers. It is well known that Henegge entertains decided views with reference to the Behring Sea seizures, and he plainly intimated, when in Montreal last fall, that had he been in charge of the Pacific Squadron while the seizures were going on, he would quickly have put a stop to them.

ADVICE TO MOTHERS.—Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural quiet sleep by relieving the child from pain; and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for Mrs. Winslow's Soothing Syrup, and take no other kind.
