Toronto: Market lower; light trading.

New York: Market higher; American Telephone and Telegraph stock split paces recovery.

Montreal: Market mixed; fairly active trading.

NEW YORK

NEW YORK (AP)—Proposal of a two-for-one stock split by American Telephone helped spur stock market averages to a substantial gain Wednesday but losers still outnumbered gainers in the over-all list. Trading was active.

Wall Street was confused, not only with the bullish news from A.T. and T. but also with word that two large brokerage houses had been suspended from trading by the major stock exchanges because of the firms' financial condition.

The market was mixed despite a substantial advance of 5.41 to 742.06 in the Dow Jones average of 30 industrial issues.

A.T. and T. became the day's most active stock as it soared 7⅞ to 130¾ on 367,700 shares.

A.T. and T. touched a high of 140 before closing a shade below this price. The directors proposed a large new offering of stock, an increase of the present 90-cent quarterly dividend to $1.00 and the stock split next June.

Stock averages were also boosted by Du Pont's rise of 4½ to 260½.

Standard Oil (New Jersey) advanced 2, Texaco 1½, General Electric 1 and Southern Railway 1¾.

Of the 1,332 issues traded, 566 declined and 508 advanced. New highs for the year totalled 19 and new lows, 51. Volume swelled to 5,340,000 shares from Tuesday's 4,440,000.

The Associated Press average of 60 stocks rose 1.1 to 278.1.

Second most active issue was American Photocopy which eased ⅛ at 14¾ on 122,100 shares. Third was Chrysler, up ½ at 85 on 95,500 shares.

Next came Radio Corp., unchanged at 93¾.

Steels produced minor gains. General Motors held unchanged. Ford was firm with a gain of ¼ at 51.

Among Canadian issues, Canadian Pacific gained ⅝, Dome Mines ⅜, Aluminium Ltd. and McIntyre Porcupine each ¼. Distillers Seagrams dropped a point and Hudson Bay Mining ¼.

Prices were irregularly lower on the American Stock Exchange. Canadian Marconi, Canadian Javelin, Jupiter Corp. and Preston each dropped ⅛. Molybdenite gained 1-16.
