## Fair Success Is Noted In Winter Employment Drive

Incomplete reports available at the Local National Employment Office, indicate that the campaign has been having a fair measure of success. The effort has been pushed vigorously by the Local Office Employment Advisory Committee, assisted wholeheartedly by the City Council, the Board of Trade, the Kinsmen, the Lions and other Charlottetown organizations.

A number of householders have notified the office that they have undertaken alterations, repairs and redecoration, but the full list is not available as yet. It is not the intention of the Local Office to publish the names of these householders, or business men but the Local Office would be glad to be informed of any work undertaken as the result of the campaign.

Not all of those who undertake work, obtain men through the Employment Office. Many of them engage carpenters or painters whom they know well and who have previously carried out work for them.

The office has noted that more than 30 claimants have found work of one kind or another in the past week, and there is a fair assumption that most of these have been rehired or given work because of the community drive which has been underway. It is known that many others have found work but have not made it known to the local office.

Next week to wind-up the campaign, canvassers will call on business houses, which have not as yet been visited, and it is hoped that additional jobs will be procured. Next week also a discussion group from the Kinsmen's Club will talk about the problem and means of coping with it.

A group representing the Charlottetown Board of Trade held such a discussion Friday, Mr. Benj. E. Rogers as chairman was assisted by Messrs. Alan Holman, Norman MacLeod, Walthen Gaudet and Earl Taylor.

They were assisted in presenting the need for off-season employment by Mrs. Emma Bruce and Mr. W. Sinclair MacLeod of the Charlottetown Employment Office.

## P. E. I. Drama Festival Asides

Charlottetown will again be the scene of the P.E.I. Regional Festival of Dominion Drama Festival, this year, as it has been since Prince Edward Island became a separate Region of Dominion Drama Festival.

However, as pointed out by the Regional Committee, since the festival will be held in any year, in Summer or some other centre with suitable auditorium and particularly if that centre had an entry competing in the Festival, after all, Charlottetown Groups should not always have the privilege of playing on home ice and also, Regional Festival belongs to all of Prince Edward Island and not to Charlottetown, and vicinity, alone.

Prince Edward Island is one of thirteen Regions of Dominion Drama Festival from which, eight of the best plays produced, are invited to compete in the Final Festival, held in different cities, each year.

It is interesting to note, that many cities across Canada, with suitable auditoriums, vie with one another for the privilege of holding the week-long, Final Festival and are prepared to pay well for this privilege.

Last year, the Final Festival was in Regina. This year, it will be in Sherbrooke, P. E. I. The latter city is so relatively close to Prince Edward Island, let us hope that one of our Island entries in the Regional will be invited to the Final Festival this year.

## Woman Injured In Accident

Mrs. Hudson Shehan, Murray River, was taken to the Kings County Hospital yesterday afternoon following a car-truck collision at Vernon River. Dr. and Mrs. Shehan and their young son Philip, age 4 years, were returning home from Charlottetown, when the accident occurred.

After passing the railway crossing at Vernon River, the 1952 Dodge car driven by Mrs. Shehan, was proceeding up the grade, when over the hill coming straightway at the car was a half-ton truck loaded with potatoes. The truck driver was unable, owing to road conditions, to pull the truck over to the right side, and crashed head into the car, seriously damaging both vehicles. Only Mrs. Shehan was hurt seriously with a cut above the right eye. Her son received a bruise on the forehead. The others escaped injury.

The driver of the truck was Norman Doyle and the other occupant Stephen Boudreault, both of Summerside.
