N. S. Members Differ Over Gov't Program

HALIFAX (CP)—An apple-growing Progressive Conservative and a Liberal merchant differed widely Tuesday as they assessed the government's agricultural program during the throne speech debate in the Nova Scotia legislature.

E.D. Haliburton (PC — Kings) completed an address begun Tuesday with a denunciation of the Liberal administration's "defeatist attitude" toward farming.

Stewart Proudfoot (L — Pictou West) commended the government for an announced expansion of the Nova Scotia Agricultural College at Truro, a proposal to establish a royal commission on farm credit and accomplishments in increasing poultry production.

Mr. Haliburton said no steps are being taken to put available land into production of such crops as flax, hemp and tobacco, which might offset migration of farmers to other industries.

He criticized the government for failing to exercise greater leadership in agriculture.

Dairy producers are the "darlings" of the agriculture department while other branches are in "a desperate situation," he said.

Gov't Strikes First Blow In Jungle Revolt

By JULIUS GOLDEN

RIO DE JANEIRO (AP) — The government struck its first blow Wednesday at the 12-day revolt in Brazil's jungles, sending planes to strafe the main rebel airport at Santarem.

The air force reported it destroyed on the field a Beechcraft equipped with bombs for an attack on a government vessel carrying assault troops up the Amazon river.

Government ground and sea forces were converging on the small band which has rallied around Maj. Haroldo Veloso at Santarem, 1,500 miles northwest of Rio de Janeiro.

CIVILIANS FLEE

Civilians were reported streaming out of Santarem ahead of the advancing government forces.

The plane destroyed was the same Beechcraft in which Veloso fled Rio de Janeiro Feb. 11 to launch his pocket-sized revolt. He now has only a C-47 left in his "air force."

Government troops were scheduled to reach Santarem this morning.

SHIP'S CREW DRUNK

STOCKHOLM (Reuters)—Police in Malmoe, southern Sweden, said Friday they had sent a party aboard the 4,320-ton Finnish motorship Otto H, now awaiting an icebreaker's assistance outside Malmoe, and arrested five of the crew for "drunk and disorderly behavior." The men had broken into the ship's stores and stolen 300 bottles of beer, police said.

JAIL EAST GERMAN

BERLIN (AP) — A Communist court sentenced an East German to 3½ years imprisonment for not preventing two youths from fleeing to the West, an East German newspaper reported Friday. The paper said Karl Stabenow, 56, was convicted of "agitation" against the Communist regime.

B.C. Looking For Loggers

OTTAWA (CP) — A spokesman for a British Columbia loggers delegation said Wednesday the federal labor department has agreed to help locate qualified men in eastern Canada for work in B. C. woods during the coming logging season.

John N. Burke manager of the B. C. Loggers' Association, said the men will be sought by the department's national employment service in depressed labor areas in the east.

Officials of NES, he said, have agreed to provide the service's eastern offices with lists of jobs which will be available early in April in logging operations in B.C. Men who applied for work would be interviewed by a representative of the association and those hired would be guaranteed employment.

C.N.R. Freight Trains Collide

SAINT JOHN, N. B. (CP)— Crew members jumped clear when one eastbound freight ran into the rear of another on the Canadian National Railways' main freight line at Bellefleur siding, about seven miles from Grand Falls, N. B., Wednesday. No one was injured.

The accident caused considerable damage to several freight cars, most of them loaded with wheat, and heavy damage to two diesel locomotive's on the rear train. The St. Leonard's fire department put out a fire that started in the wreckage following the collision.

Several hundred feet of track were torn up, and the wreck knocked down Canadian National telegraph lines, including the line to the Canadian Broadcasting Corporation repeater station at Grand Falls. The section of track affected is used jointly by the CNR and Canadian Pacific Railway trains.
