We are glad to hear that other meetings of this kind will shortly be held. Emigration to Canada. THE OUTLOOK FAVORABLY VIEWED IN GREAT BRITAIN. A London correspondent having made enquiries from the best authorities regarding the prospects of emigration to Canada writes: "It is generally agreed that the season has opened well. The steamship Parisian sailed on Thursday with a thousand souls. The Vancouver, which sails next Thursday, is full booked. It is expected, judging from forward bookings already made, that emigration the first few weeks of the season will equal the abnormally large emigration at the beginning of last season, though the whole season will probably show a decrease of 25 per cent. from the record of 1882. Agents report that they never had a better class of emigrants destined for Canada. Seventy-five per cent. of the Parisian's passengers are young farmers from eighteen to thirty years. Child emigration will also be a feature of the season. Every child undergoes a special and most rigid medical examination. Several have already been rejected upon grounds which are taken to show their unfitness for Canadian life, though they would not influence any life assurance company. Certificates accompany the children to Canada. The cessation of assisted passages is regarded by some as a probable cause of decrease in emigration, seeing that free passages are offered by the Argentine Republic. Others believe the cessation is leading to a better class of emigration. The demand for Canada for farm and other laborers is still brisk. Emigration from the continent will probably increase somewhat over that of 1888. Foreigners are looking chiefly for the North-west, intending to go directly on land." SPECIAL DESPATCHES TO THE EXAMINER. The Annual Proclamation. OTTAWA, March 25. President Harrison's recent proclamation relating to fishing in Behring Sea is a topic of discussion here. As explained by Sir John Macdonald this afternoon, the proclamation is virtually a formal matter, the United States statute requiring an annual proclamation showing the conditions which regulate fishing in that portion of Behring Sea under the United States control, and warning all persons not to violate it. This has been done in previous years and President Harrison is simply following the usual custom. The text shows that it contains whatever jurisdiction the United States may have there and leaves untouched the question in dispute between Great Britain, Canada and the United States as to exclusive jurisdiction. Hardie Confesses. HALIFAX, March 25. Hardie, the New York forger and embezzler, was brought before Judge Townshend to-day on a habeas corpus and discharged on the ground that while the warrant commanded him to be brought in to court this was not done and he was kept in jail. He was re-arrested upon a charge of bringing stolen money into Canada, and was remanded on this charge till Wednesday. To-night Hardie made a full confession to your correspondent of his guilt, and of his willingness to return to New York without any further trouble. Terrific Explosion. NEW YORK, March 25. A terrific explosion occurred at 23rd Street and Broadway, about noon to-day in the subway. The pavement was torn up a long distance, and flagstones were ripped up in every direction. The streets were filled with people at the time, and several were prostrated, but only one was seriously injured. Gold Mining in Nova Scotia. HALIFAX, March 25. Reports from Queen's County say that a bonanza lead has been struck upon the Malaga Gold Mining Company's areas, and that three thousand dollars' worth of gold will be extracted from one ton of quartz. This eclipses anything ever discovered in Nova Scotia. Train Wrecked. NEW YORK, March 25. The north-bound passenger train from the city of Mexico on the Mexico National Road, was wrecked Sunday night, and the engineer and fireman instantly killed. It is believed the disaster was caused by train wreckers. Disastrous Blaze. BARIBOO, Wis., March 25. A large frame business building, owned by B. Prall was burned last night. Loss, \$20,000. Insurance small. A tenant named Tuzzle was stricken by apoplexy and died during the progress of the fire. Another Betrayal of Trust. GREENWOOD, Vt., March 25. Charlie Fow, trusted clerk of Sing Kee, a Chinese merchant at Chicago, has disappeared, taking with him all his employer's savings. It is supposed he has gone to Canada. Deserted in a Body. NEW YORK, March 25. The sensational story comes from Hamilton, Bermuda, that the entire British garrison at Fort Cunningham has deserted in a body, officers and men. Shot Himself. GREENWOOD, Vt., March 25. Edward Brannen, aged 13, living near here, shot himself through the head on Saturday, dying immediately. No cause for the act is known. Committed For Embezzlement. CENTREVILLE, Mo., March 25. H. C. Stevens, ex-collector, has been arrested for embezzlement and committed to jail. Shortage, \$6,000. Will Not be Removed. HALIFAX, March 25. Though a Democrat, Consul-General Phelan will not be removed by President Harrison. Bright Better. LONDON, March 25. The condition of John Bright has improved. Quick Trip Time. Send, brother, send with care, Three nickels to Vick of Rochester. And in quick trip time you'll get from there A book full of seeds and plants so rare. Send, brother, send with care, Vick's Floral Guide contains a certificate good for 15 cents worth of seeds. Weather Bulletin. TORONTO, March 26.—10 a. m. North-east to north-west winds; fair, cool weather. Piles! Piles! Itching Piles! SYMPTOMS.—Moisture; intense itching and stinging; moist at night; worse by scratching. If allowed to continue tumors form, which often bleed and ulcerate, becoming very sore. SWAYNE'S OINTMENT stops the itching and bleeding, heals ulcerations, and in most cases removes the tumors. All druggists, or Philadelphia, for 50 cents. Dr. Swayne & Son, Philadelphia.

Long-Standing Blood Diseases are cured by the persevering use of Ayer's Sarsaparilla. This medicine is an Alterative, and causes a radical change in the system. The process, in some cases, may not be quite so rapid as in others; but, with persistence, the result is certain. Read these testimonials:—"For two years I suffered from a severe pain in my right side, and had other troubles caused by a torpid liver and dyspepsia. After giving several medicines a fair trial without a cure, I began to take Ayer's Sarsaparilla. I was greatly benefited by the first bottle, and after taking five bottles I was completely cured."—John W. Benson, 70 Lawrence st., Lowell, Mass. Last May a large carbuncle broke out on my arm. The usual remedies had no effect and I was confined to my bed for eight weeks. A friend induced me to try Ayer's Sarsaparilla. Less than three bottles healed the sore. In all my experience with medicine, I never saw more Wonderful Results. Another marked effect of the use of this medicine was the strengthening of my sight."—Mrs. Carrie Adams, Holly Springs, Texas. "I had a dry scaly humor for years, and suffered terribly; and, as my brother and sister were similarly afflicted, I presume the malady is hereditary. Last winter, Dr. Tyson, (of Fernandina, Fla.) recommended me to take Ayer's Sarsaparilla, and continue it for a year. For five months I took it daily. I have not had a blemish upon my body for the last three months."—T. E. Wiley, 146 Chambers st., New York City. "Last fall and winter I was troubled with a dull, heavy pain in my side. I did not notice it much at first, but it gradually grew worse until it became almost unbearable. During the latter part of this time, disorders of the stomach and liver increased my troubles. I began taking Ayer's Sarsaparilla, and, after faithfully continuing the use of this medicine for some months, the pain disappeared and I was completely cured."—Mrs. Augusta A. Furbush, Haverhill, Mass. Ayer's Sarsaparilla, PREPARED BY Dr. J. C. Ayer & Co., Lowell, Mass. Price \$1; six bottles, \$5. Worth \$5 a bottle.
