SCHOLARSHIP WINNERS AT SOURIS

Souris Regional High School Students who have won scholarships and awards are shown above. Seated in the front row, left to right, are Margaret Stewart (East Kings WI); Joanne Reid (North Kings WI); Josephine Kickham (North Kings WI); Shirley Battersby (Souris Legion); back row: John Campbell (East Kings WI); William Mills and William MacDonald (Eglington, Howe Bay, Little Pond WI).

ARDA Program Formally Signed

By DON MacLEOD
Guardian-Patriot Staff Writer

On behalf of the province, Acting Premier and Minister of Agriculture Andrew MacRae signed the federal-provincial Agricultural Rehabilitation and Development Act agreement yesterday.

According to the agreement, this province will receive, on a matching basis, grants totalling $1,359,000 over the next three years, for development projects such as reforestation water conservation and provision of parks and recreational areas.

The agreement was sent to Mr. MacRae by mail. Last week, he thought that it might be necessary for him to go to Ottawa for the signing.

When the amount of the grants was announced last month, Mr. MacRae said that a number of projects to be carried out under the agreement were given approval.

PROJECTS INVOLVED

"These projects", he said, "involve reforestation; development of ponds and dams, rural electrification and the expansion of parks and recreational facilities.

"These federal grants will permit us to accelerate and expand some programs already underway.

"We regard the entire ARDA program as one of the brightest spots in our present picture and believe that federal-provincial co-operation during the next three years will do much to improve the lot of people of our rural areas."

SOURIS STUDENT WINS MEDAL

The Governor - General's medal was presented to Arlene Boylan (right) daughter of Mrs. Rena Boylan by the principal of the Souris Regional High School, Alfred Morrison. Miss Boylan led her class last year and also stood highest in the Souris school in the provincial examinations.

2 Youths Found Guilty On Break, Theft Counts

GEORGETOWN — Two youths appeared before Magistrate James B. Johnston here yesterday charged separately with breaking, entering and theft.

Donald Jerome O'Brien, Cardigan who was represented by S. S. Hessian, QC, elected trial by magistrate and pleaded guilty to breaking and entering the service station of Donald Alexander Acorn, Cardigan.

Mr. Hessian pointed out to the court that the accused who is 16 years of age had no previous record. In this case sentence was suspended for one year and the accused entered into a bond in the amount of $500 with two sureties of $250 each.

A condition of the recognizance was that he report once a month to the RCMP. The accused also made restitution in the amount of $7.

The second youth, Joseph Henry Daniel Phillip Steele, Souris, elected trial by magistrate and pleaded guilty to breaking and entering Percy's Grocery in Souris. He was remanded in custody to Oct. 3 for sentence.

Steele was also charged with escaping from the Kings County Jail at Georgetown. On this charge he elected trial by judge without a jury and was remanded in custody to the same date.

In two cases of impaired driving, Sidney Clair MacLean, Montague and who is represented by Mr. Hessian and Albert Joseph MacPhee, St. Georges who is represented by J. P. Nicholson were both adjourned to Oct. 3.

Joseph Gladstone Vuozzo, Valleyfield, charged with indecent assault had his case adjourned to Dec. 5. The accused who is represented by Mr. Hessian is a hospital patient and this necessitated the adjournment.

Fulton Baker Riley, Montague was fined $100 and costs when he pleaded guilty to a charge of driving while impaired.

Adjourned to Oct. 17 for hearing was the case of Edward Clow, Montague, charged with impaired driving. The accused who has been represented by Mr. Hessian will now be represented by Mr. Nicholson due to the fact that Mr. Hessian will be absent from the province for a considerable time.

Luther Percy Herring and Mrs. Viola Herring, Murray Harbour, both represented by Mr. Nicholson and who are each charged with assault had pleas of not guilty entered on their behalf by their counsel. Both cases were adjourned to Oct. 2.

One man was fined $20 and costs for being intoxicated in a public place, and three were each fined $20 and costs for having liquor in a place other than their residence.

Anthony Alexander MacDonald, Peakes Station was fined $10 and costs for not being the holder of a license under the Highway Traffic Act, and Arthur Lynvell Kennedy, Montague, was fined $10 and costs for failing to transfer the registration of his motor vehicle.

Maurice Daniel Burhoe, Montague, was fined $10 and costs for driving without due care and attention, and Gerald William Cronin, Cardigan, was fined $10 and costs for parking on the left hand side of the highway.

Deputy Attorney-General J. Arthur McGuigan represented the Crown in all cases.

RUSSIANS

(Continued From Page 1)
directorate of East, West and neutral countries to supplant the secretary-general.

Holyoake declared his country "is amazed and alarmed at such large-scale introduction of armaments and technicians by the Soviet Union into Cuba."

LACKS RESPONSIBILITY

"We think that act by the Soviet Union shows a lack of restraint and a lack of responsibility," he said. "It just does not square with the protestations of the representatives of the Soviet Union from this rostrum. When words do not mean what they say, they are cant and humbug."

Without mentioning divided Berlin by name the New Zealand prime minister said: "We are dismayed at the state of affairs where a government—a political system—has to resort to walling in its unwilling citizens."

As for troika, he said such a system granted into the United Nations "will kill it."

The wall came in for special criticism also from Sir Garfield Barwick, Australian foreign minister, who said that in the minds of the people of the world the wall "has replaced the hammer and sickle as the symbol of communism."

Troika was opposed also by J. Rudolph Grimes, Liberian secretary of state and Per Haekkerup, Danish foreign minister.

BIG SMASH

"Then there was just one crashing smash. Everybody was catapulted forward 15 or 20 feet. Water poured into the plane. It was pitch dark.

"I never saw my wife again," he added, breaking down in tears.

"I thought I was going to die. I was certain I was. Even now I can't believe I'm alive. I saw a raft. It was low in the water and waves spilled over it.

"Suddenly we saw the lights of the Celerina and these lights were the most welcome we have ever seen or are ever likely to see. We had been in the water for about five hours.

Nicholson and Eldred both said there were 51 persons clinging to the almost sinking raft which was built to hold only 25.

The 17 brought here Wednesday, most with leg injuries and burns, were taken off the Celerina by two RAF helicopters as the ship pitched and tossed in a heavy swell and 30-mile-an-hour winds.

Early Tuesday night, the Pres Association, a British news agency said a fire had broken out on the rescue ship, but this was later denied.

The Celerina had radioed Tuesday night that two persons aboard were suffering from burns and needed medical aid.

Power Cable Stringing Across River Starts

W.P. Whinnett, engineer with the Maritime Electric Company, said last night the stringing across the Hillsboro River of the new power cables feeding the whole of the eastern end of the province will be completed about the middle of next week.

For the past several days linemen and steelworkers have been erecting the huge steel towers to carry the cables. On each side of the river near the new bridge two towers are going up, and will be completed by the end of the week.

At some distance from the shore on each side a 40-foot high strain tower has been raised. As their name implies these towers are designed to withstand the enormous strain which will result from the close to one mile of seven-eighths thick cables.

Closer to the shoreline on each side two 90-feet suspension towers are in place. Mr. Whinnett explained that with the length of cable involved, the normal sag in the centre will be about 30 feet.

A sag of this depth would allow the cables to be either in the water or a short distance above it, and the suspension towers acting like clothes poles will ensure a clearance of between 35 and 40 feet.

Two cables will be strung across the river, both designed with a full capacity of 66,000 volts. Initially one cable will carry 33,000 volts and the other 12,000, the margin between the voltage actually carried and the rated capacity will allow for any increase in electrical service in that part of the province for several years, said Mr. Whinnett.

The cables are designed to withstand anything but rare extraordinary winter weather, he said, and will without damage be able to withstand a one-half inch coating of ice accompanied with 60 m.p.h. winds.

When completed the old cables supported by the superstructure of the old bridge will be dismantled.

Assault, Impaired Charges Adjourned For Hearing Date

Archie Andrew Chapell, Covehead, charged with assault, had his case adjourned yesterday to Oct. 10 to fix a date for hearing. The case is before Magistrate James B. Johnston QC, in Queens County magistrates court.

Also adjourned to Oct. 10 to fix a hearing date was the case of Leon Vernon MacPhee, Hopefield. The accused pleaded not guilty to a charge of driving while impaired.

A fine of $25 and costs was paid by John Francis Murphy, Millview, charged with having liquor not purchased at a government vendors' store.

Dinuis Byron Armstrong, York Point, was fined $20 and costs for speeding. A fine of $15 and costs was paid by Clarence Mark Coady, New Wiltshire, for a similar offence.

Anthony Stephen Gilbert Charlottetown, charged with driving while impaired, had his case adjourned to Oct. 10 to fix a hearing date. Similarly adjourned was the case of Allan MacCoubrey, Cavendish, charged with creating a disturbance in a public place by fighting.

Two men were fined $20 and costs each for being intoxicated in a public place.

One fine of $5 and costs was paid by a motorist for driving an insufficiently equipped motor vehicle.

Provinces Geran Is Opened

CAPITAL BUREAU OF THE GUARDIAN

OTTAWA — Fisheries Minister Angus MacLean represents Prince Edward Island at the formal opening of the gauden of the provinces here this week.

The senior member of parliament for Queens unfurled the Island's coat of arms in unison with representatives of all 10 Canadian provinces.

The garden of the provinces is a national capital commission project constructed on Wellington Street, just a few blocks from Parliament Hill.

Also in attendance at the opening ceremony were Mr. and Mrs. Robert E. Sutherland and daughter Roberta of Charlottetown. Mrs. Sutherland is the Island's representative on the national capital commission.

The opening ceremony was in charge of Public Works Minister Davie Fulton and the principal address was delivered by Prime Minister Diefenbaker.

2 East Germans Escape To West

BERLIN (AP) — Two East Germans made a daring escape Wednesday by riding a motorcycle along the heavily guarded Autobahn to West Berlin, West police reported.

The driver of the bike was an 18-year-old soldier, in civilian clothes. Police had no immediate details of his passenger.

The pair suddenly roared up to Drellinden, the Western allie checkpoint at the Berlin end of the Autobahn connecting the city with West Germany.

Island Red Cross President Urges Support For Juniors

Mrs. H.L. Palmer, president of the P.E.I. Division of the Canadian Red Cross Society, has issued the following message in connection with "Junior Red Cross Week" now in progress—

"Nearly one-and-a- half million young people in Canada are members of the Junior Red Cross! Over 18,000 of these young members are in Prince Edward Island schools — high school and elementary—in 713 branches.

"Junior Red Cross develops a sense of responsibility in our children. It helps them to know what it is to give. It helps to build good character, and paves the way to good citizenship.

"Our Junior Red Cross members take part in an impressive list of services to others which go on year after year. These services strengthen the bonds of friendship with countries in the world over, and boost the morale of the down hearted child or adult in the community.

"This is Junior Red Cross Week in Canada. A week devoted to the recognition of the Canadian Junior Red Cross, and to encouraging new members to enroll— to join with their friends in this humanitarian work. The Juniors of today are the Seniors of tomorrow, and their in - school training in Red Cross will prepare them as leaders in the future."

Four Fined At Montague

MONTAGUE — In court at Montague before William Reddin, Keith Bell of Belle River was fined $10 and costs for driving without due care and attention. Also fined on the same charge were Donald Smith, Pinette, $15 and costs; Morley Kemp, Sturgeon, $20 and costs.

Everett Condon, Sturgeon, was fined $20 and costs for being drunk and causing a disturbance.

All cases were laid by Ed. Downe, town policeman and the court was held in the council chambers, Montague on Monday.

Hearing Date Set For Oct. 3

SUMMERSIDE — The preliminary hearing of Joseph Ian Arsenault and George Joseph Gallant, both of Summerside, was further adjourned to Oct. 3 by Magistrate R.S. Hinton QC in police court yesterday. The two is charged with breaking and entering Fraser's shoe store, in Summerside.

John Mark Arsenault, Summerside, had his case adjourned to the same date. He had earlier pleaded not guilty to a charge of driving while his ability was impaired by alcohol.

Lorne MacFarlane, and Kathleen Roberts, both of Summerside and Joseph Grant, Millview, were each fined $10 and costs on separate charges of speeding.

Two Summerside men pleaded not guilty to separate charges of loitering or prowling and their cases were adjourned to tomorrow morning.

New Coin Series Is Predicted

TORONTO (CP)—The Globe and Mail says a new series of Canadian coins, with portraits of Queen Elizabeth and Queen Victoria on the obverse side, will likely be issued in 1967 to commemorate the 100th anniversary of Confederation.

The paper adds:

"The 1967 coins will be the first time two monarchs have appeared on a Canadian coin, and may be the only time two queens have appeared on any coin of legal tender.

"The reverse side of all 1967 coins probably will also be changed."

The mint may also alter the metal content of the 1967 coins, The Globe adds.

The paper quotes officials at the Royal Canadian Mint in Ottawa as saying the government's centennial committee is studying the proposal but that no decision has been made. Any final decision would have to come from the cabinet.

Excise Act Violation Charge Is Adjourned

SOURIS — The Town Hall not being available the Souris sitting of the Kings County magistrate's court, conducted by Magistrate James B. Johnston, QC, was held in the RCMP detachment building.

Charged under the Excise Act with having possession of eight gallons of wash, Everett Laybolt, Douglas Station, pleaded not guilty and his case was adjourned until Oct. 10.

The adjournment was given at the request of the police who informed the magistrate that time was needed to permit Ottawa to appoint a prosecutor, due to the offence being a violation of a federal statute. Counsel for defence is John P. Nicholson.

Claude Eugene Creamer, Charlottetown, pleaded guilty to driving while his abilities were impaired by alcohol and was fined $100 and costs or 10 days in jail.

On charges of having possession of intoxicating liquor not purchased from a vendor's store, George Leonard McNeill, Elmira, and Ralph Eugene MacKinnon, St. Peters, were each fined $25 and costs or 30 days.

A further remand until Oct. 3 was given Harold Joseph MacKinnon, Goose River, charged with driving while intoxicated. Mr. Nicholson is also defence counsel in this case.

For having possession of intoxicating liquor in a place other than his residence an accused was fined $20 and costs or 30 days, while another was fined $20 and costs or 15 days for being intoxicated in a public place.

SEND LETTERS

OTTAWA (CP)—Prime Minister Diefenbaker has sent letters of congratulations to the governments and peoples of the nations of Jamaica and Trinidad and Tobago on their admission to the United Nations.

EASTERN BRIEFS

RETURNS TO N. Y.

Miss Muriel Johnstone left by plane Wednesday on return to New York City after spending some time at her home in Montague.

Frank Corcoran, PP, who was also master-of-ceremonies during the mass. Solemn Requiem High Mass was celebrated by his two brothers, Rev. Leo Sullivan assisted by Rev. Joseph Sullivan as deacon, Subdeacon was Rev. Harold Croken. Present in the sanctuary were: Rt. Rev. J. A. Murphy, VG; Rt. Rev. Patrick McMahon, Rt. Rev. John Sullivan, Rev. George MacDonald, Rev. Wilfred Keefe, Rev. W. J. Dooley, Rev. Charles McCarthy, Rev. W. J. McCardle Rev. Clifford Murphy and Rev. Gerald Steele. Assisting in the choir were Rev. Andrew MacDonald and Rev. Claire MacDonald. Pallbearers were: Peter Sullivan, William Sullivan, Adrian Sullivan, Urban Sullivan, Michael Sullivan and Joseph MacAuley.

Modernization Of British Ports Is Recommended

LONDON (Reuters) — A $420,000,000 modernization plan to make the 300 or more ports in Britain more efficient was recommended here Wednesday by a government - appointed committee.

The committee, headed by Lord Rochdale, recommended the setting up of a national ports authority to control all Britain's docks including those independently owned.

Most vital function of this authority would be to supervise the development of ports in accordance with a national plan. It would give effect to its decision through control of capital investments.

The committee recommended the abandonment of some of London's docks, scene of many strikes, and a plan to build up Tilbury, 26 miles further down the River Thames, as an alternative.

It also urged extensive development of Southampton on England's south coast as one of Britain's principal cargo ports to compensate for any fall in passenger traffic caused by increased air travel.

"God's Greatest Nuisance"

Nova Scotia's famous "Father Jimmy" Tompkins was a firm believer that God helps those who help themselves. In October Reader's Digest read how this frail little priest became known as "God's greatest nuisance", and why he talked about the price of fish instead of the wages of sin, and pioneered the self-help Antigonish Movement to free fishermen and miners from his two pet hates — poverty and ignorance. Get your Reader's Digest ...39 articles of lasting interest.

S'side Seawall To Have Rail

SUMMERSIDE — Two thousand feet of galvanized guard rail is being ramset into the concrete posts of the seawall, Water Street west, replacing the former piping and will provide a more durable retaining wall along with being considerably cheaper, Town Manager I. A. Brophy said yesterday.

Mr. Brophy explained that the pipe in the old guard rail has rusted out at the joints and around the concrete posts where salt had deposited.

The galvanized rail will also provide more safety in case of an accident as cars tend to slide along it, where with the old pipe rail, they snapped it off. The new rail will also hold back part of the salt spray that sweeps across the street during a heavy storm.

The guard rail is securely attached to the concrete posts by means of a ramset-gun which uses cartridges to drive the long bolt through the galvanized steel through the cement post where it is nutted on the outside. The overall cost of this type of railing is cheaper than pipe by about $400 Mr. Brophy stated.
