Blood should be rich to insure health. Poor blood means Anemia, diseased blood means Scrofula.

Scott's Emulsion the Cream of Cod-liver Oil, enriches the blood; cures Anemia, Scrofula, Coughs, Colds, Weak Lungs, and Wasting Diseases. Physicians, the world over, endorse it.

THE IDEAL CUP OF TEA. "It's absurd," announced the distinguished housekeeper, "to suppose that decent tea can be made in that way."

She was looking with scorn upon her daughter who was danging a tea-ball into a cup of hot water. That young woman promptly pointed out that the tea-ball method was the only one which did not develop large quantities of tannic acid; that it was criminal to allow the tea leaves to steep in hot water after the first tea essence had been extracted.

"I cannot speak too highly of your wonderful curing medicine, Paine's Celery Compound, from which I have derived such direct benefit after suffering from nervous prostration, sleeplessness and general debility. I first used one bottle and was greatly improved; I afterward used two bottles more, and find myself quite well. I wish to recommend Paine's Celery Compound to others, and trust that it will be found in every home where sickness prevails, so that health may be restored."

IT HAUNTS ME STILL.

The Bitter Blood Bitters Battle of Childhood Days, and What it Contained.

Whenever I see the snows beginning to melt and signs of spring to make themselves unmistakably known I remember with horror the springtime season of my boyhood. How mother used to dose us poor little unfortunate children with those bitter pills! And we had to be the ministers of our own punishment. We had to scour the woods for ground hemlock, cherry bark and princess pine, which were to be stewed up together, mixed with lard and some kind of oil, and then poured down our devoted throats to clear our blood and tone up our system.

That first, depressed and exhausted feeling which so many suffer at this period of the year, is a sure indication of a weak and debilitated state of the system. Sleeplessness, Dyspepsia, Mental Inactivity, irritability and other symptoms of a disordered state of the system gradually follow. Hawker's Nerve and Stomach Tonic is a certain cure when faithfully used for all diseases arising from nerve exhaustion, weakness or impaired digestion or an impoverished or impure condition of the blood, and the prostrating effects of La Grippe or any nerve weakness of the heart or brain arising from worry, overstrain of mind or body or excesses of any nature. Hawker's Nerve and Stomach Tonic can be obtained from all druggists and dealers. Price 50 cents a bottle or 6 bottles for \$2.50. Pills 25 cents a box.

J. H. BRICKWOOD'S CASE A Government Official and his Rheumatism Cured by 12 boxes of Dodd's Kidney Pills—See all the people asking Questions of the Druggists.

Kingston March, 12.—The fact that rheumatism is caused by diseased kidneys, has been conclusively proved by the case of Mr. J. H. Brickwood, fishery inspector for this district. He suffers from rheumatism for fifteen years and found no cure in the prescriptions of doctors or in patent medicines. Finally, he used Dodd's Kidney Pills, 12 boxes of which cured him. Harry Wade, the well known druggist here, who said Mr. Brickwood the pills, says he is overran with inquiries as to the genuineness of Mr. Brickwood's story, of which he is able to satisfy everyone. He reports that he has written articles with most satisfactory results in every case.

Send 25¢ Sunlight Soap wrappers (wrappers bearing the words "Why Does a Woman Look Old Sooner Than a Man") to Levee Bros., Ltd., 43 Scott St., Toronto, and you will receive by post a pretty picture free from advertising, and well worth framing. This is an easy way to decorate your home. The soap is the best in the market and it will only cost 1¢ postage to send in the wrappers, if you leave the ends open. Write your address carefully.

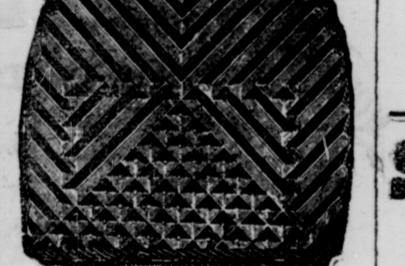

Pond's Extract, for all Hemorrhoids and all Pain. No preparation is equal to it. In the Extract Nature and Science are combined. Genuine in bottles with wrappers only.

Dr. McGilvray, of Sydney, C.B., says: "I unhesitatingly offer my testimony in favor of Putnam's Emulsion. I have used it extensively for a number of years with the most satisfactory results. In wasting diseases of children it has no equal."

When the system is all run down, and no hope of obtaining nourishment by the ordinary food supply, then take "Mills' Emulsion, the great flesh and blood maker," "the kind that cures" colds, coughs, bronchitis and all diseases of throat and lungs. Every bottle warranted. No oily taste like others. In big bottles, 50c, and \$1.00 at druggists.
