Health Department.

A GOOD SUGGESTION.—By constipation is meant irregular action of the bowels, often called costiveness, and commonly caused by dyspepsia, neglect, excess in eating and drinking, etc. It is a serious complaint and not to be neglected under any circumstances, as it leads to impure blood, headache, debility, fever, etc. A uniformly successful remedy is Burdock Blood Bitters, which, if faithfully tried, never fails to secure a prompt and lasting cure even in the worst cases. The following extract from a letter from Mr. Jas. M. Carson, Banff, N.W.T., will speak for itself:—"I have been troubled with constipation and general debility and was induced to use your B.B.B. through seeing your advertisement. I now take great pleasure in recommending it to all my friends, as it completely cured me."

From Friend to Friend

Goes the story of the excellence of Hood's Sarsaparilla and what it has accomplished, and this is the strongest advertising which is done on behalf of this medicine. We endeavor to tell honestly what Hood's Sarsaparilla is and what it will do, but what it has done is far more important and far more potent. Its unequalled record of cures is sure to convince those who have never tried Hood's Sarsaparilla that it is an excellent medicine.
