WAITING FOR DEATH, BUT NOT WITHOUT HOPE
 "There is a poor woman in this parish apparently just waiting for death to come through consumption. She has not the means to go to a Sanatorium, or she would probably be at one before this. She is still comparatively strong, walks about quite a lot—drives sometimes, too—but every day, of course, is growing worse. Would there be any possibility of her being taken into your Home for Consumptives? It would be a mercy if she could be permitted to enter it. I would much appreciate an early reply, as every day means so much."—Rev. HAROLD SUTTON, Incumbent, Belmont, Ont.

LOST TWO DAUGHTERS
 "I am advised by Dr. J. D. Wilson to write you concerning how soon I could get my wife admitted to Consumptive Hospital at Gravenhurst, also please send me pamphlet re terms while there. I have been told that it is free, so please let me hear from you soon as possible. I have lost two daughters, and my wife contracted the disease from our eldest one, who died ten months ago. I am a working man and not able to pay a high rate, but still anxious to do what I can."—A. CAMPBELL, London, Ont.

The above are typical of scores, indeed hundreds, of appeals constantly coming before the trustees of the

Muskoka Free Hospital for Consumptives

No effort is being spared to meet every call. . . .
 Not a single applicant has ever been refused admission to the Free Hospital because of his or her poverty,

NEW PATIENTS ON WAY TO HOSPITAL

and the anxiety of the trustees to keep none waiting is shown in the decision reached a few weeks ago to increase the accommodation by twenty-five beds.

—This increase in patients will add heavily to the burden of maintenance and can only be covered by increased generosity on the part of friends in all parts of Canada. Patients have been admitted from every Province in the Dominion, and it is with confidence in the response to our appeals, that the trustees believe will come from Canadians everywhere, that these additional burdens have been assumed.

Where a cause more urgent? Where a greater call to help suffering Canadians? Where will your money do more good?

Gillette Safety Razor
 NO STROPPING—NO HONING

Nothing to Adjust, Nothing to Learn.
 Simply Lather Well and Shave.
 12 Blades, 24 Sharp Edges.

FULL SIZE CUT.
 EVERY BLADE AS THIN AS PAPER, AS HARD AS FLINT, AS TOUGH AND FLEXIBLE AS WHALEBONE, WILL GIVE FROM 20 TO 40 VELVET SHAVES.

The "GILLETTE" is the razor of the Twentieth Century. Perfect in theory, practise, workmanship, and quality, it is a product of scientific research and mechanical skill, covering years of patient study and experiment. Special machinery had to be invented to make this wonderful razor possible.

This razor is SOLVING THE SHAVING PROBLEM for every man. Though but a new invention, it has already attained enormous popularity. MORE THAN 200,000 SOLD THE FIRST YEAR, because this little invention gives a better shave in your own home than it is possible to get in the best barber shop in the land.

MADE AS FINE AS A WATCH WILL LAST FOR YEARS.
 Triple silver plate with 12 blades, \$5.00.
 Heavy gold plate with 12 blades, \$10.00.
 Extra blades, per dozen, \$1.00.

WANTED
 A good Agent for the OLIVER TYPEWRITER
 Over 100,000 of these machines have been sold in the U. S. within the last few years at the same price which is being charged for any other standard typewriter. This proves conclusively that the Oliver is the very best typewriter made regardless of price.
 As there is now in Montreal a factory devoted exclusively to the manufacture of this machine, it can be bought here for the same price at which it is sold in the U. S. without adding from \$25 to \$30 cover duty and charges, as do all the other standard writers.
 This should be a very attractive proposition to any purchaser of writing machines. Apply to the CANADIAN OLIVER TYPEWRITER CO., Temple Building, Montreal
