

# Chicago Cubs Score 2-0 Win Over Boston Braves In 5th Inning Outburst

By The Associated Press

Johnny Klippstein tamed Boston Braves with a blazing three-hitter as Chicago Cubs jolted Vern Bickford for a three-hit, two-run fifth inning and a 2-0 victory Tuesday. Klippstein struck out seven and had only one real scare as he notched his second National League victory in as many starts. That was in the third when Sibby Sisti opened the inning with a triple. But Johnny got the next three batters out without the ball leaving the infield. Klippstein now has yielded only four earned runs in 28 innings. It was the third defeat against no victories for Bickford who was relieved by Sheldon Jones after the seventh. In the Cub fifth Ransom Jackson tripled, Toby Atwell walked, Dee Fondy's two-bagger scored Jackson. After Bob Ramazzotti walked, filling the bases, Klippstein singled, scoring Atwell. Four night games were scheduled in the American League and three in the National League. Brilliant pitching performances

By Cleveland's Steve Gromek and Philadelphia Phillies' Robin Roberts enabled Cleveland and the Phillies to rack up victories in night games. The second-place Indians turned back New York Yankees 1-0 in an American League game. Right-hander Gromek, hitherto unheralded member of Cleveland's vaunted pitching staff, engaged in a tight duel with Allie Reynolds. He scattered four singles to protect a second-inning run scored on singles by Dale Mitchell, Ray Boone and Eddie Tebbetts. Reynolds allowed five hits. Neither team made an extra-base hit. Roberts hurled a two-hitter as the Phillies snapped a four-game losing streak by downing the last-place Pittsburgh Pirates in the National League, 6-0. Roberts gave up an infield single to Jack Gerson in the second inning and another single to Bobby Del Greco in the eighth. Outfielder Del Ennis smashed two home runs to account for three of Philadelphia's runs. Phillies' batters backed up Roberts with a 13-hit attack.

THE GUARDIAN, CHARLOTTETOWN

MAY 7, 1952

Tonight Prince Edward Island will be the first Maritime Province to organize its own branch of the Amateur Athletic Union of Canada when representatives from athletic clubs and associations from across the province will meet at the Workmen's Compensation Board office in Charlottetown for this purpose. The meeting will get underway at 8:15 and when it is concluded it is expected that the Island will have its first A.A.U. of C. branch.

Sitting in on tonight's meeting will be representatives of clubs and associations in Montague, Souris, Georgetown, Cardigan, O'Leary, Tignish, Alberton, Lennox Island, The Abegweits, Provincial Rifle Association, Army, Summerside R.C.A.F., Summerside and Kensington athletic associations. Other groups who have not been mentioned or who have not received invitations and who are interested in joining the Association are invited to attend.

An important part of the meeting will be the deciding of the possible functions of this association. It is thought that the association will act as the governing body for all branches of amateur sport in the province with a committee and a chairman to look after each branch of sport. If such is the case then this body will handle any disputes such as arose last fall over the playing of the Provincial finals in intermediate baseball.

The stagework in the forming of the Island branch has been set by Brigadier Bill Reid, Brigadier Reid started the ball rolling several weeks ago and shortly after he had contacted officials of the A. A. U. of C. it was learned that the Maritime were not a part of the Canadian body as the Maritime A. A. U. of C. branch had been dissolved. Now each Maritime Province is to form its own branch. This Saturday in Truro there will be a meeting to form a Nova Scotia branch it has been announced by Hugh Noble, Director of Physical Fitness for N.S.

Prior to the meeting in the Workmen's Compensation Board this evening there will be a meeting of representatives from Summerside and Charlottetown to discuss the formation of an Island baseball league. This meeting was originally scheduled for Monday evening but due to a misunderstanding the Summerside officials were unable to attend. It is known that Summerside and Charlottetown officials favor an Island league and it is thought that a five team circuit may be formed with intermediate and junior teams from the two centres and a team from the Summerside Air Force.

The Summerside Air Force basketball team, which bowed out in the finals for the Island championship against Saint Dunstan's, expects to play one or two more games before calling it quits for this season. It was learned last night from Captain Bill Green. One of these games will probably be an exhibition contest with a team from Harmon Field, Newfoundland. The airman have just received a new set of uniforms which are all white with red letters.

## Year Makes Difference, Giants Ready To Admit

(By Jack Hand) NEW YORK, May 6—(AP)—What a difference a year makes! Just ask Leo Durocher.

At this stage of the 1951 season, Leo's New York Giants were groping for a crack in the cellar wall. Their 11-game losing streak was over but the future looked bleak. Day after day, they hit line drives into enemy fielders' hands, balls bounced off walls past giant outfielders. Bad hops changed innocent grounders into damaging hits.

While the losing streak was on, the Giants never gave up. They growled at fate, broke bats on home plate and kicked water buckets. They weren't mad at anybody except themselves. Even Sal Maglie, the pitching ace, was struggling at the 500 level with 2-2. Larry Jansen hadn't won a game since the opener. Only Al Dark and Eddy Stanky were doing their share of hitting, well over the 300 mark.

They won two of their first three. Then came the 11-game losing dirge. Three wins, a loss, two wins and then a doubleheader split. That was how they stood a year ago today, 8-14. On May 8 they finally escaped from the cellar. This year things are different. Rolling along on a seven-game win streak, the Giants went into St. Louis tonight in first place, nursing a half-game lead.

Everything Durocher had done was right. Pinch hitters came through. Relief pitchers looked like Maglie. The man could do no wrong. Look at Monday's game at Montreal. Kennedy hadn't pitched while the "big three" of Maglie, Jansen and Jim Hearn did their stuff and Dave Koslo and Max Lanier took care of the lefty work. Kennedy rode the bench.

But Hearn faltered Monday in the third inning. In came Kennedy with the bases full and two out. The Cubs didn't score in the inning. They didn't score the rest of the day as Kennedy faced only 19 men in 6 1/3 innings. One man got a hit but was erased in a double play.

That is the way things have been going for Durocher this spring.

## Local Playground Commission Meets

The monthly meeting of the Charlottetown Playground Commission was held last evening, the principal business being the planning of the annual tag-day which will be held on Saturday, the 17th, under the conversancy of Mrs. W. A. McDonald, and with the active assistance of all members of the Commission. This Commission was authorized by the City Council to assist them in supervising the playgrounds on the City squares and is formed of interested citizens and representatives of various service clubs and similar organizations, who all serve without pay. It is financed by a small grant from the City Council and the proceeds of its annual tag-day, therefore the generous co-operation of all citizens will be welcomed in this effort. Arrangements were also made for the repair and painting of the equipment used on the squares. Mrs. Fred Smith, representing the Pythian Sisters, and Mrs. Mitchell McDonald, representing the Junior League, were welcomed as new members.

## Schurman's Teams In Competition

Last Thursday evening two bowling teams from the staff of the M. F. Schurman Co. Ltd., one from Summerside, the other from Charlottetown, met in a spirited bowling competition at the Capitol Alleys. Other games have been scheduled between these two branch offices and the next will take place in the near future in Charlottetown.

## 30-30 Split Agreed In Robinson-Maxim Bout

NEW YORK, May 6—(AP)—The International Boxing Club today announced a 30-30 percentage split between middleweight champion Ray Robinson and light heavy king Joey Maxim for a 175-pound title bout June 23 at Yankee Stadium. Harry Markson, I.B.C. boxing director, said the same 30-30 terms will prevail for a return bout within 90 days, in case Robinson wins. If Maxim wins—and he's a 7 to 5 favorite on the morning line—there will be no return engagement. Both fighters and their managers, Jack Kearns (Maxim) and George Gainford (Robinson) will appear before the New York State Athletic Commission tomorrow to sign official contracts. The announcement of an even split on the gate was greeted with knowing smiles by insiders in the boxing business. Many believed Robinson had been given some extra inducement to overcome his stated reluctance for the match. Markson, however, insisted the 30-30 figures will be on the com-

mission contracts. According to Markson, the only hitch in the match was a debate over terms for the rematch. Robinson first wanted 40 per cent, dropped to 35 and finally agreed to take 30. Sugar Ray said he'd weigh "about 158" for the bout. "No use stuffing up to 163 or 165," he said. "I have to have my speed." "What kind of a fight did he expect?" "A good tough fight," was the answer. "Who was ever able to do anything with him, even heavyweights?" Reminded that Exzard Charles gave Maxim a solid beating last year, Robinson blurted: "Yeah, but don't forget he was the heavy-weight champ then." As for knocking out Robinson, Maxim had a ready answer. "Who did I ever knock out?" Although he's primarily a boxer, the records show Joey won his title by knocking out Freddie Mills in London.

## 48 Horses Eligible For Queen's Plate Event

(By John Paterson) TORONTO, May 6—(CP)—Forty-eight Canadian-bred three-year-olds remain eligible for the 83rd annual running of the Queen's Plate, Canada's richest and the continent's oldest continuously-run horse race. Thirty-seven owners made the \$50 payment May 1 to keep their entries eligible for the May 24 stake, the Ontario Jockey Club announced today. Starters pay an additional \$100 post fee. Pre-race payments plus \$15,000 added by the O.J.C. make the race worth an estimated \$21,000. The Queen donates the traditional 50 guineas, a custom started by Queen Victoria in 1860 with the first running. E. P. Taylor stable of Toronto with four has the largest entry. Two, Acadian and Red Martlet, are pre-race favorites on the basis of fast trials.

The J. E. Frowde Seagram stable of Waterloo, Ont., has three eligible—Flareday, Hielan Laddle and Game Warrior. The first two went into winter quarters favorites at 6-1 on the strength of their two-year-old form. The Seagram stable—now in its third generation—has won 20 plates, the last in 1935 with Sally Fuller. Johnny Longden, internationally famous jockey who learned to ride on Western Canada tracks, will ride Lord Strome, one of the two Winnipeg entries. Lord Strome is from the Whittier Park

division. Featherweight (fourth round) Armand Bernard, Montreal, defeated Joe Serebruk, Calgary, 12:56. Bob Wilson, Toronto, defeated J. C. Marie-Croix, Montreal 10:07. Bantamweight (third round) Adrien Poliquin, Montreal, defeated John Gabel, Regina, de-fault. Keith Jirsch, Edmonton, defeated Harold Evans, Calgary, 4:00.

Stock Farm of James Speers. Veteran jockey Pat Remillard—who topped Canadian riders last year with 117 winners—will ride Our Omar, owned by A. G. (Scotty) Kennedy of Winnipeg. All are also eligible for the Queen's Plate trial, a six-furlong \$2,500 added race to be run May 17. One of the conditions of the Plate is that entries must not have started in any race as a three-year-old before the Plate, other than the trial.
