Heat At Work In Hushed Silence

Make your heating dollars count with TORIDHEET AUTOMATIC HEATING

The proven efficiency of TORIDHEET Wall Flame oil burners keeps your fuel dollars from going up the chimney. Fuel savings of 25% are common—some run as high as 50%.

Get rid of dirt, work and uneven heating. Get TORIDHEET right now.

Silent As A Spinning Top

Hushed—yet active heat where it does the most good—gently massaging the walls of your boiler or furnace. This slowly rising, steady swirl of blue flame gives the entire heating plant a greater opportunity to absorb the heat extracted from the oil, resulting in lower stack temperature—less heat wasted up through the chimney passage.

NO PRESSURE BLOWTORCH ROAR

No complicated pressure pump is required to force the fuel oil through a pin point atomizing nozzle. No blower is required to send a blast of air into the ashpit. There is no ashpit heat lost. It's whisper quiet. Backed by over 29 years of oil heat experience.

TOP DURABILITY, 56 years life expectancy. QUICK WARM UP, 7 times faster than clay or brick refractories.

GUARANTEED IN WRITING—25% CUT IN OIL BILLS ON GUN BURNER REPLACEMENTS.

A wide range of size and capacities for the smallest of cottages to the largest of mansions.
