

PLAY "WHERE'S THE FIRE"

A large audience thoroughly enjoyed the light sparkling comedy, "Where's The Fire" presented last evening at the Community Centre by the St. Charles Auxiliary of the Charlottetown Hospital. The play produced and staged by Frank MacIntyre was a splendid culmination of the five weeks hard work put in by the actors. The characters portrayed were well handled by all.

Carroon who played the part of Sylpha Nesbitt the talkative man chasing female who considered any man as fair game; Gerrie Balsam as Grandma Carter who was hard put to keep her house running in harmony and keep up with the local funerals. Standing left is Lorne McGuigan the Electrician with nothing to say but who was quite willing to do anything to turn a buck or more, but was finally captured by the wiles of Sylpha.

John Walsh, as Herbert Carter, of Jean who also had an interest in fires in that he liked setting them, being finally trapped by John. Extreme right is Theresa Doyle who treated the audience to a couple of delightful tap dancing numbers during intermission. Other performers for the intermissions were, Heathcote and Thomas Burke, two tap routines. Frank MacIntyre, Gene Donahue, Virginia MacDougall, and Margaret MacIntyre who each rendered two vocal solos. The accompanists were Mrs. Joseph Dougan, Al Blanchard and Alec MacLean.

ABOVE, seated left, Louise McCarroon who played the part of Sylpha Nesbitt the talkative man chasing female who considered any man as fair game; Gerrie Balsam as Grandma Carter who was hard put to keep her house running in harmony and keep up with the local funerals. Standing left is Lorne McGuigan the Electrician with nothing to say but who was quite willing to do anything to turn a buck or more, but was finally captured by the wiles of Sylpha.

Montague Baptist Easter Service

The Easter service in the Baptist Church Montague, was conducted by the pastor Rev. A. M. Rogerson and was attended by a large congregation. The sermon dwelt on the great events of the resurrection.

The responsive reading was the Easter morning story as recorded in Matthew 28: 1-10. One member was received into membership. During the offering the choir sang "My Saviour first of all."

The music was under the direction of the church organist Miss Clemmie MacLean.

St. Mary's Holds Easter Services

Special Easter services were held at St. Mary's Church, Montague, Sunday conducted by the pastor, Rev. J. W. McCordle. The choir under the direction of Mr. George Boudreau sang the Mass of the Angels, and during the communion, the choir sang "Panis an Angelicus". Rev. Father McCordle preached an inspiring sermon on the resurrection of Christ, developing the evidences of the resurrection, and stressing that Christian faith was based primarily on the resurrection. Benediction followed the celebration of Mass, during which the choir sang "O Salutaris" and "Tantum Ergo".

MURRAY RIVER

A number of friends and neighbours gathered at the home of Mr. and Mrs. Norman N. MacLean on Thursday evening March 15, to honour them with a housewarming. During the evening a number of games were enjoyed by all, then the gifts were opened by Mrs. Oliver Giddings, and verses read by Mrs. Rueben Moore and arranged on table by Mrs. William Stewart Mr. and Mrs. MacLean both thanked one and all for the lovely gifts they received. After the singing of "For They Are Jolly Good Fellow", a delicious supper was served by several of the ladies, which brought a very pleasant evening to a close.

Mrs. Johnnie Love, Murray River has taken over the duties as teacher in the intermediate room in Murray River.

Heatherdale Ties Final Series 1-1

Down one game in the best-of-three series for the Bison trophy Heatherdale bounced back into contention last night at Montague by edging Murray River 4-2. The final game will be played tonight and both teams will be out to win the series and the trophy. G. Matheson scored two goals for Heatherdale while teammates D. White and E. Matheson each notched singles. B. Munn and L. MacKay shot goals for the losers.

Montague Camera Club Meeting

The regular meeting of the Montague Camera Club was held at the club room last Thursday with twelve members present. The president, Bud Ings, called the meeting to order.

This was followed by an open discussion on what might be considered as salon material in a picture. It was decided members should plan their pictures more before snapping and snap more of them. After the discussion it was decided that the Montague salon members would be displayed in the windows of Vic Pepler, jewellers, and Jo-Anna Dress Shop this week, and to be shown on the south side of the bridge next week.

The members then watched with interest as a film was processed in the club's newly equipped dark room. The next meeting will be held at the club room with Edith MacDonald and Joan Murray on the lunch committee. Following the serving of a most delicious lunch served by Walter Morton and Peter Austin, Bud Ings presented Mr. Morton with a before snapping and snap more of them. After the discussion it was decided that the Montague salon members would be displayed in the windows of Vic Pepler, jewellers, and Jo-Anna Dress Shop this week, and to be shown on the south side of the bridge next week.

SIDEWALL SHINGLES

NEVER NEED PAINT TO PRESERVE THEM—FIREPROOF, WEATHERPROOF

Whether you're building a new home or beautifying a beloved old one, here is complete charm combined with real economy and permanent all-weather protection. Johns-Manville Colorbestos Sidewall Shingles are made of asbestos and cement, two virtually indestructible minerals. They are fireproof, weatherproof and rot-proof. They never need painting to preserve them. Silicone-sealed, they defy water and water-borne dirt — colors stay bright and fresh for years.

The Cedargrain design has been a "best-seller" since it was introduced. Now, the smart new "Striated" design is already proving equally popular. Both have the same qualities of permanence.

FREE BOOKLET, "New Ideas on Building and Remodeling." It shows both designs and illustrates various combination-color ideas as well as showing how Colorbestos Sidewall Shingles can be used with other building materials. For free copy see your J-M dealer, or write: Canadian Johns-Manville, 565 Lakeshore Road East, Port Credit, Ontario.

CEDEGRAIN DESIGN — has the grained appearance of weathered wood. Available in wavy or straight butt lines. Colors — Pastel Green, Blue Gray and Dover White.

STRIATED DESIGN — vertical, random-ribbed with straight butt lines. Available in Red, Green and Charcoal Gray.
