IN MEMORIAM

MRS. WILFRED VICTOR

On the morning of September 4th, 1950, a gloom was cast over Newport and surrounding districts, when the sad and shocking news became known that Mrs. Wilfred Victor had suddenly passed away in the King's County Memorial Hospital at the early age of thirty seven years.

In her passing her husband is robbed of a kind, loving and faithful wife, four small children are bereft of the guiding hand and tender love of a devoted mother, parents robbed of the kindness and devotion of a dutiful daughter who, by her thoughtfulness and continuous acts of kindness added so much to their comfort and happiness in this world; sisters and brothers are denied her wise council and sisterly love, and the neighbourhood will keenly feel the loss of such a community-spirited citizen.

Death, though sudden did not find her unprepared. Hers was a life of preparation, for gracing her pathway in this, her short life was her sense of duty and obligation to her home and loved ones, a duty which she performed so faithfully and well in a true Christian manner. She was a devout member of the Catholic Church and her cheerful submission to God's holy will at all times, enabled her to bear patiently and uncomplainingly the trials and sufferings of this life.

Her many little deeds of kindness performed in her own quiet manner will be a fitting monument to her memory to those — old and young who had the pleasure of her acquaintance.

A fitting recognition of the esteem in which the deceased was held was the very large number of friends and relatives from far and near who came to pay their last tribute of respect to a true friend and to offer words of comfort to the bereaved family. Besides her grief stricken husband and four small children ranging in age from nine years to two weeks, she leaves to mourn her sorrowing parents, Mr. and Mrs. Andrew Fitzpatrick, Woodville Mills, five sisters and six brothers namely: Mrs. Andy MacLean, Cardigan; Mrs. Maurice Johnston, Lyndale; Mrs. Cornelius Morrison, Montague; Teresa and Eileen at home; Ralph, Cardigan; Plus, Newport; Joe, Gerald, Donnie and Leonard at home.

Her funeral, so largely attended, was held from her late residence on Sept. 6th to St. George's Church, St. Georges, where Requiem High Mass was celebrated by her pastor, Rev. B. J. MacDonald, who also officiated at the interment in the church cemetery.

As all that was mortal of this young wife and mother was silently laid to rest, many a silent tear fell from the hearts of all present ascended that fervent prayer "Requiescat in Pace". Six brothers, above mentioned, acted as pallbearers and the hearse was driven by Joseph MacLellan of Newport.

New Reports Of Unusual Growth

The unusual summer weather which the province has been experiencing this fall has brought out some unusual effects, and unusual activities at this time of the year.

Several reports have come in regarding flowers blooming again, and two weeks ago Mr. Louis MacDonald had a rose bush almost all in bloom. Last week Mr. Arnold Vanderstine showed, and can still show, beds of pansies blooming in all the freshness of their new growth. New buds have also appeared on many trees in this locality to give evidence of the resurgence of the new growth even at this late date of the year.

The most unusual activity, however, was that which has been taking place on the farm of Mr. Dan Semple, Montague, where for the past week they have been digging potatoes which are equal in quality to those picked in October. Mr. William Gillis of Union Road has also been pulling turnips for the past week which are also of good quality. Although no other reports of late growth have been reported, there are, without doubt, many other instances of this reappearance of late growth on the Island.
