

CAMPUS COMMENT

This week's question: How are you going to vote in the upcoming constitutional referendum?

"I guess I plan on voting no. The main thing I'm upset with is the senate and how it worked out ... it got away from the Triple E model. It should be an elected senate or don't have one at all."

Bruce Collard

"I am planning to vote yes because the Maritime Region benefits from the Charlottetown Accord and I do not like Pierre Trudeau."

Daryl Condon

"Both sides have good arguments. I'm not sure yet how I will vote. I have to read the information soon."

Dianne

"I am going to vote yes. I think with this accord the aboriginal people finally receive the respect and recognition they rightly deserve. They have been denied."

Heidi Clark

"I'm not sure how I will vote because at this time I do not have enough information to make such a major decision."

Julie Whitlock

"I am not going to vote."
