BLANCHARD - BERNARDINE II MEET IN FINAL

The softball season is quickly winding down for another year, with only one game remaining. This year's championship game will feature Blanchard Hall and Second Floor Bernardine. These two teams won their fair share of the games over the course of the season and the "pressure" of the playoffs should not bother either one of them. Blanchard disposed of the Day Students by a score of 10-6 to get into the final, whereas Bernardine II had a much easier time of it, walking past Bernardine IV in a no-show contest.

The game between Blanchard and the Day Students was a very well played game, with the lead changing hands throughout the game. A steady downpour didn't ruin the girl's enthusiasm though, as they played the game to its completion. All-star catcher Vince Mulligan spent most of the game in a mud puddle behind home plate. Day Student pitcher, Laura Cudmore, in explaining her pitching philosophy for the game, said "I tried to keep the ball low - that way I had a good chance of getting Vince to fall in the puddle. And I knew if Vince fell, no one would be able to steal a base, cause they would be laughing so much." A pretty good philosophy and believe me - there was quite a bit of laughing during that game!

Now - looking ahead to the final, which is to have been played on Wednesday, Oct. 17th (figure that out). Manager Jackie Doran recently released the starting nine for Bernardine II which will face Blanchard Hall. Right-hander Sue Clarke has received the call from Jackie to start the game. Sue, an off-season acquisition by Bernardine II, will be relying on her two premiere pitches, the slow curve and the slow drop for most of the game. The rest of the team looks something like this - Patti

Bradley, Marie Bradley, Pat Moran, Andree Campbell, Marlene Costain, Karen Rose, Ann Knox, Denise Moore, Juliette Coutoure, and playing coach Jackie Doran. With five of their starting nine being field hockey players, this corner would like to wish them the best of luck - chances are they'll need it. Blanchard Hall manager Carol Ann Bernard has refused to release the names of her starting nine stating it would be to their disadvantage. Rumor has it, though, that Janet Coughlin, fresh from her win over the Day Students in the semi-finals, will get the nod. I'll guess we'll just have to wait and see . . .

Till next week then . . .

Predictions of the week: Denise Moore to stop using the curtains in Bernardine Hall for her home-ec projects.

Websters new revised dictionary to include the word "clapter", as in "the clapter of the crowd."
