HOLLOWAY'S OINTMENT.

CIRCULAR TO THE SICK. The first hospital surgeons and medical publicists of Europe, admit the unparalleled anti-inflammatory and healing properties of this Ointment; governments sanction its use in their naval and military services; and the masses in this country and throughout the world repose the utmost confidence in its curative properties. It penetrates the sources of inflammation and corruption which underlie the external evidence of disease, and neutralizes the fiery elements which feed and exasperate the malady. RHEUMATISM, SCROFULA, ERYSIPELAS. These are among the most terrible and agonizing diseases, yet in their worst forms, and when seemingly incurable, they invariably disappear under a persevering application of this soothing, healing, antidote to pain and inflammation. KING'S EVIL, FEVER SORES, STIFF JOINTS. In cases of King's Evil where medicinal waters, lotions, and every recipe of the pharmacopoeia have proved useless, the Ointment will accomplish a thorough cure. Fever Sores heal quickly under its influence, and its relaxing effect upon contracted sinews is truly wonderful.

DISCHARGING ULCERS. A most remarkable and happy change is produced in the appearance of malignant ulcers, after a few applications of this Ointment. The surrounding redness vanishes, and granules of healthy flesh begin to take the place of the discharged matter. This process goes on more or less rapidly, until the orifice is filled up with sound material and the ulcer radically cured. A WORD TO MOTHERS. The young are the most frequent sufferers from external injuries, and therefore every mother should have this healing preparation constantly at hand. It is an absolute specific for sore breasts, and quickly removes the encrusted sores which sometimes disfigure the heads and faces of children. SIGNIFICANT FACTS. This Ointment is universally used on board the Atlantic and Pacific whaling fleet as a cure for scrofulic affections and as the best possible remedy for wounds and bruises. Large supplies of it have recently been ordered by the Sultan of Turkey for hospital purposes. ULCERS, SORES, AND TUMORS. The effect of this unrivalled external remedy upon Scrofula, and other virulent ulcers and sores, is almost miraculous. It first discharges the poison which produce suppuration and proud flesh, and thus the cures which its healing properties afterwards complete are safe as well as permanent. WOUNDS, BRUISES, BURNS, AND SCALDS. In cases of the fracture of the bone, injuries caused by steam explosions, Burns, Bruises, Scalds, Rheumatism, Stiffness of the Joints, and contraction of the sinews, it is employed and warmly recommended by the faculty. This marvellous remedy has been introduced by its inventor in person into all the leading Hospitals in Europe, and no private household should be without it. Both the Ointment and Pills should be used in the following cases— Bad legs, Chiezo-foot, Fistulas, Sore throats, Bad Breasts, Chibblains, Gout, Skin disease, Burns, Chapped hands, Glandular Swellings, Scurvy, Bunions, Corns (Soft), Lumbago, Sore-heads, Bite of Mos- cetoas and Contracted and Rheumatism, Ulcers, Sand Flies, Stiff Joints, Scalds, Wounds, Coco-bay, Elephantiasis, Sore Nipples, Yaws. Sold at the Establishments of Professor Holloway, 244 Strand, (near Temple Bar) London, and 80 Maiden Lane, New York, also by all respectable Druggists and Dealers in Medicines throughout the civilized world, at the following prices—1s 3d, 3s 3d, and 5s each Pot. There is a considerable saving by taking the larger sizes. N. B.—Directions for the guidance of patients in every disorder are affixed to each Pot.

THE EXAMINER IS printed and published every Monday by EDWARD WHELAN, at his office, Kent-st., nearly opposite Mr. Coles's Brewery. Price—15s. per annum, payable half yearly in advance.
