Baptist Church Group Enjoys Annual Banquet

A feature which has become an annual event in the Baptist Church life is the combined banquet of Sunday School staff and choir, with husbands and wives, was held last evening in the church's lower hall.

Mr. W. S. MacMurtry, on behalf of all assembled, thanked Mrs. Russell Perry and those of the Ladies' Auxiliary assisting for a much enjoyed turkey supper.

After a short hymn-sing, the chairman, Rev. J. D. Davison, called on Miss Marguerite Brehaut, head of the Religious Education Committee, for a few words. Miss Brehaut paid tribute to the great effort of all concerned and gave much credit for the efficiency of the school to Mr. R. J. Rupert, superintendent, who responded for the staff, at the same time thanking them for their faithfulness and co-operation.

Mr. Harper MacNeill had high praise for the quality of the choir's offering under the leadership of Mr. Royston P. Mugford, organist. Mr. Keith Robinson, president of the choir committee replied.

Mr. Vic Runtz brought to the meeting's attention that while the banquet was not primarily in the pastor's honour, a vote of thanks to his leadership and ever-ready assistance would not be amiss. Seconding the motion, Mr. Ralph Rupert recalled the times earlier in the year when Mr. Davison readily acted as a substitute teacher.

The chairman paid a special tribute to Mr. Mugford, who fittingly replied, a hearty response was accorded each of the evening's speakers in turn.

The pastor brought the meeting to a close with a benediction.

Brings Spending Continued from page 1 Most of this loss was incurred as the result of the 1952 outbreak of foot and mouth disease among livestock in southern Saskatchewan. With Canadian meat barred from the U. S. market for a year, the federal government negotiated a deal with the United Kingdom and New Zealand that involved its buying Canadian beef and selling it as a loss to the United Kingdom.

Another major item in the supplementary estimates was \$5,000,000 towards a \$10,000,000 contribution of Canadian grain for famine relief in Pakistan, previously announced. The other \$5,000,000 comes under Canada's contribution to the Colombo Plan for aid to southeast Asia.

A \$2,370,700 item is provided to complete the year's payments on treasury subventions that assist the movement of Canadian coal to market. This makes a total of \$1,669,000 for the year—a record—compared with \$8,032,000 in the 1952-53 period.

Mr. Sterling Walker who has been employed with the Iron Ore Company of Canada at Knob Lake, Que., is visiting with his parents, Mr. and Mrs. J. S. Walker, City.

Miss Shirley McAleer, Hope River, returned to her home yesterday, after being a patient in the Charlottetown Hospital for the past three weeks.

Word has been received by Mrs. Henry MacQuarrie Oyster Bed Bridge of the death of her brother, John Stead of Alaska, Saskatchewan, sincere sympathy is extended to Mrs. MacQuarrie.

Addressed Women's Club In Virginia

NORFOLK, Va., Lt. Comdr. Alan B. Cosh (above) who is at present on the staff of "Saclant" in Norfolk, Va., was the guest speaker recently at a meeting of the Women's Club of Norfolk.

He was introduced by Mrs. Luther B. Marshall, chairman of the inter-national relations committee. His subject was the relations between the United States and Canada and in the course of his remarks he said: "If other nations followed the example of the United States and Canada, world brotherhood would become a reality."

The longest undisturbed border in the world divides the two countries, he pointed out, but they have been at peace for 140 years.

"The fact that we come from the same roots and think alike may account for this" he added.

Comparing education in the United States with that in Canada, Cosh suggested that United States schools put more emphasis on international topics. "I have found that the average American youngster 'does not know as much about other countries as he does about his own. I learned a great deal about the United States in school in Canada."

Termining the relationship between persons of different nationalities at Saclant headquarters "encouraging" Cosh said that he personally favors the nationality and branch of the service of the persons he works with there. He concluded by suggesting that nations of the world follow Emerson's advice—"the only way to have a friend is to be one."

A son of Mr. and Mrs. A. B. Cosh, Charlottetown, P.E.I., Lt. Comdr. Cosh before his appointment to "Saclant" was Executive Officer of H.M.C.S. Cayuga in Korean waters from April 1951 to June 1952. His wife, the former Mary Louise Adams of Cleveland, Ohio, was with several "Saclant" wives a guest at the luncheon.

Plane Forced Down On Glacier In Greenland

ST. JOHN'S, Nfld. (CP)—A U.S. Air Force transport plane on a scientific mission with seven men aboard made an emergency landing on a Greenland glacier Wednesday and hasn't been heard from since.

The air force's northeast command here said Friday that two aircraft searched unsuccessfully for the ski-equipped twin-engined Dakota that ran low on fuel while looking for Fletcher's ice island in the Arctic.

The aircraft, based at Thule, Greenland, radioed that it was going to alight on a glacier near the village of Blah on Greenland's west coast. After that, there were no radio messages.

The USAF did not disclose the names of the men, of whom two are civilian scientists. Fletcher's "island" is a floating ice cake so thick and wide that scientists have often wondered if it would make an airfield.

The chief aim of the Prince Edward Island Musical Festival Association is to give every girl and boy in this province the opportunity to learn the fine art of music, and thus give them equal opportunities with children in other parts of Canada.

It is imperative, therefore, that if the growing interest in musical appreciation is to be nourished, if the desire of these young people to further their efforts is to be encouraged, and if latent talent is to be discovered and developed, the adults of this Province must support and strengthen the organization that fosters and promotes such activities.

The children of today will be the citizens of this Province in the years to come. The culture they acquire in tender years will determine, in a very large measure, the level of culture tomorrow and whether it be indifferent or full of richness depends entirely on the attitude of today's citizens.

Increased membership, coupled with a true desire on the part of each individual member to promote the growth of the association, will assure that the needs of our children can be met in a manner comparable to their demands.

Do you believe that children's personalities are enriched by musical training, that their adult lives will be more satisfying because of it? If you do you will not hesitate to give tangible expression to your thoughts by enrolling as a member. The fee is small, being \$1.00 for individuals, \$5.00 for groups.

Women's Institutes, choirs, etc., and \$25.00 for life membership. There is a committee in each county, and during Festival Week will maintain a desk at all sessions for the convenience of the public to renew and to obtain new memberships both at Charlottetown and Summerside. Members of this committee are listed in the syllabus.

Mrs. Lorne Galbeck, Provincial Convener, Membership Committee.

HOLMAN STORE NEWS - G. H. M. - Excitingly new for your new season's wear are the Blended TWEED DRESSES in soft shades of blue-gray or brown-beige. The rough tweedy surface of this cotton-rayon material makes for a very smart and serviceable outfit — one that you'll be proud to wear at any time.

Styles vary from a slim-line coat dress to a full skirted, simulated princess fashion that is extremely good this Spring. Sizes are from a 9 to 18 and the prices are 14.95 to 19.95. You'll delight in one of the Blended Tweed Dresses for your Spring wear. Come choose from the selection in either the Little Shop, Charlottetown or the Ladies' Wear in the Summerside Store.

Get you're busy as a bee with your housecleaning! ... and finding all kinds of things that you wish to replace and replenish around the house. It's a wonderful time of year to replace a tired and worn Bed-spread with a spanking new CHENILLE one from Holman's. The cost is very, very reasonable — just 7.95 for a closely tufted Chenille Bed-spread in a generous double bed size.

The strong cotton backing is in spread in a variety of softly one piece with close floral and scroll design in a variety of soft colors, cake plates and bowls of different sizes. The prices are 2.00 — 35 cents for the little ash tray to 7.95 for the large sized bowl. Any one of the pieces will give an air of gracious living to your home or will make a most appreciated gift. Come see the Bursley Ware English Pottery designed by Charlotte Rhoad in the China Department of either Holman Store.

I feel like screaming and yelling about the new BURSLEY WARE ENGLISH POTTERY — I want each and every one of you to make a visit to the China Department of either the Charlottetown or the Summerside Store to see the gorgeous Charlotte Rhoad designs while the collection is still complete. This beautiful pottery is in a real heavy weight with soft blue flowers accented with touches of delicate mauve. . . . I think it is one of the loveliest I've seen for some time.

Included in the array of pieces are tiny ash trays, cigarette boxes, trinket boxes, butter dishes, decorative plates, large jugs, sugar and cream sets, cake plates and bowls of different sizes. The prices are 2.00 — 35 cents for the little ash tray to 7.95 for the large sized bowl. Any one of the pieces will give an air of gracious living to your home or will make a most appreciated gift. Come see the Bursley Ware English Pottery designed by Charlotte Rhoad in the China Department of either Holman Store.
