Remedy for Hard Times.

Stop spending so much on fine clothes, rich food and style. Buy good, healthy food, cheaper and better clothing; get more real and substantial things of life every way, and especially stop the foolish habit of running after expensive and quack doctors or using so much of the vile humbug medicine that does you only harm, and makes the proprietors rich, but put your trust in the greatest of all simple pure remedies, Hop Bitters that cures always at a trifling cost, and you will see better times and good health. Try it once. Read of it in another column.

August Flower.

The immense sale and great popularity of Green's August Flower in all towns and villages in the civilized world has caused many imitators to adopt similar names, expecting to reap a harvest for themselves at the expense of the afflicted. This medicine was introduced in 1868, and for the cure of Dyspepsia and Liver Complaint, with their effects, such as Sour Stomach, Sickheadache, Indigestion, Palpitation of the Heart, vertigo etc., etc., it never has failed to our knowledge. Three doses will relieve any case of Dyspepsia. Two million bottles sold last year. Price 75 cents. Samples 10 cents.

SEMINARY FOR YOUNG LADIES.

VISITOR:

The Lord Bishop of Nova Scotia

PRINCIPAL:
The Rev. John Padfield.

THIS SCHOOL offers, at very moderate cost, the advantages of a comfortable and pleasant home together with a thorough and refined education.

The course of Instruction is the same as that of the best Schools in England and is founded upon the University Examinations for Women. Eight young ladies from this School passed the Local Examination of the University of King's College in June last. This is the only School in Canada that has passed pupils at a University Examination.

The number of pupils is limited, rendering the School select, and while it possesses all the educational advantages of a large public school, each pupil is enabled to receive that individual care and oversight which is so important, and which cannot be given in a large establishment.

Mr. and Mrs. Padfield are assisted by a staff of four resident governesses, besides visiting masters.

Parisienne French is taught conversationally. There are two resident French Governesses.

References given to parents of pupils.

For further particulars address the Principal.
