Local and Other Items.

UNPLEASANT.—The flood on Great George Street has subsided, leaving a most unpleasant and slimy surface on that part of the street which was under water.

MEETING.—The committee in charge of the regatta to be held here next Wednesday, are requested to meet this evening at 7 o'clock, at the office of Mr. H. V. Palmer.

CRICKET.—A match will be played at the Park to-morrow afternoon between Militiamen vs. Civilians. Stumps will be pitched at 2.30 sharp. A lively game is expected.

POSTPONED.—Owing to the rain storm of yesterday afternoon the monthly competition of the Charlottetown Engineer Corps has been postponed until Monday afternoon at 2.30 o'clock.

MISSION WORK.—Miss Bartlett, city missionary, will speak on the importance of mission work among the poor of this city at the Railway Gospel Meeting on Sunday afternoon next at 4 o'clock. The public are invited.

SPECIAL RATES.—The Pictou papers announce "special rates for the great regatta at Charlottetown," next Wednesday. No doubt a large number will accompany last year's victors, who are, by the way, preparing for a good day's work.

SET FREE.—John Moroney and Charles McDonald, two of the men recently arrested in New York, in connection with the Cronin murder, have been released, the men who went from Chicago to identify them having failed to do so.

GOING RAPIDLY.—The plan of the Hall fo Mrs. Scott-Siddons' rehearsals opened yesterday afternoon at the Diamond Bookstore, and already a large number of seats are taken. We would advise all to call early and secure their tickets, as only a limited number are issued.

THE M. A. STARR.—The steamer M. A. Starr arrived here about six o'clock yesterday morning, with a cargo of general merchandise and Mrs. Herbert and the Misses Benoit as passengers. She left on return at seven o'clock last evening with a full cargo of lobsters.

EN ROUTE TO CHARLOTTETOWN.—The Wood-St. John Co. will arrive here this evening, and will undoubtedly be greeted by one of the largest audiences the Lyceum ever held. Doors will not be open until 8.30. Those holding tickets for to-night, and not being able to gain admission, can use them to-morrow evening.

POLICE COURT.—On information laid by Prosecutor Cameron, Charles Auld, butcher, of Bannockburn, was to-day fined $3 and costs for ill-treating sheep, by tying their legs. Francis Aylward was given fifteen days imprisonment for assaulting Fulton McEwen, and a Scott Act case was dismissed.

THEY'RE ALL RIGHT.—A private letter from Seattle, W. T., says that the block in which Messrs. Colwill & Pillman (formerly of Charlottetown) were doing business, and the Boston block, are the only business blocks remaining after the recent fire. There are quite a number of other Islanders at Seattle, but we have not heard how they fared.

CENTENNIAL TEA.—The great centennial tea to be held at Cardigan Bridge on the 4th July, gives every indication of being one of the most successful ever held at that place, if not on the Island. Everything that the most fastidious could desire in the way of eating and drinking will be provided, and there will be the usual games and amusements. The committee in charge are now making arrangements with the railway authorities for special fares. Look out for ad. in a few days.

FOR BOSTON.—The steamer Carroll, Captain Brown, left for Boston last evening at six o'clock. She had the usual general cargo and the following passengers: Mrs Dr McLean, Mrs H Monaghan, Mrs P Monaghan, W McMurrow, D McDonald, P Monaghan, A Ross, P McKinnon, Mr Wade, J C Mallett, Mrs Stumbles, Mrs Martin, Mr Martin, E Warren, Mrs W Pickard, A McIntyre, Mr McIntyre, M McNeill, P McMurrow, Miss Steele, M C McDonald, Mr McInnis, S J Woods, G McInnis, H McInnis, Jos Power, A Lowe, L Winchester.—28.

NAVAL.—Three of the ships of the North American fleet—the Bellerophon, Tourmaline and Pylades—have arrived at Halifax from Bermuda. Since the Bellerophon last visited Halifax, she has been fitted with five extra large guns. The whole ship's company was re-commissioned on the 2nd of April last. Vice-Admiral Watson is accompanied by his wife and daughter. The Bellerophon carries as additional officers, Staff-Commanders Wm. Y. Maxwell, John G. Boulton, Frederick W. Jarrad and Philip H. Wright.

THEATRICAL.—The Wood-St. John Company give their opening performance in the Lyceum, this evening, when "The Private Secretary" will be put upon the boards. To-morrow evening they will present "David Garrick," and on Monday evening "Dr. Jekyll and Mr. Hyde." The company comes highly recommended, and will likely have good houses during their stay.

Zera Semon opens in the Lyceum, Halifax, for one week, on Monday evening next. He is to call here next month.

The Hyer Sisters' Comedy Company play in Moncton to-night and to-morrow night.

Mrs. Scott-Siddons gives a performance in Moncton on Monday evening next, and in the Lyceum here on Wednesday evening.

ADVICE TO MOTHERS.—Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural quiet sleep by relieving the child from pain; and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhœa, whether arising from teething or other causes. Twenty-five cents a bottle. Be ure and ask for Mrs. Winslow's Soothing Syrup, and take no other kind. [April 1 '88

DAMAGE BY RAIN

In the Neighboring Provinces.

HOUSES, BARNS, BRIDGES, &c.,

Carried Away by the Flood.

HALIFAX, June 20.

Heavy rain fell steadily for thirty hours and ceased at 3 o'clock, beating down the crops and causing great freshets. This side of the Cobequid mountains fifty feet of the Intercolonial Railway track was washed away, and near Debert the foot bridge was carried away. The transfer of mails and passengers at that point delayed trains two hours.

LONDONDERRY, June 20.

The flood to-day did great damage here. The water rose twenty feet and carried away three houses, many barns, sheds, etc. It also swept away the wooden bridge across the Londonderry river, 100 feet high and 120 feet long. The new iron bridge across the east branch of the river, built by the local government, was also partly destroyed. The post road to Londonderry station is rendered impassable. Sixty feet of the flumes which carry water to the blast furnaces were swept away. There are also some bad breaks in the narrow gauge road.

Beauty

Is desired and admired by all. Among the things which may best be done to enhance personal beauty is the daily use of Ayer's Hair Vigor. No matter what the color of the hair, this preparation gives it a lustre and pliancy that adds greatly to its charm. Should the hair be thin, harsh, dry, or turning gray, **Ayer's Hair Vigor** will restore the color, bring out a new growth, and render the old soft and shiny. For keeping the scalp clean, cool, and healthy, there is no better preparation in the market.

"I am free to confess that a trial of Ayer's Hair Vigor has convinced me that it is a genuine article. Its use has not only caused the hair of my wife and daughter to be

Abundant and Glossy,

but it has given my rather stunted mustache a respectable length and appearance."—R. Britton, Oakland, Ohio.

"My hair was coming out (without any assistance from my wife, either). I tried Ayer's Hair Vigor, using only one bottle, and I now have as fine a head of hair as any one could wish for."—R. T. Schmittou, Dickson, Tenn.

"I have used Ayer's Hair Vigor in my family for a number of years, and regard it as the best hair preparation I know of. It keeps the scalp clean, the hair soft and lively, and preserves the original color. My wife has used it for a long time with most satisfactory results."—Benjamin M. Johnson, M. D., Thomas Hill, Mo.

"My hair was becoming harsh and dry, but after using half a bottle of Ayer's Hair Vigor it grew black and glossy. I cannot express the joy and gratitude I feel."—Mabel C. Hardy, Delavan, Ill.
