THE KIND YOU NEED

Is the Kind That Has Cured Others.

Paine's Celery Compound Nature's Spring Medicine,

GIVES NEW BLOOD, NEW ENERGY AND NEW LIFE FOR A NEW SEASON.

The Only Remedy [that Thoroughly Cleanses the System.

BEWARE OF DECEPTIVE IMITATIONS.

Ask Your Druggist For "PAINE'S," the Kind the Physicians Recommend.

This month there are thousands of persons who manage in a way to attend to their work and daily duties, who are, nevertheless, badly "out of health," and who will soon be confined to sick beds unless they give immediate attention to their complaints.

This month pale and sallow faced men, women, boys and girls are seen on every street. Their blood is thin, watery and impure, making the most fertile soil for the nourishment of disease. We see the laudly tired, listless and ambitious on every hand—people who seem to be positively tired of life. We can easily detect poison and disease by a glance at the thousands of faces we see each day. Pimples, sores, eczema, salt rheum and skin diseases tell that the blood needs cleansing and purifying. All such are truly on the brink of some organic disease.

Paine's Celery Compound will, at this time, regulate the entire nervous system; will cleanse the vitiated blood and give it a proper proportion of red corpuscles, and send it coursing healthily through the whole body. Paine's Celery Compound never fails to increase the appetite; it strengthens the powers of assimilation, increases weight, gives rest and sleep, and bestows a health that every true man and woman should possess in spring time.

If you are one of the unfortunate referred to, why remain in danger of disease and death when you are assured of a speedy and certain cure?

Just a word for your benefit about imitations. When you decide to buy Paine's Celery Compound it will be well for you to see that each package bears the name "PAINE'S," because some dealers for the sake of extra profit sell imitations that are not only worthless but are positively dangerous to life.

Paine's Celery Compound cures disease. This statement is supported by thousands of testimonials.

AN OLD CIRCUS MAN.

His Talk About the First Souvenirs by Show People.

"The first souvenirs I ever knew of being given out in the show business," said the old circus man, "we gave away in our show at the time we had the big 18 foot giraffe. We never had an attraction that beat the big giraffe. The people were just carried away with him. There wasn't anything about him but what interested them, even the slightest little things. On clear days, when we were where we could do it and the sun was right for us, we used to get the giraffe out in front of the entrance of the main tent and have him stand there like a great sentry. People used to stop and look up at him, and then the first thing you know somebody'd discover his shadder. Anybody'd cast a long shadder at that hour of the day, of course, but the giraffe's shadder reached as far as you could see. And as soon as one man began to look at it 40 others did, and then you'd see 'em. I've seen 1,000 people at a time line up long that shadder and just stand along the edge of it down past the main tent and the sideshow tents, just standing there lookin' at it. The giraffe was great, but his shadder fairly staggered 'em. And there they'd stand till the sun dropped down under the edge of the earth, and the first thing they knew there wasn't any shadder. Then they'd stare at each other for a minute, and then all bunch up together again and look at the giraffe till we took him in.

"We used to have a line on the programme saying that at 3 o'clock and at 9 o'clock the great giraffe would hand around ice water. That's where the souvenirs come in. We used to give away the glasses the water was in. The glasses were marked, 'Souvenir of the Great Giraffe,' and whoever got 'em could keep 'em. The seats in our circus were divided into four sections. We used to give away four dozen tumblers at every performance, one in each section. When the time come, we'd march the giraffe around the edge of the ring, and in front of each section his keeper would hand him a wire holder holding a dozen glasses, which he would take by the handle in his mouth. Tall as he was, he could reach easy to the highest back seats. It's astonishing how people used to grab for those glasses. It seems as though the whole section would stand up on the seats and all grab for the holder when it come near 'em. They'd spill the water and get wet and have the greatest time you ever heard of, but nobody got hurt, and so we just let her buzz along. But finally something did happen.

"At one evening entertainment when he was serving out the souvenirs, when we come to one of the sections, there was a man sitting on the fourth tier from the top who picked up his boy, a bright looking youngster about 10 years old, who was sitting alongside of him, and sat him up on his shoulder. The giraffe lifted the holder up and swept it along the seats with the people grabbing, and when it come near this man with the boy on his shoulder the man just lifted him up so that the boy could stand on his shoulders. He was going to get one anyway, and when the holder came along the boy made a grab for it. There was only one glass left in it then, but the boy got it. He upset it lifting it out of the holder and scattered the water all over everybody, but that didn't count. He got the glass and was coming down with it when his father, instead of feeling him jounce down on his shoulder, felt his weight growing lighter, and the next minute he and everybody else saw the boy suspended in the air. When the giraffe saw the last glass go, he lifted the holder, the way he always did, to clear the people before swinging it around and down to the keeper. This time when he lifted it the buttons on the outside of the cuff of the boy's jacket got caught in the wires. They were sewed on the way mothers sew on buttons, and they held the youngster's weight easily, and when the giraffe lifted the holder up he lifted the boy with it.

"Then there was a scene. We knew the giraffe wouldn't hurt a fly, but it looked to the people as though he had the boy in his teeth and was going to sling him through the other end of nowhere. The whole audience rose up and stood leaning forward, watchin' and never sayin' boo, but the giraffe swung his neck around as gentle and easy as the arm of a crane and lowered the holder and the boy hanging to it safe into the arms of the keeper in the ring. The boy hadn't even dropped the tumbler.

"Then the people did holler, and the giraffe walked off as stately as you please, the boy climbed back up to his pop, and the show went on. Nobody hurt, but when we run out of the tumblers we had on hand we adopted another style of souvenir."—New York Sun.

Suffering Vanquished.

A NOVA SCOTIAN FARMER TELLS HOW HE REGAINED HEALTH.

Had Suffered from Acute Rheumatism and General Debility—Scarcely Able to Do the Lightest Work.

From the Acadien, Wolfville, N. S.

One of the most prosperous and intelligent farmers of the village of Greenwick, N. S., is Mr. Edward Manning. Anyone intimate with Mr. Manning knows him as a man of strong integrity and veracity, so that every confidence can be placed in the information which he gave a reporter of the Acadien, for publication the other day. During a very pleasant interview he gave the following statements of his severe suffering and recovery:—"Two years ago last September," said Mr. Manning, "I was taken with an acute attack of rheumatism. I had not been feeling well for some time previous to that date, having been troubled with sleeplessness and general debility. My constitution seemed completely run down. Beginning in the small of my back the pain soon passed into my hip, where it remained without intermission, and I became a terrible sufferer. All winter long I was scarcely able to do any work and it was only with the acutest of suffering that I managed to hobble to the barn each day to do my chores. I appealed to medical men for help, but they failed to bring any relief. At last I decided to try Dr. Williams' Pink Pills and with their use came a complete and lasting cure. I had not used quite three boxes when I began to feel decidedly better. I continued using them until twelve boxes had been consumed, when my complete recovery warranted me in discontinuing their use. I have never felt better than since that time. My health seems to have improved in every way. During the past summer I worked very hard but have felt no bad effects. The gratitude I feel to Dr. Williams' Pink Pills, none but those who have suffered as I have and been cured can appreciate.

An analysis shows that Dr. Williams' Pink Pills contain in a condensed form all the elements necessary to give new life and richness to the blood, and restore shattered nerves. They are an unfailing specific for such diseases as locomotor ataxia, partial paralysis, St. Vitus' dance, sciatica, neuralgia, rheumatism, nervous headache, the after effects of la grippe, palpitation of the heart, nervous prostration, all diseases depending upon vitiated humors in the blood, such as scrofula, chronic erysipelas, etc., etc. They are also a specific for troubles peculiar to females, such as suppressions, irregularities and all forms of weakness. They build up the blood and restore the glow of health to pale and yellow cheeks. In men they effect a radical cure in all cases arising from mental worry, overwork, or excesses of whatever nature. Sold by all dealers or sent post paid at 50c a box or six boxes for \$2.50 by addressing the Dr. Williams' Medicine Co., Brockville, Ont.

Judged by Appearances.

You cannot afford to wear slop clothing.

It is a weakness of human nature to judge by appearances.

Even a dog will bark at a tramp while a well dressed man will pass by unmolested.

It pays to wear

Shorey's Ready-to-Wear Clothing.

For several Reasons:

First. You feel yourself to be a better man.
Secondly. You look a better man.
Thirdly. Your fellow-man respects you.
Fourthly. It is Ready-to-wear and you can choose, try on, and suit yourself from stock, without the uncertainty of an ordered garment.
And lastly, you will find a little Guarantee Card in the pocket, which means "Satisfaction Guaranteed or Money Refunded."

Does the combination of Reasons appeal to your judgment?
