FUNERAL OF P. P. ARCHIBALD.—The funeral of the late P. P. Archibald took place yesterday afternoon from Park street church. Religious services were conducted by Rev. Clarence McKinnon, B. D. pastor of the church, assisted by Rev. Dr. McMillan. "Asleep in Jesus, blessed sleep," and "Forever with the Lord" were sung by the congregation. At the grave prayer was offered by the Rev. E. A. McCurdy. Preceding the hearse were Rev. Drs. Pollok and McMillan, and Rev. Messrs. McKinnon, Laing, McCurdy. The members of the session of Park street church followed the chief mourners, who were A. Moffat, of Charlottetown, brother of Mrs. Archibald, and Messrs. J. H. and A. S. Barnstead, of this city.—Halifax Herald.

CITY COUNCIL.—The regular monthly meeting of the City Council was held last evening. A petition signed by upwards of 300 householders asking that the fire alarm be put in working order was read; and the offer of Mr. W. P. Doull to do the work for $25 was accepted, the work to be performed to the satisfaction of the Mayor before the money is paid. It was decided that Silsby steam fire engine be repaired to the extent of $50, and that hereafter that engine and her apparatus be used for fire purposes only. The purchase of 500 feet of new hose was approved. The Councillors representing ward five were appointed to locate a new light on Lower Malpeque Road. Applications for other lights were declared out of order because at a previous meeting a resolution had been adopted declaring that no more new lights should be erected this year. Councillor Hooper gave notice that at the next meeting he would move for a grant of $25 for John McCourt, an old and faithful servant of the city who had been disabled for several years.

A HYMN FOR THOSE IN PERIL OF WAR.

"Brethren Pray For Us."

We lift up hands of prayer,
For those who fight in Liberty's great name;
O, God of Hosts, let nothing put to shame
The sacred flag they hear.

Let no fear them dismay,
Of such as only can the body kill;
But never can the blood of freedom spill,
The life of justice slay.

For justice make them strong,
Let none turn back or slacken his right hand,
Till laws of right be 'stablished in the land,
Made sore by laws of wrong.

Shouldst Thou send pain or death,
Comfort the soul with thoughts of duty done,
And in the noise of battle, lost or won,
Hear thou the last low breath.

Nor let our spirits fail,—
But give us strength e'en not to weep too sore,
For those whom we may see on earth no more,
If so Thy will prevail.

AMEN.

DELAYS OF THE MAIL SERVICE.

SIR.—Last evening the mail train arrived in this city with a small New Brunswick mail at 9.30, leaving the largest and most important part of our mail at Point du Chene. We will likely receive it to-night, twenty-four hours after it should be here. Why cannot this mail come by Pictou, if the Steam Navigation Company cannot bring it by Point du Chene? Under present steamboat arrangements it would reach us four hours sooner, and for that matter why not have the Minto leave Pictou every night on arrival of the late train. If the people of this province rightly understood the matter both the Stanley and the Minto were built to facilitate our mail and passenger service. It seems too bad that both should lie at the wharf while the mails for the whole province are delayed twenty-four hours. Have our post office officials no interest or ability to make an effort to remedy this state of affairs. Navigation may remain open at Summerside for some time yet, and have we got to put up with this d[illegible]?

A GOOD RUN.—The Halifax Herald says: Schooner D. M. Owen, Captain A. B. Cook left LaHave for Alberton, P. E. I., three weeks ago Monday. Arriving there she took in cargo and left for home on Saturday, the 19th, and arrived off Easter Point at 8 o'clock Tuesday morning. The run from Canso to Easter Point, 155 miles, was made in 13 hours and 55 minutes, making 11 miles an hour the entire distance, which is fast sailing for a 59-foot craft.

SALVATION ARMY.—The lecture of Major Pickering last evening drew a full house and was well worthy of a much larger place than the S. A. Barracks. The lecture contained important matter for the historian, and was at times simply eloquent. Those who have read General Booth's famous book entitled "Darkest England and the way out of it," will have some conception of the facts placed before the people last evening. Major Pickering, accompanied by Lieut. Urquhart, left for Nova Scotia this morning.

SOLDIERS' WIVES LEAGUE.—An organization having the above title has been formed at Ottawa, under the Presidency of Mrs. Hutton, wife of the Major General Commanding the Militia. Branch Leagues have been formed at Montreal, Quebec and other cities in Canada. The object of the League is to bring the wives, mothers and sisters of all soldiers together, whether of officers, non-commissioned officers or men, into closer touch and sympathy with one another so that, whether in sickness or health they may be able to mutually aid and assist one another and their families in times of difficulty, troubles and distress. It is proposed to organize a League in Charlottetown, and to this end the wives, mothers and sisters of men belonging to the [illegible] force are invited to be present at a meeting to be held on the afternoon of Wednesday 13th December, at 3 o'clock, at the residence of Mrs. F. S. Moore, Prince Street.

Y. M. C. A.—The meeting held in the Y. M. C. A. Hall last evening to discuss the work of restoring the institution to its old time standard was in every way a success. Quite a number was present, and many of these took an active part in the discussion. Mr. Sean [illegible] opened the meeting and called upon Mr. Marshal who conducted it to the close. The [illegible] side of the work was brought up and the next [illegible] meetings will be held in the P[illegible] at 4 p. m. The want of a general [illegible] was considered by some to be one of the drawbacks of the Y. M. C. A. [illegible] and a committee of five was appointed to take [illegible] the matter. Most of those present expressed their willingness to cooperate in the work of advancing the institution. Rev. [illegible] Williams and J. J. [illegible] were present and took part in the discussion.
