Marshland Reclamation Projects Include Work In Johnson's River Area

A large amount of marshland has been reclaimed in this Province in the area of Johnson's River, inland on the east side of the Hillsborough River. It was said yesterday by Hon. Eugene Cullen, Minister of Industry and Natural Resources.

The work was done by the Federal Government under the Marshlands Reclamation Act through the erection of a concrete dike and proper drainage.

Pictured above is the type of aboiteaux now being built in Nova Scotia and New Brunswick to hold tidal waters. Old works are being reconstructed and new ones built in the Maritimes to help protect 80,000 acres of the most productive land. Most of this work is in New Brunswick.

Most favored type of aboiteaux under construction is the one shown. A timber structure with timber wings contains a sluice through which water passes. Earth is piled on top forming a dike and a criss-cross of stakes and branches driven at an angle holds it in place and prevents erosion.

The second annual Maritime Conference, Young People's Union, United Church of Canada, will be held at Trinity United Church, Charlottetown, Oct. 11, 12, and 13.

The plans for this convention include an opening banquet under the leadership of Miss Jean Furry, who is Maritime President of the Young People's Union. The guest speaker will be Rev. W. B. F. Corkum of Bay Fortune. After the banquet will be Bible baseball by Miss Marion Settle of Dartmouth, concluding with the theme lecture and closing worship led by Rev. C. D. Matheson, Summerside.

On Sunday morning delegates attending the Convention will be accompanied by their hosts and hostesses with whom they are billeted in an afternoon reception. An interesting tour has been planned which includes a visit to the Provincial Buildings and Confederation Chambers, Government House and the Experimental Farm. The remaining portion of the afternoon will be spent in singing spiritual selections led by the Mt. Allison Quartette and a short program, after which a buffet supper will be served by the Trinity Y.P.U.

The evening church service at 7 p.m. will be the Convention service with Rev. C. D. Matheson as speaker, assisted by Miss Evelyn Underhazy and Miss Jean Furry. At the close of this service a sacred concert will be held under the direction of Rev. L. M. Murray of Kensington.

On Monday morning breakfast will be served at the Church by members of the Y.P.U. Charlottetown, after which will be held the election of the new executive, reports and other business. Following this, Christmas and a short program, after which a buffet supper will be served by the Trinity Y.P.U.

The following nursery supplies were given to the hospital: 207 nighties, 48 headshaws, 24 bath mats, 11 bassinette linings, 12 stainless steel jars, 24 oil dispensers. Scots Play Hosts At Cabaret Dance

The 7th Charlottetown Scout Group and Cubs were hosts to their parents at a cabaret dance in the recreation room of St. Paul's Parish Hall last evening. More than 150 took advantage of the opportunity to enjoy the evening's entertainment and to encourage the Scouts and Cubs in their work.

Scoutmaster F. W. Jelks assisted by troop leaders Frank Mellish, Bill Ives and Lloyd White arranged the entertainment in which they were encouraged and supported by Mrs. Jelks, Mrs. Dr. Murchison and Mrs. Helen Duvar, representing the Ladies' Auxiliary of St. Paul's.

Invited guests present included Mr. and Mrs. R. C. Parent, both of whom recently received recognition at the hands of the Governor General when he presented each with an award from the Dominion Boy Scouts Association in appreciation of long and effective activity in Scout work.

Following the dance, refreshments were served by the Scoutmaster under the supervision of the committee from the Ladies' Auxiliary. Boys of the 7th Group have assumed the responsibility of providing uniforms and equipment for six boys from Mt. Herbert Orphanage.

A trio consisting of Waldo Munroe, Rae Simmons and Red Sautry, provided music for the dancing.

Child Struck By Passing Motor Car

Wanda Chinery, three-year-old daughter of Mr. and Mrs. Edward Chinery, 150 Elm Ave., was struck by a southbound car on Elm Avenue at 4 p.m. yesterday, and received injuries reported as not severe. The car was driven by Mr. Thomas Dunn of Southport, accompanied by his wife and young daughter, the latter receiving minor injuries as her face crashed into and broke the windshield when her father applied the brakes.

The Chinery child is reported to have run from the curb on the right side of the Avenue striking the car and being thrown four feet to one side. She was taken to the P. E. Island Hospital by Mr. Sheldon Jay, who was passing in a car at the time, and was reported as resting comfortably at a late hour last night.

Fine Safety Record By C.N.R. Division

An outstanding safety record was made by the Island Division when it had the lowest frequency accident rate of the Canadian National Railways in Canada, based on a per million man hour work rate during the year.

The local Division was awarded the Regional Vice-President's award for the Atlantic Region. The system of special awards on the C. N. R. was recently announced and has trophies for regions, districts, divisions and main shops. In all there are 11 trophies in the form of silver and bronze plaques, mounted on polished wooden shields. They are presented for "outstanding performance" in reducing employee casualty rates.

Announcement of the award was made locally yesterday by the Division Director, who is under direction of Superintendent C. T. Montgomery who has long been interested in promoting safety work among Island employees.

Marked Variations In Temperature Noted

An interesting observation was made by Mr. Warren Burns, meteorological observer at the Experimental Farm regarding frost records yesterday, in discussing variations. There was a distinct frost freeze at Hunter River on Wednesday night, while at nearby Fredericton, where the ground is higher, no effects were shown.

This condition prevails throughout the Province as a difference between hills and valleys, when the margin of cold variation is slight. Grass temperature at the Farm was exactly at freezing point.

Mr. Burns reports a precipitation in September of 1.51 inches, the second lowest for records which date back to 1910. The driest September month was in 1950 when only 1.05 inches of rain was recorded. The average for September over the 40 year period was 3.95 inches.

Hours of sunshine recorded for the month 228.7, the highest since 1917 when the peak of 246.5 was reached and the lowest in 1921 when only 229 hours was recorded. The average over the years was 178.3 hours.

The earliest date for frost killing was October 1st, 1936 and the latest October 31st, 1913. This refers to the Experimental Farm area only, and not throughout the Province, as indicated in the reference to variations on hills and valleys. Temperature taken at a height of three and a half feet above ground, as compared with one inch above, varies as much as nine degrees. It being colder nearer the surface.

Members of Conference executive attending are as follows: President—Jean Furry, Saint John, N.B.; Past President—Don Reid, Shubenacadie, N. S.; Secretary—Helen MacKay, Moncton, N. B.; Treasurer—Wallace McPherson, Dominion, N.S.; Elected Secretary—Rev. J. E. Davidge, Sackville, N. B.; Commissioners—Anna Hamilton, Springhill, N.S.; Shirley Schott, Moncton, N.B.; Parker Jewell, York, P.E.I.; Jean Boswell, Truro, N.S.; Shirley Ettinger, Truro, N.S.; Leadership Education—Marion Settle, Dartmouth, N.S.; Publication—Jean Schurman, Amherst, N.S.; Evelyn Underhazy, Montague, P.E.I.; Gladys MacMillan, Charlottetown, P. E. I.; Ralph Raynor, Mt. Herbert, P. E. I.; Member at Large—Alma King, Glace Bay, N.S.

20th Anniversary Of Hospital Corner Stone

Today, October 10th, marks the 20th anniversary of the laying of the corner stone of the present P. E. I. Hospital. The inscription on the stone reads as follows: "The corner stone of this building—a house dedicated to the cure and healing of the sick—was laid October 10th, 1932 A.D."

The corner stone was officially laid by Mrs. Taylor, widow of the late Dr. Francis P. Taylor, one of the founders of the first P. E. I. Hospital, in the presence of a large concourse of citizens of the City and Province.

This official opening was the culmination of financial efforts on the part of many of our leading citizens, among them the late Mr. W. K. Rogers, chairman of the trustees, and the late Mr. E. A. MacLeod, also a long time member of the board, and the one who in large measure was responsible in securing the present site of some six acres from the Government for the purpose of erecting a new and

up to date hospital building. At the opening ceremonies it was stated by a high hospital authority from Toronto that the new P. E. I. Hospital, then being officially opened, was really some 10 years ahead of its time in point of equipment.

Two years earlier a campaign for raising hospital building funds was inaugurated under the direction of a Professional Campaign Director, with 100 men and 100 women, divided into teams of 10 each, as canvassers to solicit contributions or subscriptions. The result of this campaign was a marked success, and from that beginning the present Hospital became an accomplished fact. During the past 20 years the hospital has served the City and Province well.

Since the main building was erected a Veterans' Wing has been added, also a Nurses' Training Home, both of which add much to the facilities of the original building.

IN MEMORIAM

MRS. HILDA WATSON

There passed away at the Boston City Hospital, Boston, Mass., on August 29, Mrs. Hilda Watson, wife of the late C. William Watson, veteran of World War Two, in her 50th year.

A native of Canoe Cove, P. E. I., she was the daughter of Mrs. Mary MacNeven and the late James A. MacNeven.

She had been a patient in Boston City Hospital for quite some time in the spring and early part of the summer, but her health improved so that she was able to return to her home and be about, until two days previous to her passing, when she was again stricken and had to re-enter the hospital. Her sudden passing came as a great shock to relatives and friends both in P. E. I. and in Roxbury, Mass.

She resided with her sister Mrs. Gertrude MacEachern, 3 Regent Court, Roxbury, Mass., since the death of her husband four years ago.

Besides her aged mother she leaves to mourn the following sisters and brothers: (Gertie) Mrs. Neil T. MacEachern, Roxbury, Mass.; (Adella) Mrs. Arthur Polard, New Haven; (Jessie) Mrs. Charles MacDougall, New Haven; (Mary) Mrs. Seldon Drake, Clyde River; (Roderick) St. Avaris; Dan, James and Milton, all of Canoe Cove.

The funeral was held from the Glandstrom Funeral Home, Roxbury, Mass., on September 2nd. Rev. James Ryder officiated. Burial took place in Mount Hope Veterans' Plot.
