# Gromek Wins 7th Game As Tigers Defeat Athletics 8-3

**By THE CANADIAN PRESS**

Detroit's Steve Gromek matched his entire 1953 victory total and became the major league's first seven-game winner Tuesday, breezing to an 8-3 victory over the slumped Philadelphia Athletics in the American League.

The 33-year-old righthander has lost only once this season.

The Tigers backed Gromek with a 14-hit attack including rookie Frank Bolling's two-run homer.

Lefthander Morrie Martin, hammered for six runs and nine hits in four innings, dropped his third game against one victory. Art Dittmer pitched the last four innings for the Athletics.

Jim Finigan and Bill Renno slugged Gromek for home runs but both blows came at the start of an inning and proved nothing more than an annoyance to the veteran hurler.

**PHILADELPHIA (AP)**—Singles by Danny O'Connell and Del Crandall and a triple by Johnny Logan added to a four-run sixth inning Tuesday night as Milwaukee Braves downed Philadelphia Phillies 6-2 in the National League.

Until the fourth inning, losing pitcher Curt Simmons was working on a no-hitter. Ed Mathews got a broken bat single to break the spell.

The Braves profited by Grantham's sixth-inning error and ran away with the game from then on. Simmons still held a 1-0 lead until Hamner booted Art Pafo's ground ball. Simmons had fanned six and given up three hits until then.

**NEW YORK (AP)**—St. Louis Cardinals Tuesday night overpowered New York Giants 9-3 in the National League after scoring six runs in the first two innings.

The Cards shelled Larry Jansen and Jim Hearn from the mound before Johnny McCall checked the opening rush after five runs had poured across in the second inning.

St. Louis scored once more in the sixth on four hits and got their final two in the eighth on Red Schoendienst's first homer of the season.

Gerry Staley picked up his third victory against three losses as he scattered seven hits. The defeat was Jansen's first after two successes.

# Dairy, Keefers Win Ball Games

The Sunshine Island Dairy defeated the City Slickers 15-4 and Keefe Drug downed the Parkdale Lions 12-6 yesterday evening in exhibition softball games.

Art Ballem started on the mound for the Dairy men and retired after three innings for Billy MacLean. Dick Doyle pitched for the City and was relieved in the late innings by Sonny Stull.

Ken MacPhail was the winning pitcher for Keefe Drug. David Chisholm pitched five innings for the Lions and Keith Dalziel went the last two.

# Gil Hodges Heading For New Records In N. L.

**NEW YORK (AP)**—If Gil Hodges maintains his grand slam pace of the past five years, he appears a cinch to break the National League record for most home runs with the bases filled and may even threaten the major league mark.

The powerful built Brooklyn first baseman smashed his 10th grand-slam Sunday to move within two of the league record of 12 established by Rogers Hornsby 20 years ago and equaled by Ralph Kiner last season. Lou Gehrig holds the major league mark of 25.

It took Hornsby 30 years to accumulate his dozen grand-slams. Kiner, the only active National League player with more four-run blows than Hodges, needed only eight years to collect his dozen.

Hodges' hurry-up pace is making Kiner's seem slow by comparison. Gil hit his first grand slammer on May 14, 1949, his second full season in the majors. Five years and two days later, he collected his 10th. Only 30 years old, the Indiana strong boy figures to have at least five or six more seasons.

Only 10 players have hit more home runs with the bases full than Hodges. Gehrig's 23 outdistances all

Sid Flaherty, manager of Olson, wired the news Tuesday a president Jim Norris of the International Boxing Club. Flaherty however, stipulated that Giardello second ranked contender from Philadelphia, must be the leading contender at the time.

Giardello could lose his ranking if he gets beaten by France's Pierre Langlois at Madison Square Garden Friday night.

# MacLeod, and Charlie Peters

A motion was passed to the effect that the nine greens be closed to competition, and temporary greens be opened up until the regular greens are ready, about July 1.

There was considerable discussion regarding the advisability of hiring a pro, and the president was instructed to look further into the matter.

Mr. Daley thought it should be stressed that social members have the privilege of bringing guests to the club when they so desire.

Club fees were set at the same rates as last year.
