The Examiner.

SPECIAL NOTICES.

Holloway's Pills.—Bilious affections induced by atmospheric changes, or too liberal diet, should be checked at once, or serious consequences may ensue. When any one finds his ideas less clear than usual, his eyesight dimmed, and his head dizzy, which indispose him for all exertion physical or mental, he may be quite sure that he is in immediate need of some cooling and purifying medicine. Let him send at once for a box of Holloway's Pills, which will free him from his sufferings, and speedily renew his usual healthful feelings. If the bowels be irritable Holloway's Ointment should be rubbed over the stomach and liver every night and morning; it will wonderfully augment the corrective power of the Pills.

TO DYSPEPTICS.

All who suffer the tortures which this disease inflicts in one form or another of its many phases, can be permanently and speedily cured by using **The Oxygenated Bitters.**

The "Weekly Novelette" of Sept. 18, says:

Dyspepsia is one of the prevailing diseases of our country. This is owing both to climate and the almost universal habit of eating our meals too rapidly to admit of proper digestion. But in spite of these adverse circumstances, this disease, even when it has become chronic, disappears rapidly by the use of the Oxygenated Bitters, which have been found to prove an infallible remedy.

From Mr. JOHN D. NASH,
Well known throughout the British Provinces as an extensive Auctioneer.

HALIFAX, N. S., June 16, 1860.

Messrs. SETH W. FOWLE & Co., Boston, Mass.,

Gentlemen:—Having a very high estimation of the value of the OXYGENATED BITTERS, for *dyspepsia* and *debility of the digestive organs*, I take pleasure in giving you a statement of their operation in my own case. Several years since I was severely afflicted with a most aggravating form of DYSPEPSIA, which rendered my ordinary duties a burden. I tried many remedies with no benefit, until I made use of the OXYGENATED BITTERS, and I can say with the utmost confidence that THIS REMEDY ENTIRELY ERADICATED EVERY SYMPTOM of which I was suffering, by the continued use of eight bottles although the first bottle produced a decided change for the better. I consider this remedy to be of inestimable value to those whose stomachs have become deranged by the use of intoxicating liquors or by high living. I now keep them by me, and find their use to be a great promoter of good health.

Yours respectfully,
JOHN D. NASH.

Prepared by SETH W. FOWLE & CO., Boston, and for sale by W. R. WATSON (general agent), T DESBRISAY and M. W. SKINNER, Charlottetown, and by Druggists generally.

Rev. Sylvanus Cobb thus writes in the "Boston Christian Freeman."

MRS WINSLOW'S SOOTHING SYRUP.—Are all the mothers who read the "Freeman" acquainted with this article, which we have advertised for the last few months? We would by no means recommend any kind of medicine which we did not know to be good—particularly for infants. But of this Syrup we can speak from knowledge; in our own family it has proved a blessing indeed, by giving an infant troubled with colic pains quiet sleep, and its parents unbroken rest at night. Most parents can appreciate these blessings. We are entirely opposed to the prevalent practice of drugging infants, and would sooner lose our night's rest than consent to such a course. But here is an article which works to perfection, and which is harmless; for the sleep which it affords the infant is perfectly natural, and the little cherub awaks as "bright as a button." And during the process of teething, its value is incalculable. We have frequently heard mothers say they would not be without it from the birth of the child till it had finished with the teething siege on any consideration whatever.

We have spoken of this Syrup for the benefit of our readers who are parents. We know its good value, and have experienced some of the rich blessings which result from its use. Mrs. Winslow is no quack, but a woman of long experience as a Nurse and Female Physician.

AYER'S SARSAPARILLA

Is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the disease Sarsaparilla is reputed to cure. Such a remedy is surely wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow citizens. How completely this compound will do it has been proved by experiment on many of the worst cases to be found in the following complaints:

SCROFULA AND SCROFULOUS COMPLAINTS, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AFFECTIONS, MERCURIAL DISEASE, DROPSY, NEURALGIA OR TIC DOLOUREUX, DEBILITY, DYSPEPSIA AND INDIGESTION, ERYSIPELAS, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt people enjoy better health, and live longer, for cleansing the blood.—Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure.

The Greatest and Best Invention of the Age
FOR FARMERS.
Manny's Patent MOWING and REAPING Machine

ONE acre of Hay or Grain cut on rough or smooth land in an hour, for less than one shilling cost, with the assistance of four or five joined in the purchase of one of those ever renowned *labour-saving Manny's Patent Mowing and Reaping Machine combined.*

Now on Exhibition and Sale, with Witcomb's Patent Horse Hay Rake, and Brown's Patent Horse Pitch Fork, at *Orwell Cheap Store*—cheaper than the cheapest Country Store on the Island, and with the greatest variety, from a Needle to an Anchor.

3 Gold, 6 Silver Prize Medals, and $100 Cash have been awarded

At the Crystal Palace and State Fares of America, where Manny's Machine has been fully tested with several other Machines, and proved to be the best, safest, most durable and cheapest Machine of the kind ever offered to the public, for saving time, labor and expense to the Farmers, by which five weeks labor and cost can be saved over the old fashion mode of harvesting with hook and scythe, which will pay a fifth share of the entire Machine in one season. It can now be got if four or five in a Settlement join together, and for which time will be given for payment by the Subscriber, for all those ordered by the 20th of May, so as to have them ready in time for harvest, to enable the Farmers to ship their produce in good weather, and a month sooner, and not fear having too much grain ripe at once, when one of these money saving machines can be had on such favourable terms and easy payment, at Orwell Cheap Store.

This is an opportunity that cannot be got every day, to clear and make large farms, and have a month's work done by lads 16 or 18 years old, in one week. This is coming up to Telegraph operation, and will make the Farmers independent, and look out for better times and more produce.

These wonderful Machines are invaluable to Ship-builders and Sea-Captains, Mechanics, Teachers, Widows, and all those whose time is more valuable at other callings, and will be set up by the maker. A trial given of them, and warranted fully perfect, or taken back.

Annexed are a few testimonials from some of our most extensive Island Farmers, that can be depended on, and who are willing to give satisfactory reference, if called on. Further particulars known from

PATRICK STEPHENS, Agent,

N. B.—All parties wishing to use any of these Machines, would do well to roll the land in time for them—*this is important.* P. S.

Certificates.

We certify that each of us have purchased one of *Manny's Patent Two Horse Mowing and Reaping Machines*, the operation of which we are highly pleased with, and it has proved much more satisfactory than we expected, having performed all our work much better, and at less cost than hand labor, and having our hay and grain secured nearly five weeks sooner than our neighbours, with the old fashion scythe and hook.

We consider *Manny's Machine* the most valuable invention ever discovered, or seen on this Island, for the benefit of the Farmers, and strongly advise every one requiring such to secure them in time, if they can arrange in any way to have one in each settlement, when the benefit will be found to save money and time—so valuable to farm workers.

N. B.—Any one wishing to see our Machine, can call at any time, or to the agent, at Orwell Cheap Store, where one is on exhibition and sale.

I certify that I had one of *Manny's Patent Two Horse Mower and Reaping Machines* at work on my Farm last season, and found it proved admirably well, and far superior to any one of the kind I ever saw in England, or on this Island; and had I not succeeded in getting the use of it, I should have lost a great quantity of my grain, it having got ever ripe, and I could not get men to hire at any wages at the time. I found it much less expense, and the work better done than by hand. My opinion is, that when these Machines are a little better known, no Farmer that wants to save money, or time, will be without one.

April 22, 1861. JOHN DOUSE, Port Selkirk.

"I hereby certify that I have purchased one of Manny's Reaping and Mowing Machines last summer, and I can testify to its superior construction and capabilities to perform the work for which it is designed in a first rate style. I have cut over very rough as well as smooth ground, and on all occasions its work was done well. I have also cut with it for several of my neighbours, and all were highly delighted with its performance. I can truly say it is one of the most useful articles that has been brought to this country, and I have no doubt it will be extensively used, as it saves considerable time, labour, and expense, which all farmers wish for.

THE DOCTOR FOR ALL!

HOLLOWAY'S PILLS.

Chest Complaints.

No diseases are more frequent, few more dangerous, than affections of the respiratory organs. The first symptoms of catarrh, bronchitis, and influenza, may always be radically removed by Holloway's renowned Pills. They quickly remedy any temporary stagnation of blood, relieve any overgorged veins, moderate the hurried breathing and enable the lungs to do their office with ease and regularity. These Pills, by their purifying powers, cleanse the blood from all impurities, and fortify the system against consumption, asthma and similar complaints.

Stomach, Liver, Kidneys, and Bowels.

From various causes these organs are frequently getting out of order, and require some suitable medicine to regulate them. Holloway's Pills effect this object with wonderful celerity and certainty. They do not distress the system or weaken the frame; they thoroughly invigorate the digestive organs. They gently excite the stomach and liver, stimulate the kidneys to perform their functions efficiently, and act upon the bowels without griping or any other annoyance; again taken an hour before dinner, they cannot be equalled as a "Dinner Pill" as they entirely prevent acidity, flatulency, nausea and biliousness.

Windy or Watery Dropsy.

Whoever is afflicted with these complaints, should at once have recourse to Holloway's Pills. They act most energetically on the glandular and absorbent system, purify the blood, and impart a vigour which age or other causes may have temporarily taken away. They excite the kidneys to increased activity, and thereby stimulate the absorbents to remove the fluid already collected.

Disorders Peculiar to Women.

There is no medicine equal to Holloway's Pills for correcting the ailments incidental to females. They may be taken with safety for any irregularity of the system. As they remove all cause of maladies, and so restore, by their grand purifying properties, females of all ages to robust health.

Influenza, Diptheria and Sore Throat.

How all important it is to check the first departure from health! all may do so by taking Holloway's Pills, without risk of restriction. In all diseases affecting the blood, nerves, and muscles, or in cases of fever, sore throat, colds, cough, asthma and shortness of breath the earlier they are taken the better.

Children's Complaints.

Diseases incidental to children, such as feverish attacks, scarlet fever, measles and all diseases of the skin, may be immediately checked, and soon cured by these purifying Pills, which may be reduced to a powder, and given in doses of one two or three nightly, according to the age of the sufferer. Holloway's Ointment is soothing, cooling and healing, and is better adapted than any other remedy for all external ailments.

Indigestion, Bile and Sick Headaches.

No organ in the human body is so liable to disorder as the liver, and none is more apt, when neglected, to become seriously diseased. When nausea, flatulency or acidity on the stomach, warns us that digestion is not proceeding properly, Holloway's Pills regulate every function, give strength to every organ, speedily remove all causes of indigestion, bile and sick headaches, and effect a permanent cure.

Lumbago, Rheumatism and Gout.

In these diseases, the blood is always in a highly inflammatory state; the stomach is also disordered, and the liver and kidneys unnaturally torpid. A few doses of these Pills, taken in time, will directly allay these symptoms by their cooling and purifying properties.

Holloway's Pills are the best remedy known in the world for the following diseases:—

Ague	Dysentery	Liver complaints	Tic-Douloureux
Asthma	Erysipelas	Lumbago	Tumours
Bilious Complaints	Female Irregularities	Piles	Ulcers
Blotches on Skin	Fevers, all kinds	Rheumatism	Venereal Affections
Bowel complaints	Fits	Retention of Urine	Worms, all kinds
Colics	Gout	Scrofula, or King's Evil	Weakness, from whatever cause
Constipation of the Bowels	Head-ache	Sore Throats	&c., &c.
Consumption	Indigestion	Stone and Gravel	
Debility	Inflammation	Secondary Symptoms	
Dropsy	Jaundice		

Sold at the Establishments of Professor Holloway, 244, Strand (near Temple Bar) London; also at all respectable Druggists and Dealers in Medicines throughout the civilized world, at the following prices:—1s 1½d. 2s 9d, 4s 6d, 11s, 22s, and 33s each box.

There is a considerable saving by taking the larger sized Box.

N. B.—Directions for the guidance of patients in every disorder are affixed to each Box.

Visit of DR LA'MERT, of LONDON, to the North American Provinces.

DR LA'MERT, of Bedford Square, LONDON, Member of the Royal College of Surgeons of England; Licentiate of the Royal College of Physicians of Edinburgh, &c; Author of 'SELF-PRESERVATION,' the 'SCIENCE OF LIFE,' and 'SECOND LIFE,'—begs to intimate to his Patients and the Public that he purposes, in August, making a Professional Visit to the British North American Possessions, commencing with HALIFAX, N. S.; and that he will afterwards visit ST. JOHN, N. B., and LOWER and UPPER CANADA.

Due notice will be given in future advertisements of Dr. La'Mert's arrival and of his place of residence in the several towns in which he may be consulted, either personally or by correspondence. In making this intimation, Dr. La'Mert wishes to point out to patients the advantages that invariably result from a personal interview, and the unusual facilities that will be afforded to those who are desirous of bringing their case under his immediate supervision. Dr La'Mert, moreover, cannot too strongly urge on those who have already been under his care, or who may now be in correspondence with him, the eligibility of the occasion that will present itself of clearing up any doubts that may have existed in regard to their cases, and would particularly impress upon them the importance of their putting themselves as quickly as possible into personal communication with him during his necessarily limited stay, which under no circumstances can be prolonged beyond the dates hereafter to be announced.

In order that no obstacle may be presented to the completion of the treatment in such cases, Dr La'Mert will be provided with the correspondence, notes, &c. connected with each individual case in the Colonies that has come under his care during the past three years. Those who contemplate availing themselves of Dr La'Mert's services are recommended, in the interim, to procure from one of the undermentioned Local Agents his work on

SELF-PRESERVATION;

A Medical Treatise on Nervous Debility and Functional Weakness, more particularly in reference to the Infirmities and Disorders of the Generative System, with numerous Engravings and Descriptive Cases.

Contents.

SECTION I.—The Physiology of the Generative Organs.
SECTION II.—Puberty—Manhood—The Morale of Generative Physiology—True and False Morality.
SECTION III.—Marriage in its Social and Physical Relations—Happy and Unhappy Unions—How to secure Healthy Offspring.
SECTION IV.—Youthful Abuse—The Secret Causes of Nervous Debility, Impotence in Man, and Sterility in Man and Woman.
SECTION V.—Spermatorrhœa, or Chronic Impotence: its History, Causes, and Moral Consequences—The Sterility of Age

The object of the work is not to maintain any particular hypothesis, but to enable every one to understand for himself the structure and functions of the organs concerned in the fulfilment of the Physical Obligations of the Married State; to acquaint him with the consequences arising from excesses; to prevent unnecessary misapprehension from unfounded fears, and to indicate, when those fears are well founded, the means of speedy relief. The work is not crowded with the technicalities of ordinary professional books, nor does it present the crudeness which characterises the so-called "popular works" on the subject.

"SELF-PRESERVATION" may be had in a sealed envelope, price One Shilling sterling, of Messrs. Chubb and Co, St John, N. B.; E. G. Fuller, Express Agent, Halifax, N. S.; or the Author will forward it, post free, on receipt of Colonial postage stamps to the amount of Eighteenpence sterling.

AYER'S CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856.

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

ASA MORGRIDGE.

As a Family Physic.
From Dr. E. W. Cartwright, New Orleans.

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Headache, Foul Stomach.
From Dr. Edward Boyd, Baltimore.

DEAR BRO. AYER: I cannot answer you *what* complaints I have *cured* with your Pills better than to say *all that we ever treat with a purgative medicine.* I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.

PITTSBURG, Pa., May 1, 1855.

DR. J. C. AYER. Sir: I have been repeatedly cured of the worst *headache* any body can have, by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect, ED. W. PREBLE,
Clerk of Steamer Clarion.

Bilious Disorders—Liver Complaints.
From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of *bilious complaints* than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR,
Washington, D. C., 7th Feb., 1856.

SIR: I have used your Pills in my general and hospital practice ever since you made them, and do not hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of *bilious disease* so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D.,
Physician of the Marine Hospital.

Dysentery, Diarrhœa, Relax, Worms.
From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for *bilious dysentery and diarrhœa.* Their sugar-coating makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood.
From Rev. J. V. Himes, Pastor of Advent Church, Boston.

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES.

WARSAW, Wyoming Co., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and *purify the fountains of the blood.*

JOHN G. MEACHAM, M. D.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc.
From Dr. J. P. Vaughn, Montreal, Canada.

Too much cannot be said of your Pills for the cure of *costiveness.* If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe *costiveness* to originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Boston.

I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the *natural secretion* when wholly or partially suppressed, and also very effectual to *cleanse the stomach* and *expel worms.* They are so much the best physic we have that I recommend no other to my patients.

From the Rev. Dr. Hawkes, of the Methodist Epis. Church.

PULASKI HOUSE, Savannah, Ga., Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating *neuralgic pains*, which ended in *chronic rheumatism.* Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

SENATE CHAMBER, Baton Rouge, La., 5 Dec., 1855.

DR. AYER: I have been entirely cured, by your Pills, of *Rheumatic Gout*—a painful disease that had afflicted me for years. VINCENT SLIDELL.

☞ Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

Price, 35 cents per Box, or 5 Boxes for $1.

FINE ARTS.
"A thing of Beauty is a joy forever."

R. R. MACLELLAN returns his sincere thanks to the inhabitants of Charlottetown and the Island generally, *particularly to the Ladies*, for the very liberal patronage he has received since his arrival in the Colony; and would respectfully inform the public at large that he has removed his Picture Gallery to the Building immediately opposite the Catholic Cathedral, where he is prepared to take Photographic Portraits in every branch and style of Photography, with all the late improvements. Having had 15 years experience in the practice of the Fine Arts, viz: Painting and Sculpture in concert in their various departments, and 5 years in the magic field of Science, in which he is now operating, the subscriber is confident that he can impart to his Pictures an amount of *grace, truth* and *beauty* unobtained by any person who has not had the same opportunity.

N.B. Having built a Saloon with a powerful sky-light, and having every facility for taking Likenesses, satisfaction will be given in all cases. We particularly request all Pictures henceforth sent from this Gallery to be compared with those taken by other parties: see the delicacy and pearl-like softness of the flesh colours; look at the manner in which the drapery is rendered, and behold the artistic arrangement of *light* and *shade*, and you will exclaim it is an *inimitable gem of art.* Pictures taken on enamelled Cloth may be sent in letters, without any additional postage. This process is exceedingly beautiful, and in point of purity and richness of tone resembling gems of the first water. Is the day too dark? this is a question often put—to which we answer, there is no day too dark whilst the sun is up.

All persons wanting Pictures should attend immediately. Parties wanting a number of Pictures should make a morning's call, as the subscriber has always a full house during operative hours.

Our prices in each department are as follows: Photographic Pictures, or the so called Ambrotype on glass 1s 6d and upwards, according to the richness of case or frame in which they are inserted; Photographs taken on paper for 5s and upwards, and painted in oil and water colors to the life; Portraits painted in oil life size for £5 and upwards. In our Sculpturing department, we model from the life in which we produce Portraits life size in Plaster of Paris, Sulphur, and Wax.

N. B. We direct particular attention to our cheap ambrotype and Photographic Pictures.
