Centuries ago, people used to fear what they called the pestilence. "Black Death" was the most terrible thing in the world to them. They fear it as people now fear the Cholera and Yellow Fever. and yet there is a thing that causes misery and more deaths than any of these. It is so common that nine-tenths of all the sickness in the world is traceable to it. It is merely that simple, common thing called constipation. It makes people listless, causes dizziness, headache, loss of appetite, loss of sleep, foul breath and distress after eating. The little help needed is furnished by Dr. Pierce's Pleasant Pellets. One pill is a gentle laxative and two a mild cathartic. Once used, always in favor. If you are careless enough to let an unscrupulous druggist sell you something on which he makes more money, it is your own fault if you do not get well. Be sure and get Dr. Pierce's Pleasant Pellets

Send 31 one-cent stamps to World's Dispensary Association, Buffalo, N. Y., and receive Dr. Pierce's 1008 page "Common Sense Medical Adviser," profusely illustrated.

**"My Store"**

We invite every lady to visit our store, walk through, examine the new things in every department, and our staff will be pleased to show you, whether you buy or not. Sentner, McLeod & Co.

Charlottetown Beauty Spot is the name given to Sentner, McLeod & Co's dry goods store by a St. John lady who recently spent a few weeks in our City.

This week is no exception to the rule, as the artistic arrangement of new spring goods of all kinds reminds one of the balmy days of June, rather than the bleak raw winds of March.

Complexion—This is the worst month of the year on the complexion. Sentner McLeod & Co. have received the new things in veiling for spring, the handsomest goods I ever saw in Charlottetown, is what a lady said to her companion while walking through Sentner, McLeod & Co's store yesterday. What a change has taken place she remarked, only a few weeks ago every thing in this department was fur, but now you see such lovely blouses, wrappers & skirts, and the millinery department is now filled with handsome new straw hats.

3 lots of manufacturers samples of blouses, no two alike, marked to sell quick at Sentner, McLeod & Co.

Everyone talking about the pretty new spring goods at Sentner, McLeod & Co's store—and no wonder for we can safely say that never before in the history of Charlottetown has there been such a handsome display of spring novelties at this season of the year. Orders for Easter Hats & Bonnets are coming in rapidly, and Miss Murnan who has just returned with her head brim full of new ideas from visiting some of the most fashionable millinery resorts, is now prepared to fill all orders in first class style, all work guaranteed. Sentner, McLeod & Co.

Miss Murnan who has just returned from abroad has been attending the millinery openings and taking instructions from Mlle Balanger is now prepared to take orders for Easter millinery. We have just opened six cases of millinery including the new things for trimmings in American, English and French novelties. Sentner, McLeod & Co.

If you want style, value assortments visit Sentner, McLeod & Co's Bouse department.
