## FOKES AT NIGHT

By PIUS CALLAGHAN

### Folks Are Still Talking

FOLKS who saw Saturday's City Baseball League action are still talking about it. It was the kind of a game that kept the customers in their seats to the very end and Rovers and Flyers tangled in a real cliffhanger. The Rovers emerged as victors, leaving Rocky Kennedy and his Flyers still hunting for that first triumph of 1962.

It was a great game to win and a mighty tough one to lose but, after all, little battles are always that way. It looked like the Flyers were home free until that mighty blow in the sixth that sealed the score and made way for the Rovers to push across the winning run.

WE saw some pretty fair fielding Saturday in this contest and most of it was provided by teenagers that catch that Bobby Rice made to rob Fochie of at least a double was sensational. We thought John Lane played a strong game at third base for the losers. This young man was picking them up in great fashion. And we thought that Carl McEwan was terrific in defeat. The little southpaw showed plenty of courage but bright Saturday afternoon, Carl was hit by a pitched ball in his very first year at bat. In the top of the third he got a nasty blow behind the ear as he attempted to catch a fly ball, making the pitcher, the Rovers' shortstop called by Carl and the young man was dazed for several minutes.

But he brushed himself off, obeyed manager Kennedy's call to take the mound in relief and stayed on the hill until the ball game was over. Between pitches for the first couple of innings, he appeared to be wincing a good deal from behind that ear.

**Carl Was Great**  
AND Carl had the Rovers at his mercy until the fateful ninth. An error and a safe got him in a bit of a jam but there was no end and two more of McEwan proved the decisive ones. It was at this time that a pitching hero strode to the plate. Rovers' backers were not expecting anything great from the bat of Lefty Dunn. However, Lefty took those two buns runners and then a look at the scoreboard which read Flyers 4, Rovers 2. He was Dunn, the hitter now, not Dunn the pitcher. He was also one of Carl's efforts and a crowd hall salled deep to right. Everybody was on the run, including Lefty. When order was restored, the score was tied and Dunn was perched as third as the result of a fly ball which was caught by the Rovers. The rest was anti-climax as Lefty later scored the winning run on a fielder's choice.

**Flyers Felt Tough**  
NATURALLY the Flyers felt tough about losing this one. They had it in the hat but Dunn proved the troublemaker. McEwan could have felt worse than anybody else because the young Birchwood High student surely deserved a better fate. He was one of the boys known to have a right mind account of themselves and it wasn't in the books for them Saturday. Dunn was not only a stumbling block in a relief role but this time he took his hit along with a two-fifths day at the plate. This was the difference in this City Baseball League encounter. We can't praise this kind of a contest too highly. We missed last Thursday's action but they tell us that 4-2 ball game won by the Flyers was a real beauty. With these kind of games, we can't wonder what baseball fans around these parts want. We'll go on a long way to see action better than these last two contests at Memorial Field.

The crowds (that's hardly the name) are small and promoters and players are wondering just what is the matter. Games are slow and play moves along quickly and officiating is tops this far. What more can you give the cash customers?

**To Fit Out Umpires**  
GEORGE Francis, league president, has informed us that all officials will be decked out with umpires' uniforms before long. George is convinced this will add a bit more color to the already smooth-operating league.

**SPORT OF KINGS**  
**Geo'town Eagles Showing Desire To Be Left Alone**  
By ED CLINTON  
Souris Bureau of The Guardian  
Georgetown Eagles are showing a definite desire to be left alone, in their place. They won their first two games with no difficulty. Then, they lost a close one to Souris. Their next two games were against the teams considered to be top contenders for league honors. Georgetown won both games. Peakes forced them to go eleven innings before bowing, and Mowatt went able to come within one run of a tie. This ability to beat the top teams could be the deciding factor in the winning or losing of first place.

Mount Stewart Hinkins are on a three game winning streak. They lost their first two games and the third was a close one. Mount Stewart was almost a pushover. They're improved immensely since then. A lot of new faces are in the Hinkins lineup this year, and most of the new faces are in the young variety. It always takes these young fellows a few games to get organized, but after coming to terms in action, they are quite sure that they will provide plenty of action for all teams in the schedule ends in August.

Tom and St. Peters could be in trouble. These two teams met in St. Peters last Sunday with Tom winning their second straight game. However, both teams may have lost key players. Jimmy MacAlary, St. Peter's pitcher, was on third base when the ball game was over from the catcher and rolled to the backstop. Seeing this Jimmy took off for home plate. The Tom pitcher, seeing this also took off for home plate. The ball was tossed to Ernie Connolly the Tom pitcher who attempted to hit Jimmy off. Both players ended up in the hospital.

As we write this, we have no record of the most recent of local tests, but early reports indicate that Jimmy MacAlary might have broken ankle, and Ernie Connolly a cracked rib. Both of these players are the top prospects in the league. Ernie has almost single-handedly kept Tom in the playoffs. Jimmy is the leader of their pitching staff. Both are expected to be respectable with the ball in their hands. We have their stats in

## Races Going On Tonight

Last night's scheduled race program at Charlotte's Driving Park was postponed owing to track conditions but the show will go on in its entirety tonight. The 2:30 stake is on the menu and it will be raced in two divisions. Eight starters go in dashes one and two and the top four in each of these dashes clash again in dash five. The bottom four in races one and two have a get together in dash six.

This stake should definitely be a hard fought affair all the way and patrons surely should not be disappointed with the action in these four dashes.

Dashes three and seven have seven good trotters ready for the word and these high steppers are most likely to put on quite a display for the fans. It will be the first local appearance of Roy's 1961 starry son, Flash, and the Song has drawn the choice rail position. Other trotters in these dashes are Ramon, Red Gel, Genesee, Mary Leah, Windy June, Miss Tom Scott and Avalon.

There are a half dozen and a half in the dashes four and five and eight and nine. There is a license to emerge as victor. Victory Mac has drawn the pole position and other entrants are Homestead Lady, Irv Averill, Sister Dawn, Jean Clegg and Miss Paul Kean.

## IN TURF ELITE . . . . . By Alon Meyer

There was the added satisfaction of having favored road, a horse who had been ranked off earlier this year.

With the Inter-Maritime competition behind them, Island marksmen, Saturday afternoon turned their attention to the business of getting into top shape for the July 19 to 21 annual prize meet to be conducted by the P.E.I. Rifle Association at Squaw Point.

Twenty-four sharpshooters showed up for the weekly association prize shoot, and two marksmen, Tye Bob Harvey in class one and Tye Hal Jones in class two led the field, both with aggregate scores of 118 out of a possible 125 over the 200 and 600 yard range.

Four newcomers to the rifle competitions showed up for the first time, and on these Tott, D. Carr came out with top credit, a creditable 86, giving him a 13 point edge over his nearest rival, Cdt. Roy Clark.

In addition to the regular association event next Saturday afternoon, on Monday, the day of which the Dominion Day holiday is being held, the Irwin Printing Company match will be held. This event will be held in the afternoon, with firing starting at 9:00 a.m. sharp, and will consist of 10 shots at 300 yards and 10 shots at 600.

Following are the Leaders in last Saturday's match:  
Cdt. H. Jones 118  
Lt. J. Buel 118  
Tyr. R.L. Clark 114  
A. A. Court 111  
Tyr. D. Johnson 107  
Tyr. K. Dowling 105

# New James May Be Seen In A-Star Game Lineups

By JACK HAND  
NEW YORK (AP) — If the players follow the baseball averages, there will be some strange new names in the starting lineups at the all-star games in Washington, July 10, and in Chicago, July 30.

For instance, if you took the top man in the averages at each position, Willie Mays would be a starter. Neither would Roger Maris, the new Babe Ruth, Eddie Matthews would miss. So would Norm Cash and Roberto Clement, the two batting champs. No Brooks Robinson. No Luis Aparicio.

## Barwise, Jones Top Marksmen

With the Inter-Maritime competition behind them, Island marksmen, Saturday afternoon turned their attention to the business of getting into top shape for the July 19 to 21 annual prize meet to be conducted by the P.E.I. Rifle Association at Squaw Point.
