THE WAR!

MONTENEGRINS DEFEATED.

Russian Respect for the Route to India

Dissolution of the French Cabinet.

The Direct Cable Co.

Nothing Known of the Semi-Official Note

Derby's Note.

(By Telegraph to Reading Room.)

[Owing to some unaccountable reason, neither of special despaches have come to hand for insertion this morning.]

LONDON, June 14:

It is reported that the Turks defeated the Montenegrins and forced the entrance of Duga Pass on the plains before Nicsic.

Dispatches from the Russian Telegraph Agency say that Russia is disposed to respect the route to India; and consequently will not molest the Suez Canal or Egypt, but other matters depend upon conventionalities.

It is reported that President MacMahon has decided upon an immediate dissolution of the French Chamber.

The directors of the direct Cable Company have announced that they are about to wind up the present Company; and form a new one under the same name. The object of this is, to enable the new Company to enter at an effective working agreement with the Anglo-American Company.

A St. Petersburg letter says that nothing is known of any semi-official note to Lord Derby in reply to his dispatch to Gortschakoff; and that up to the present no answer has been despatched.

The Russian Cabinet consider that Derby's note is couched in coarse and unusual terms.
