## THE VIRTUES OF

### PAINE'S CELERY COMPOUND

Are Recognized by The Ablest Physicians.

IT IS THE GREAT SYSTEM BUILDER IN THE SPRING TIME.

It Produces Solid and Healthy Flesh, Makes Pure Blood and Strong Nerves.

The peculiar and distinguishing medicinal virtues of Paine's Celery Compound are fully recognized by the ablest medical men in every part of the Dominion.

In its peculiar power and ability to invigorate the body, to make new blood and to regulate the nerves, lies the great value of Paine's Celery Compound in all wasting diseases and disorders of the kidneys, liver and stomach.

At this season of the year, when thousands are tired, rundown and sick, Paine's Celery Compound comes to the rescue of the shaky and enfeebled nerves and keeps them from utter prostration and ruin, and banishes that feeling of exhaustion that is the cause of despondency, melancholia and depression among men and women of all ages.

Paine's Celery Compound makes solid and healthy flesh, pure blood and strong nerves.

Paine's Celery Compound strengthens the digestive powers, and restores the nervous system when impaired from over-exertion of mind or body.

The best test that can be applied to Paine's Celery Compound is to use a bottle or two at this time when the body needs cleansing and building up.

#### Status of Porto Rico.

St. PAUL, Minn., May 5.—United States District Judge Lochren, in this city, has decided that the ratification of the treaty of peace between the United States and Spain made Porto Rico American territory and subject to the constitution of the United States without any further act of Congress. The decision was given in the case of Raphael Ortiz, a Porto Rican, who is seeking release from the state prison at Stillwater on the ground that his trial for murder by a military court was unlawful because as an American he was entitled to a trial by jury.

## KILLED BY GORDONS.

CANADIANS MET DEATH IN FALLING INTO THEIR TRENCH.

Capt. J. E. Peltier, of Montreal, and not Major Pelletier, as reported, is the French-Canadian officer invalided home, now residing as private guest in a house in the West end of London, suffering from sunstroke and wounds. His left leg, neck, and right leg are temporarily paralysed, yet he talks bravely of going back to the front. His doctor hopes he may be able to leave and recruit his health at Brighton in a week or two. Capt. Peltier confirms the statement that five or six Canadians were killed or wounded in the second action at Paardeberg by accidental bayonetting by the Gordons. As the Canadians fell back on the trenches the Gordons mistook them in the half-light for Boers. Capt. Peltier adds that the Gordons are not for a moment to be held blame-worthy.

#### ARMY POSTAL SERVICE.

Writing on March 21st from Cape Town, where, as chief of the Canadian postal staff, he is stationed at headquarters, Lieut. Ecclestone says: "I have to report that the members of the Canadian postal corps are well, and their work is giving satisfaction both to the army postmaster and the Canadian contingents." Messrs. Johnston and Murray are now in Bloemfontein performing work in connection with the Canadian contingent there, Mr. Johnston having been promoted to the rank of sergeant. The corps is now being paid the same rates as the Imperial corps. Mr. Ecclestone continues: "The weekly mail here is of very large proportions. This week over 400 sacks of newspapers, over 10,000 parcels, and a very large letter mail. The handling of this is rendered more difficult by the fact that lists of sick and wounded are sent in from the various hospitals, and their matter selected. Besides this, the rapid changes in location of troops and detachment of details, make it difficult to effect accuracy. I understand the Australian Government, following the lead of our own, has offered a postal contingent to the Imperial Government. The matter has been referred to Major Treble, and he favors its acceptance, as their services are greatly needed, and he has several times assured me of his appreciation of the thoughtful foresight of the Canadian Government in so promptly sending assistance." Mr. Ecclestone, in closing, alludes to the gallant conduct of the Canadians in recent engagements, which, he says, has earned them high praise in Cape Town.

#### A STRONG BACKING

Commissioner of Wickham, N. B., Civil Courts, Makes an Important Statement.

Wickham, Queen's Co., N. B., May 7.—Mr. G. L. Worden, commissioner of the Civil Courts there, is emphatic in his endorsement of the great medicine, Dodd's Kidney Pills.

"Dodd's Kidney Pills," he says, "have been a wonder and surprise to myself. After over twenty years of suffering with my back and kidneys I am well. Not the least painful part of my trouble was the pain, frequency and poor success in urinating. After using Dodd's Kidney Pills I enjoy the natural, comfortable feeling in the particulars above referred to. I feel like a young man, though seventy-six years of age. I recommend Dodd's Kidney Pills to sufferers, as they do as they are advertised to do."

The new collars for ladies are just in. Call and see them. —Moore & McLeod.

#### What is Needed.

## GENERAL IAN HAMILTON

who has forced a passage northward to Houtnek, ten miles north of Thaba N'Chu, handled the infantry at Elandslaagte and was the first British officer recommended for the Victoria Cross in the present war. He fought at Majuba hill in 1881, and is one of the British general officers in the South African conflict, against whom accusation of incompetence has not been made in the English newspapers.

The debate in parliament on the Spion Kop despatches proved a disappointment to the supporters of the government. The materialist papers confess to a certain amount of inconsistency and weakness in the statements of the spokesman of the government. On the other hand, as the Standard points out, the opposition profess to be well satisfied with the debate as they believe it has injured the government and has rendered Lord Lansdowne's continuance at the war office difficult.

In the latest engagement reported from the Philippines a reconnoitring detachment of the 26th United States Infantry had to retire, leaving 4 killed and 16 seriously wounded men on the field. What the arm chair critics say of the lack of scouting sense among the British troops in South Africa seems applicable to other armies also.

Lord Roberts has adopted the plan of commandeering forage throughout the Free State districts as they are occupied by the British, thus preventing the Boers who return to their farms from again joining the Boer forces.

## ITCHING PILES...

Positively and permanently cured by Dr. A. W. Chase's Ointment.

Dr. A. W. Chase's Ointment is an absolute cure for piles, and has never been known to fail to cure the worst forms of this disease which has baffled medical skill for ages.

This statement may sound rather strong to persons who do not know the superior merits of Dr. A. W. Chase's Ointment, but it is perfectly true, and heartily endorsed by the grateful testimony of thousands of men and women who have been cured by it after years of suffering, and after trying many preparations and consulting the best doctors.

Mr. H. Bull, Belleville, Ont., says: "I take pleasure in stating that after thirty years of suffering with Itching Piles, Dr. Chase's Ointment has completely cured me. I tried every remedy that was advertised, with little or no benefit, but as I have told different persons affected as I was, Dr. Chase's Ointment made a perfect cure."

Dr. Chase's Ointment has a record of cures unparalleled in the history of medicine. It is guaranteed to cure any case of piles. For sale by all dealers, or Edmanston, Bates & Co., Toronto.
