

What CLASS Are You In FOUR UPEI PRESIDENTS GIVE REPORTS

FRESH

Hi! My name is Patti Bradley and I am president of the Freshman Class, 78-79. The Freshman Class constitutes a president, vice-president: Dave Dobson; treasurer: Susan Bulger, and appointed secretary, Judy Rose. It is the duty of the Freshman class to raise money for our graduating year in 1982. So far we have raised \$50.08, our total being \$150.08 as the Student Union gives all classes \$100.00 to start out with; this being credited to their account. Other fund-raising activities for this year are in planning - skate-a-thon, lottery, etc., and any other ideas would be greatly appreciated. Usually, the Freshman Class meets once a month. The attendance at these meetings so far has been very poor. It would be a big help if more Freshmen could attend and offer any suggestions to help us out. Posters designating time and place for the meetings can be found around campus. There should be a meeting next week or early in the following one. Hope to

see you all there! (Well, try for 25!) Thank you for your support.

SOPHOMORE

Sophomore Class Executive:
Anne MacEwen - President
Mary Driscoll - Vice-President
Joanne Peters - Treasurer

The Sophomore Class started off their year with a meeting held in September at which only six members of the Sophomore class were present (excluding executive). Ideas were presented and discussed. Hopefully many of these will come into effect before the end of the year. The Sophomore Class sponsored the Last Pub of the 1st semester which proved successful.

The first meeting of the new year will be held Wednesday, January 17th at 2:30 in the Library Lounge. We hope to see a good Sophomore turn-out.

Remember, ideas and support now are needed for our coming Senior year!

JUNIOR

As Junior Class president

I extend a warm return welcome to all students!

Although the Junior Class didn't do too much this semester, we at least got on our feet. The Junior Class started this year without having done anything as Freshmen or Sophomores but soon remedied that situation. On Nov. 10 we held what I felt was a highly successful party in the Barn. It got off to a slow start but by the end of the evening we had trouble getting people to leave. It was fun! This semester we hope to do better.

The Junior class executive including myself, Shelley Peplar, vice-president, and John Fitzpatrick are very enthusiastic about the coming semester. We hope to sponsor the Spring Co-Ed along with several parties for all of the students - not just the Juniors. We would like to challenge the Seniors at their dance marathon and hold as many activities as possible.

Currently we have \$172,00 in our account which, though not very much, is a good base to start from.

We need your support to raise money for Senior Week so if you hear of any events to be sponsored by the Junior Class, come along!

SENIOR

The executive of the UPEI Senior Class '79 was elected in October. It consists of Betty Brown as secretary, Monty Hennessey as treasurer, Brenda MacDonald as vice-president, and Roger

Roger Sinclair
President
Senior Class

Sinclair as president.

The objective of the executive is the organization and financing of Senior Week. During first semester the class sponsored a pub in the Panther Lounge featuring the Dunsford Brothers, which was quite successful. The class also sponsored the Christmas Dance at the Charlottetown Hotel with the entertainment supplied by Karson. The class owes a vote of thanks to Paula Kelly who handled Heckbert Studios for us - a job complicated by the lack of dependability on the part of Heckbert's.

During the second term the class will be running a raffle consisting of three different draws. The first draw will be for a free course worth \$75 and the draw will be at the Pig 'n Whistle on February 1. We would like to thank our comptroller, Dennis Clough, for the course. The winner can get the prize money at the Business Office.

The class will also be having the annual Senior Class Dance-a-thon the last Thursday and Friday of January. It should be a lot of fun and we encourage anyone who is interested to contact Betty or Brenda.

In order to make Senior Week a success, we need the cooperation of the whole class. If you want to help us out, come to the class meetings. (Time and place of meetings will be posted around campus.) Or contact anyone on the executive.

'79 BOOK EXCHANGE

This semester the Book Exchange is being run by the Freshman Class to raise money for their senior year in 1982. It is held at the Chaplaincy Center and started on Monday, January 8. The Exchange is open from 10:00 a.m. until 4:00 p.m. Anyone wishing to sell old textbooks or to buy texts for the second term are more than welcome to leave them at the Chaplaincy Center where they will be taken care of. The

exchange will be open for the rest of this week, for sure, and maybe a few days next week, depending on the number of books left to sell. People selling their books are urged to keep checking to see if they have been sold, as books which are not picked up are kept and used for future exchanges.

Many thanks are extended to those Freshmen who willingly volunteered their time to run the exchange.
