
MONTAGUE CURLERS GETTING READY

The Montague curling rink opened several days ago for casual curling. This year the management is looking forward to its best year. Membership is expected to be higher and with the competitive spirit running high, several skips have already lined up rinks for competition in the different bonspiels for provincial honors. In the above picture "Duke" MacDonald, a new resident of Montague is pictured laying down a draw rock for his skip. "Duke" who is an ardent deer hunter, cribbage player and interested in other sports is a keen competitor and takes his curling seriously. Recently he and Mrs. MacDonald moved into their new home on the Queen's Road.

Montague Rink To Open Season

MONTAGUE — The Montague skating rink will officially open its doors for the season tonight. For the past few days school children have been taking advantage of a free skate between floods and hoping for the cool weather to continue to assure a good sheet of ice.

Roy Clow, ice-maker for this year, has worked hard to do this and has taken advantage of every minute of frost to do so.

The rink this year is being operated by the Community Welfare League Ltd., and will require volunteers three afternoons a week as well as assistance from the community on Friday and Saturday nights.

Skating will commence tonight 7 to 9 p.m., Saturday afternoon 1.30 to 3.30 and in the evening from 7 to 9. The league is asking for the support of the members to make it possible to carry on the rink for the season. Tickets will be available for the season at the rink on any of the above mentioned skating periods.

Last winter the rink was operated by the Montague Town Council who took on the project with the suggestion that the league reform and be prepared to take over the rink in the future.

During the summer the league re-organized and now has a membership of about 40 members.
