

Sporting Notes.

REASONABLE EVENTS ON LAND AND WATER.

Wm. M. Everts, United States ex-secretary of state, recently came into possession of Gen. Washington's private betting book...

The Directors of the Chatham Driving Park, have arranged to have their largest meeting of the year earlier than last season.

Clark Chief was the grand sire of both the phenomenal trotters of the season—Majolica and Phallos—he having been the sire of Jessie Kirk and Betsy Trotwood...

John Turner offers to match Edwin Thorne, record 2.16 1/2, against Clingstone, record 2.14, for \$2,500 or \$5,000 a side.

Wallace Ross has completed his stake of \$1,000 in the hands of the editor of the Turf, Field and Farm for his race with Hanlan on July 18.

Edwin Thorne, the famous trotter has won seven races this season in straight heats, making the whole twenty-one heats in better than 2.30, and the fastest in 2.19. It is thought it will take 2.12 to beat him.

Collinge, the Englishman who undertook to swim from Albany to New York had to abandon his trip after one day's journey.

John A. Kennedy wants to get on a race with Charles E. Courtney. The pair will probably be brought together in a three-mile go.

Wm. Sheriff, the middle-weight pugilist, has arrived at Philadelphia from England. Arthur Chambers will train him to fight Sullivan.

Geo. Fullames and James Murray will shortly fight for \$1,000 a side and the light-weight championship.

Hosmer talks of challenging any man in America, to a three mile race in sculls, barring Hanlan.

Hanlan and Leo stock is improving, and it is safe to state that they will be favorites on race day in the double-scull contest.

Another single scull race is being arranged between Edward Ross, the brother of Wallace, and Macdonald of Ottawa.

The Olympic athletic club of San Francisco had its premises destroyed by fire the other day. The furniture and fittings were worth \$52,000. The club has 500 members.

The Canadian and Indian lacrosse teams, on their return from England, will be invited by the New York lacrosse Club to play matches and give exhibition games in that city.

New York can boast another remarkable team of trotters able to beat 2.20, making the third brace of such flyers owned in that city. The gr. s. Independence 2.21 1/2 and the blk. m. Cleora, are the latest acquisition.

The London Lancet, dealing with the subject of street noises, shows how prejudicial they are to invalids. The ever-lasting clatter caused by stone pavements is calculated to drive to the verge of madness, anyone suffering from a neuralgic disorder.

The Great French Remedy, Dr. LeDuc's Periodical Pills.

For the cure of Leucorrhoea or White's Excessive or painful Menstruation, Green Sickness, Falling of the Womb, Catarrh of the Uterus or Vagina, Hysteria, pain in the Back, or Piles, or for the purpose of invigorating and giving tone to the Generative Organs, two pills should be taken twice daily, or in very feeble conditions, one pill three times a day.

Mrs. A. E. McLeod, Dressmaker and Milliner, has removed from Mrs. Burris' premises, to the house next to the St. Vincent Nursery, and immediately opposite the entrance to the old Burying Ground, Malpeque Road, where she will be most happy to attend punctually to all orders entrusted to her, and at reasonable rates.

How to save twenty-five dollars.—Carry your old sewing machine to Brown's and have it made as good as new, instead of changing it for a new one.

A PIECE of fine machinery that is composed of steel, iron, brass, copper, gold or silver that Brown cannot mend or make new, you may just as well throw it away.

AYER'S PILLS.

A large proportion of the diseases which cause human suffering result from derangement of the stomach, bowels, and liver. AYER'S CATHARTIC PILLS act directly upon these organs, and are especially designed to cure the diseases caused by their derangement, including Constipation, Indigestion, Dyspepsia, Headache, Dysentery, and a host of other ailments, for all of which they are a safe, sure, prompt, and pleasant remedy. The extensive use of these PILLS by eminent physicians in regular practice, shows unmistakably their estimation in which they are held by the medical profession.

These PILLS are compounded of vegetable substances only, and are absolutely free from calomel or any other injurious ingredient.

A Sufferer from Headache writes: "AYER'S PILLS are invaluable to me, and are my constant companion. I have been a severe sufferer from Headache, and your PILLS are the only thing I could look to for relief. One dose will quickly move my bowels and free my head from pain. They are the most effective and the easiest to take I have ever found. It is a pleasure to me to speak in their praise, and I always do so when occasion offers."

W. L. FAY, of W. L. Page & Bro., Franklin St., Richmond, Va., June 3, 1882. "I have used AYER'S PILLS in numberless instances as recommended by you, and have never known them to fail to accomplish the desired result. We constantly keep them on hand at our home, and prize them as a pleasant, safe, and reliable family medicine. FOR DYSPEPSIA they are invaluable."

Mexia, Texas, June 17, 1882.

The Rev. FRANCIS B. HARLOWE, writing from Atlanta, Ga., says: "For some years past I have been subject to constipation, from which, in spite of the use of the medicines of various kinds, I suffered increasing inconvenience, until some months ago I began taking AYER'S PILLS. They have entirely corrected the costive habit, and have vastly improved my general health."

AYER'S CATHARTIC PILLS correct irregularities of the bowels, stimulate the appetite and digestion, and by their prompt and thorough action give tone and vigor to the whole physical economy.
