UNION JACK.

Summerville News.

This is the great Tory stronghold, and will hold out against Farquharson & Co. with a resistance worthy of General White's garrison at Ladysmith. It is no use for any Grit to come this way with false promises; we would make him and his fellows surrender and send them to St. Helena as Roberts did Cronje.

During the past few months there has not been much activity among the most of our people, owing, no doubt, to the want of snow to make good sleigh roads. From day to day and from week to week, we had been anxiously looking out for the snowstorm that never came. We cannot expect anything but unfavorable weather while we are content to be ruled on earth by such a corrupt government as we have at present.

Mr. James Lannan paid his parents a brief visit on Sunday. James is at present

studying law with Mr. Morson, Charlottetown. We were very glad to see him looking so well, and we wish him every success in his studies.

Messrs. Martin Manar and Wm. Power have just returned from Shamrock, where they were the welcome guests of Mr. A. Troy.

Mr. Albert Curran, who does all the threshing of grain in this place, is just about to wind up a very successful season's work. We have had various persons to do our threshing in former years, but none who gave the satisfaction of Mr. Curran.

All the dairy patrons of this part who send their milk to New Perth factory, are very anxious to have Mr. M Power draw the milk this summer. Mr. Power did the work last year, and he did it well, giving entire satisfaction.

It is reported that Mr. Maurice Walsh intends going to Charlottetown to live in future. We hope this is only report, as we would miss Maurice very much.

Murray Harbor Notes.

The Mission Band of this place gave an entertainment and basket social in the Public Hall, on Friday evening the 16th inst. Rev. W. C. Mathews presided, and gave a short but interesting address. A programme made up of recitations, music, etc. was carried in a highly creditable manner. The baskets were then "auctioned off" by Mr. McInnis, and the sum of \$30 was realized.

Court Murray Harbor, I. O. F., is now reaping the fruits of the excellent entertainment and basket social which it held on the 12th inst., as five applications for membership were received at its last meeting, three of whom were initiated. Over 100 people were present at the social, among whom were a number of brethren from Court Sylvan, I. O. F., Montague, who were paying a fraternal visit. Our Chief Ranger, Brother I. R. Prowse, presided. The meeting was opened with singing, followed by prayer, after which Brother Rev. E. Gills, gave an address of welcome, to which Brother W A Johnston responded on behalf of the Montague brethren and Rev. W. C. Mathews on behalf of the people of Murray Harbor. Exhaustive addresses on Forestry were given by Brothers Gills, H. J. Brehaut and H. Nelson. Mr. Geo. H. Moore gave two entertaining recitations, and a recitation was also given by Mr. D. Brehaut. There was also instrumental music by Brothers J. N. McKinnon, W. H. Bull and Mr. F. Bishop, song by Brother D. McLean, speech by Brother J. J. McDonald and a speech by Mr. Angus McPhee. The ladies then prepared an excellent treat, and each and every one apparently enjoyed themselves to their heart's content. A vote of thanks to the ladies for the excellent spread given, was moved by Brother Gillis, seconded by Brother H. Nelson, of Court Sylvan and unanimously tendered them. The meeting closed by singing the National Anthem three cheers for Court Murray Harbor and three for Court Sylvan.

Mount Albion, March 27, 1900.

As usual the directors of the Federal Life Assurance Company have been able to present an annual statement which is satisfactory both to shareholders and policy holders. The eighteenth annual report shows a marked increase in the company's gross income and its assets, while a great volume of new business, representing \$2,497,900 in insurance, was transacted. The company's surplus now stands at \$723,257, while the net surplus to policy holders is \$114,257. With close on to \$12,000,000 of insurance, the Federal Life is now an important institution, and is making rapid progress. As it is a Hamilton concern, Hamiltonians will naturally be pleased to watch its growth and continued prosperity, the results of prudent yet energetic management.
