IF YOU LOVE THIS ISLAND,
TAKE A STEP FOR PEACE

The Island Peace Committee is planning a Peace Walk, starting at North Cape on October 13 and finishing at East Point on October 23. Walkers will be billeted at church and community halls along the way. Each evening there will be a public gathering with folksongs, talks on Island heritage, etc., and coffee.

The Island Peace Walk will be a journey of discovery, a meditation for peace on three levels. First, it will involve contemplation of the roots of human violence which exists within each of us. Second, it will be a celebration of the living world around us: the fields, rivers, and villages of Prince Edward Island. Third, it will be a quest for a human future in the

nuclear age: how can we live in peace on the planet Earth?

If you cannot walk the whole distance (many of us are in situations where we cannot take ten days from our work schedule), join for a weekend, a day, an hour, or even a mile. You will be welcomed enthusiastically. Watch the newspapers for details of the itinerary and even programs.

Do join in! We want to preserve this planet for this Island for our children and our grandchildren. In the words of L. B. Montgomery: "You never know what peace is until you walk on the shores or in the fields or along the winding red roads of Abegweit."
