

Odds and Ends.

Sir Edward Arnold's remark that "it is better to serve than to command" will be received with favor by the waiters.

Doctor (to fair patient)—Can you endure pain bravely, miss? Fair patient—Can I? Well, I've worn tight shoes for ten years and haven't drawn a full breath since I first wore corsets.

"Been sawing wood?" enquired the caller. "Worse than that," panted the bank president, wiping the perspiration from his brow, and throwing himself, exhausted, into a chair. "I have been talking to a lady depositor. Whew!"

"Steward," he said feebly, in the small hours of the stormy night, trying to turn over in his berth. "Steward, what's that?" "The sailor on deck, sir." "Yes, but what did he say just now?" "All well, sir." "My, what a liar." And then he turned over and moaned a mal de mer moan!

The man whose conversation is habitually chaste and pure, from whose lips "no corrupt communication" proceeds, and whose words tend to "minister grace unto the hearers," knows how to talk and what to say. One is always in good company when in the company of such a man. His society is worth having, and contact with him will tend to make one better.

Brown—"What in the world induced you to tell your wife such a whopper about Smith? You know well enough that not only has Smith not failed, but that on the contrary he never was more prosperous in his life." Fog—"I know; but you don't understand, my dear fellow. Mrs. Smith is one of my wife's dearest friends, and when a man can give his wife real pleasure it is his duty to embrace the opportunity, even if he does have to stretch the truth a little."

Most people take it for granted that because musk is sold in what is called a pod, therefore it is a vegetable product. But the truth is that it is entirely an animal product, being a substance found in a two or three inch sac in the body of the little musk-deer of Asia. The sac, when tied up and dried, goes by the name of a pod among the hunters who bring it into market. Probably there are few things subject to such adulteration, as one quart of musk will scent thousands of parts of some other powder mingled with it, and, as the pods sell from \$15 to \$20 a piece, the adulteration has its profit.

Scott's Emulsion is unequalled. See what Dr. C. A. Black, of Amherst, N. S., says: "I have been acquainted with Scott's Emulsion of Cod Liver Oil, with Hypophosphites, for years, and consider it one of the finest preparations now before the public. Its pleasant flavor makes it the great favorite for children, and I do highly recommend it for all wasting diseases of children and adults." Sold by druggists, 50 cts. and \$1.00.

"I have used Paine's Celery Compound and it has had a salutary effect. It invigorated the system and I feel like a new man. It improves the appetite and facilitates digestion." J. T. I bought a bottle of Paine's Celery Compound, and before I had taken it a week I felt very much better. I can cheerfully recommend it to all who need a building up and strengthening medicine." \$500 REWARD

is offered by the manufacturer of Dr. Sage's Catarrh Remedy, for a case of Chronic Nasal Catarrh which they cannot cure. SYMPTOMS OF CATARRH.—Dull, heavy headache, obstruction of the nasal passages, discharges of mucus from the nose into the throat, sometimes profuse, watery, and acid; at others, thick, tenacious, mucous, purulent, bloody, or fetid; the eyes are weak, watery, and inflamed; there is ringing in the ears, deafness, hacking or coughing to clear the throat, expectoration of offensive matter, together with scabs from ulcers; the voice is changed and has a nasal twang; the breath is offensive; small and sore nostrils; impaired hearing; a sensation of dizziness, with mental depression, a hacking cough and general debility. Only a few of the above-named symptoms are likely to be present in any one case. Thousands of cases annually, without manifesting half of the above symptoms, result in consumption, and end in the grave. No disease is so common, more deceptive, and dangerous, or less understood by physicians. By its mild, soothing, and healing properties, Dr. Sage's Catarrh Remedy cures the worst cases of Catarrh, "cold in the head," Coryza, and Catarrhal Headache. Sold by druggists everywhere; 50 cents.

"Untold Agony, from Catarrh." Prof. W. HAYSNER, the famous mesmerist, of Ithaca, N. Y., writes: "Some ten years ago I suffered untold agony from chronic nasal catarrh. My family physician gave me up as incurable, and said I must die. My case was such a bad one, that every day, towards sunset, my voice would become so hoarse, I could barely speak above a whisper. In the morning my coughing and clearing of my throat would almost strangle me. By the use of Dr. Sage's Catarrh Remedy, in three months, I was a well man, and the cure has been permanent."

"Constantly Hawking and Spitting." THOMAS J. RUSHING, Esq., 592 E. Pine Street, St. Louis, Mo., writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months I could not breathe through the nostrils. I thought nothing could be done for me. Luckily, I was advised to try Dr. Sage's Catarrh Remedy, and I am now a well man. I believe it to be the only sure remedy for catarrh now cured. My family physician gave me up as incurable, and one has only to give it a fair trial to experience astounding results and a permanent cure."

Three Bottles Cure Catarrh. ELI ROBBINS, Physician P. O. Columbia Co., Pa., says: "My wife had catarrh when she was five years old, very bad. I saw Dr. Sage's Catarrh Remedy advertised, and I procured a bottle for her, and soon saw that it cured her. It is a third better effected a permanent cure. She is now eighteen years old and sound and hearty."
