ROLL IT! FILL IT! TOP & CHILL IT!
BANANA-MALLOW PIE
With honey graham crust—So quick, so easy!
Step 1 ROLL IT!
Christie Honey Grahams make the crunchy crust! Use rolling pin to crumble enough delicious Christie Honey Grahams to make 1 1/3 cups. Blend thoroughly with 1/3 cup of butter or margarine, then press in 9-inch pie plate. Bake 8 minutes in a 375° oven. Makes an extra rich crust because Christie Honey Grahams are extra rich with milk and honey—or try Christie's new Graham Crumbs—so easy to use.
Step 2 FILL IT!
Jell-O Pudding makes the creamy smooth filling! Cook Jell-O Vanilla Pie Filling according to package directions. Cool 5 minutes, stirring occasionally. Slice 2 bananas in the baked graham crust and top with the creamy Jell-O filling. Jell-O Pudding and Pie Filling is better because you cook it!—May be made with any flavor Jell-O Pudding and Pie Filling.
Step 3 CHILL IT!
Kraft Recipe-Size Marshmallows make the fall-proof new meringue! Sprinkle 2 cups of Kraft Miniature Marshmallows over top of filled pie. Bake until marshmallows are deliciously browned. Chill for 30 minutes. Be sure to use Kraft Miniatures. They're just the right size and the only marshmallows that stay soft.
