Island-Owned Speed

PRINCE Edward Island owned horses have done exceptional in the last three legs of the Maritime circuit free-for-all.

In The Evening Patriot Inaugural, it was Tammany Hall that surprised with a fine 1-1 summary. A week later at Moncton June Byrd broke the track record at Brunswick Downs as she stepped the first mile in 2:04.3 and then finished the evening with a pleasant looking 1-1 summary.

Dominion Byrd was in the Charlottetown race but didn't make the trip to Moncton. At the CDF, Doug Hill's pacer was a fine 2-2 with June Byrd sporting a 3-3 showing.

However, June Byrd, Tammany Hall and Dominion Byrd all got togeiher again on Thursday night of this week, with Summerside Raceway the scene of this reunion. All three were heavily backed by parl-mutuel bettors and their drivers sought to justify the confidence placed in them.

WALTER Craig, driving Bob Brook for the first time and doing a fine job of it, got Don MacKenzie's pacer into the lead early in the first half after going away in the unwanted number five spot. Dominion Byrd was tucked in second and June Byrd third.

From the three-quarters to the finish line, it was a sensational battle with the fans howling themselves hoarse as the trio battled every inch of the way. Dominion Byrd finally managed to get a head in front of Bob but June was tearing down that stretch. Joe Hennessey asked his roan for all he had and Doug Hill's pacer was able to sport a little edge as they hit the wire in a photo finish. June Byrd was second. The track record was lowered to 2:05.4 and driver Hennessey was richer by $100..

Tammany Hall Surprises

TAMMANY Hall had come a long way to finish a great fourth in that opener and folks watching with eyes wide open realized this pacer was a good bet for the second trip. They made the right decision.

Clarke Smith soon had Tammany out in front after the first turn in the final mile. A lot of folks thought it didn't mean too much but it certainly did. It meant that Tammany Hall was going to grab the second trip of the $2500 feature.

Smith set the pace and it was all to his liking as they reached the half in 1:05. From there home, Clarke had as much horse as any one else and Tammany Hall fought off unceasufully bids from June Byrd and Dominion Byrd in the stretch.

How They Stand

RIGHT now the picture of these Island owned free-for-aliers looks like this: Winner of The Evening Patriot Inaugural—Tammany Hall: winner of The Monctonian—June Byrd; winner of The Ensor Bowness Memorial Pace—Dominion Byrd.

In the six dashes raced in these last three big outings, Tammany Hall has three first and three fourths. June Byrd finished on top twice and was second on two occasions and third the same number of times. Dominion Byrd missed the classic at Moncton. He was 2-2 at Charlottetown and 1-3 at Summerside.

June Byrd's mile at Brunswick Downs, 2:04.3 was the best performance by any of these three horses. Tammany Hall's 2:05.2 at Charlottetown was second and his second mile in 2:05.3 the same night was third.

Big Ones Coming

ISLAND fans will next see legs of the Maritime circuit during the Old Home Week celebration at Charlottetown. Monday evening of that week The Evening Patriot Invitational will be raced and the biggest of them all, The Gold Cup and Saucer classic, is slated for Friday night August 16.

Barring any accidents to any of them, the three Island speedsters will be seen in action in these big races. After their performances to date, it should be hard to install a favorite.

THE curtain rings down tonight on a fine week's racing at Summerside and Monday action swings to Charlottetown Driving Park.

Both golfers scored victories yesterday and will meet in the finals today. Miss Harvey defeated Mrs. J. M. Netterfield, of St. Vital, Man., 4 and 3, while Mrs. Streit was a 5 and 4 victor over Joanne Riddell of Montreal.

Pittsburgh Bombs Chicago While Phillies Nip Mets

PITTSBURGH (AP) — Scoring behind pitcher Bob Friend for the first time in four games, Pittsburgh Pirates banged out 16 hits Friday night and routed Chicago Cubs 9-4.

Friend, who had pitched 30 innings without having a run scored in his behalf, made sure he would not be blanked again by driving in the first Pittsburgh run with a single in the third. Manny Moto, who had doubled, crossed the plate.

The Pirates put the game out of reach with a five-run assault against Don Elston and Jack Warner in the eighth.

PHILADELPHIA (AP)—Roy Sievers hit a two-run homer with one out in the last of the ninth inning Friday night, lifting Philadelphia Phillies to a 2-1 victory over New York Mets and dealing Roger Craig his 14th straight pitching loss. His season record is now 2-16.

Sievers' homer was the 30th of his career and his ninth of the year. The blow followed a triple by Tony Gonzales and was only the fifth hit of the game off Craig.

MILWAUKEE (AP) — Big Frank Howard cracked a pair of homers and scored three runs Friday night as Los Angeles Dodgers continued their blistering pace by defeating Milwaukee Braves 4-2.

In posting their 13th victory in their last 15 games, the Dodgers boosted their National League lead to 7½ games over the Chicago Cubs.

The Braves dropped into eighth place, behind Philadelphia.

Don Drysdale scattered six hits, struck out 11 and walked only one.

The fire-balling right hander lost a shut bid in the seventh when the Braves scored both their runs, one on Hank Aaron's 27th homer.

Rifle Shoot Won By Park, Jones

One of the four matches fired yesterday, in the second of the three-day program of the P.E.I. Rifle Association annual prize meet at Squaw Point, only two were brought to a final decision.

In the first event, the Moore and MacLeod Ltd., at 200 yards, Lt. Arnold Park of Saint John, N.B., edged out Tpr Bob Barwise and Lt. Al Mutch, both of Charlottetown, in a three-way shoot-off after each had registered 49 out of a possible 50 points.

The other match to be decided was the Charlottetown Legion event, in which another three-way tie occurred when Tpr. Hal Jones, Summerside and Barwise and Mutch, each wound up with perfect 50's. The tie-breaker this time was taken by Jones, with Barwise ending up second and Mutch third.

This afternoon three more shoot-offs will have to be fired, all at 600 yards. In one SSM Danny Clark, Winsloe and Gnr. Cliff Strong, Windsor, N.S., who each had 48 in the regular match will be trying for top spot in the Peake-Martin.

The other two shoot-offs are for places in the Macdonald Tobacco Company match, where Sgt. H. E. Wilson, Windsor, N.S. and Cdt. Ralph Grant, Dartmouth, N.S., will be looking for first place. Both had 142 out of a possible 150.

At the same time LAC P. Woodman, RCAF Summerside and Cdt. Ronnie Clark, Winsloe, who with 139, will be competing for the Mary MacLennan Lea trophy awarded to the tyro placing highest in the Macdonald match.

Patterson, Liston Camps Have Hassle About Gloves

LAS VEGAS, Nev. (AP)—A minor hassle involving the gloves to be used Monday night when Sonny Liston defends the heavyweight title against exchamp Floyd Patterson flared up during Friday's meeting of the Nevada State Athletic Commission.

Dan Florio, Patterson's chief trainer, objected when he learned belatedly that the fighters would be able to wear any make of glove they wished as long as they weighed the required eight ounces.

Liston planned to use the foam rubber Frager gloves and Patterson expected to use the horse hair - packed Everlast gloves that were used in their first fight last Sept. 25 at Chicago.

SITUATION UNIQUE

"This is the first time I ever heard of fighters being allowed to use different make of gloves in a title fight," said the veteran trainer. Informed that Patterson had agreed to this in the contract, Florio said. "He probably didn' read it and thought everything was all right."

This prompted commission chairman John Gammick of Elko, Nev., to ask, "Does he sign blank checks."

The net outcome was that Florio said, "We'll use the Frager gloves, too."

Original sets of the Frager gloves did not meet the weight requirements but new sets are en route from Chicago.

"I don't care if they were golf gloves," said Jack Nilon, manager of Liston, the 4-to-1 favorite.

MAY CAUSE TROUBLE

If the Chicago - made gloves add anything to a fighter's punch, Patterson could be in trouble. Using the other make Liston belted him out in two minutes and six seconds of the first round last Sept. 25.

The commission announced that the automatic eight-count will be used in the title fight, a ruling that might help Patterson, who is usually down even in winning fights. Liston claims he never has been down. In any event, he definitely never has been knocked out while winning 34 of 35 pro fights, his last 27 in a row.

Big Race Program Ending Tonight

Summerside Raceway brings down the curtain tonight on a week-long harness racing program staged in connection with Summerside's Lobster Carnival Week.

Another eight dashes are lined up for the closing program and it should be one of the week's best cards. All classes are well-filled and competition promises to be keener than usual.

Dashes four and eight have six starters ready for the word.

It's a classy looking field and there should be plenty of betting on the outcome of these two dashes. Real Gold has the rail and will be tough to beat. But the competition is formidable and things definitely should be most interesting. Others in these dashes are Speaker's Pick, Pert Darnley, Slippy Queen, Philip's Queen and Frisco Hanover.

There are six good trotters going in dashes three and seven. Albert Bernard has Zither on the rail with the rest of the field made up of Ted Genessee, Poplar Flash, Miss Tom Scott, The Sheik and Little Doctor

Four other exciting dashes complete this interesting program.

First dash goes promptly at 8 o'clock.
