Charles May Fight Beshore In November

By Murray Rose
NEW YORK, Sept. 28 — (AP)— They still wept for Joe Louis in Harlem today. And they finally gave Ezzard Charles the credit that was long overdue him.

For Charles, heavyweight champion of the world except in Britain, the future was rosy. This November he probably will meet Freddie Beshore, the Harrisburg, Pa., mauler who defeated last August, in his home town of Cincinnati.

After that, more fights, more money, and an outdoor summer shot with Lee Savold, the British-recognized heavyweight king from Englewood, N. J.

For Louis it will mean a different type of life. Beaten in 15 rounds by Charles Wednesday night, Joe announced his final retirement.

No more will he cut in on the big end of fights—fights that earned him more than \$4,000,000 in purses alone. There's income ahead for Joe—from the International Boxing Club, his Chicago auto school, a Michigan brewery—but he couldn't come back at 38. They never come back.

Everywhere people shook their heads and said "he shouldn't have tried."

But Joe had to try once more. A heavy Federal income tax bill forced him to bring his heavy, tired body back into the glare of the ring's lights.

Defeat came, a bad beating at the hands of a clever, hard-hitting young rival. For this Louis earned \$102,840.

Today, in the privacy of a Harlem home, Joe nursed his wounds and pondered the future.

It is believed he owes the United States Government about \$200,000 for income earned in 1946. That was the year he earned \$754,000 in ring purses alone, mostly for his second fight with Billy Conn and one with Tami Mauriello.

Harry Markson, managing director of the International Boxing Club, said: "Louis assumed his taxes were all paid. In reviewing his 1946 tax, the Government disallowed many deductions."

"Louis' advisers told the Government he couldn't make enough of a living to pay it off. So Joe's advisers offered the Government Louis' full purse of the Charles fight in settlement."

Returns From Horse Races At Port Elgin

Mr. Joseph P. O'Brien of Charlottetown, a well-known follower of racing circuits throughout the Maritimes, paid a visit to the sports department of this paper last night.

Joe has just returned from the race meet held at the Port Elgin Raceway on Wednesday and brought with him the race results.

According to Joe's card, Abbeyleland, owned by James Watt, captured the number one classified Trot and Pace in straight heats, while Mr. Phillip was second, Eddie Scott third and Johnny Dale fourth.

In the number four classified, Ed Downe's Garry D. from Charlottetown, had a 3-5 summary in that event. Diana O. Grattan, owned by T. Leiger, won the event in straight heats.

Apparently the Government didn't go for it.

But Markson said Ted Jones, Louis' accountant, had told him the Government is willing to make some compromise on Joe's inability to pay, although the former title-holder may not hear from the Government for about six months.

As for Charles, he plans to enjoy a month's holiday.

Abbie Pee Wees Win Island Championship; Bantam Series Is Tied

The Abbies, Pee Wee baseball champions of Charlottetown, won the Island championship by defeating the Summerside Kinsmen Pee-Wees 11 to 6 at the Curran & Briggs diamond yesterday.

The second straight victory for Charlottetown, they having beaten Summerside 6-5 in the capital city last Saturday. The Abbies outthrew their Summerside rivals 7 to 3 and had less errors in the field.

In the third inning did the Abbies defence waver when four errors were chalked up against them. Summerside committed six miscues, spread over four innings. Art MacLeod pitched for the winners and Sterling Phillips for the losers.

Henry Landry was plate umpire and Syl Bernard on the bases.

At the same time at the High School diamond in Summerside, the Summerside Kinsmen Bantams were evening up their series with the Charlottetown Bantams by edging the visitors 8 to 6.

The third game in this series will be played in Summerside today, as will the second game of the Midget series, the Summerside Midgets having won the first game of this series 10 to 8.

Coming from behind a four run lead built up by the Western squad in the opening frame, the Knights came up with a big seven run rally in the third and adding another in both the fourth and fifth, reversed the advantage for a commanding 9-4 count.

Three runs in the fifth for C. and B. however, cut the lead to 9-7. The battle went on like that, Knights forging ahead and C. and B. whittling it down and by the time the end of the eighth had been reached, the score stood at 13-13.

C. and B. triple and an error by Knights gave the hard working construction crew the winning run in the ninth.

The second game of the series, and the third if necessary, will decide the title here Sunday at Memorial Field. The closeness of the opening game means that it can still be anybody's series, and if Charley Ryan and his K. of C. boys can come through with a winning performance in the second tilt, it is going to make it a really rugged race to the finish in the third contest.

In the event that a doubleheader may have to be played, game time is set for 1:30.

Boxing Night At Big Legion Carnival Tonight

Tonight is boxing night at the Legion carnival, Summerside. No extra fee will be charged for this big added attraction. Five big bouts have been lined up with the first one starting at 8:30 and the main bout, a six round affair, commencing at 9:30.

The participants are co-operating with the Legion and giving their services free of charge. The main bout will see Bud Ramsay of Summerside matched with Boyd Bernard of Tignish.

Most sports fans are familiar with Ramsay, who got a quick knockout over Bobby Gallant in his last appearance.

Bernard fought in the army during the war and was champion of the 2nd Division overseas. He is now endeavoring to make a comeback in the welterweight class.

Last night the carnival had a good crowd in attendance with a first class program of entertainment staged.

The fair will conclude tomorrow evening after running since Tuesday evening.—S

TARIFF ISSUES

that may last eight months.

At today's formal opening, chairman L. Dana Wilgerson of Canada said the countries represented in C. A. T. T. (General Agreement on Tariffs and Trade) must face the "fundamental question" of eliminating restrictions on trade.

By inference he referred particularly to the British system of imperial preference which is expected to come under strong criticism.

Countries must look to their defences against aggression, but also build defences against international economic conflicts, the Canadian High Commissioner in London said.

National interest might well require some measure of protection but it should be reasonable and not at too high a cost to the consumer, he added.

Midget Baseball Title At Stake At S'side Today

The Prince Edward Island Midget Physical Fitness Trophy will be at stake at Summerside this afternoon when the Charlottetown Midget Kovers and the Summerside Kinsmen Midgets clash there at 4:30 in the final games of their best of three playoff series.

The Western Capital Midgets hold the advantage going into today's second game by virtue of their 10-8 win over the locals in the series opener here on Tuesday, and if they win again today it will be all over.

If the Rovers come through, however, the boys will launch into the third and deciding game immediately following the first.

U. K. Hockey Season Opens Saturday

LONDON, Sept. 28 — (CP)— Britain's 1950-51 hockey season opens Saturday with the same all-Canadian cast—and a few new worries.

Men connected with the ice sport admit this may be the last year of lush jobs for Canadian players. Hockey, they say, may ultimately be muscled out by the man on the flying trapeze.

Instead of playing an unbroken schedule, the National League's six teams will bide their time for eight weeks in the middle of the season. During their absence, the big rinks will stage circuses and pantomimes.

"Nobody should sing the blues, but it looks like a critical year," said Bobby Giddens of Ottawa, editor of a British hockey publication.

"We're all waiting for the answer to the test question—can you turn off hockey like a tap for eight weeks and then expect fans to pick up where they left off?"

Rink managers listed these other reasons for keeping their fingers crossed:

1. A circus is a bigger money-maker than hockey because it draws crowds every night instead of once a week.

2. Fans may be weary of the Canadian monopoly. Of 72 players in the league this year, only one is a native product. He is Johnny Oxley of Brighton Tigers.

Yankees And Phillies Edge Closer To Pennants

New York Yankees and Philadelphia assured themselves of no worse than a tie for the American and National League pennants in Thursday's major league baseball play.

The Yanks downed Philadelphia Athletics 8-6 in 10 innings. The Phillies lost a doubleheader to New York Giants by identical scores of 3-1 while the runner-up Brooklyn Dodgers divided with Boston Braves. The Dodgers took the opener 6-5 but lost the nightcap 8-4.

New York remained 2 1/2 games ahead of the runner-up Detroit Tigers who edged St. Louis Browns, 4-3, in 12 innings. The Yanks have two games left to play and the Tigers three. For Detroit to tie the Yanks must win all three games while the Yanks drop their two.

The Phillies lead the Dodgers by three games and need only one victory or a Brooklyn defeat to clinch. For the Dodgers to tie they must win all of their four games while Philadelphia loses its two.

In the first game of the National League doubleheader at New York, Sal Maglie of the Giants turned in a five-hitter to post his 18th victory. Two home runs by Bobby Thompson, his 33rd and 24th of the year, provided the Giants with their margin of victory.

In the nightcap, Sheldon Jones checked the whiz kids with seven hits. In this game, the first Philly batter, Eddie Waitkus, homered and that was all the scoring off Jones.

Brooklyn, playing at home, won the opener with a four-run rally in the seventh inning.

An error by Jackie Robinson with two out paved the way for three unearned Boston runs and victory in the seventh inning of the finale.

Robinson's miscue allowed Sid Gordon to score from third and Joel Crandall followed with a home run to give the Braves a 6-3 lead which they never relinquished.

Little Phil Rizzuto hit a clutch single in the 10th inning today to give New York Yankees their victory over last-place Philadelphia, in the Quaker City.

Rizzuto's hit came after catcher Joe Tipton hit his sixth home run off starter Vic Raschi with one out in the last of the ninth to tie the score at 6-6.

The dead-game Detroit Tigers cashed in on a great break today to edge St. Louis Browns at De-

troit. The Tigers, trailing 3-2 in the ninth, fought their way back into the game as pinchhitter Aaron Robinson slammed a home run to knot the score.

The Tigers broke up the game in the 12th on a walk, a sacrifice bunt and an error by Don Lenhardt which enabled Pat Mullin to come home.

In another American League game at Boston, the Red Sox gained a 4-3 decision over Washington Senators. Doubles by Bob Doerr and Matt Batts, a base on balls and Chuck Stobbs' single gave the winners three runs in the fourth. They added the other one in the seventh.
