"Best Liver Pill Made." Parsons' Pills. Positively cure Biliousness and Sick Headache, liver and bowel complaints. They expel all impurities from the blood. Delicate women find relief from constipation, indigestion, and nervousness.

CORNMEAL.

Fresh ground. 50 barrels. N. RATTENBURY. Ch'own, June 3, 1896.

Reasonable Doubt. "Partner," said Derringer Dan, "you excuse me, but I'll have to quit you. I ain't playin' no more poker this evening."

Custom of Saying Grace Not Falling Out. The old-fashioned habit of saying grace before meals is not dying out. In some families the custom of saying a silent grace is observed, but, to my mind, the old-fashioned method of asking God's blessing on the "food which we are about to receive," while all stand reverently, is the most proper way in which to observe the custom.

A Rumor Made Unfaint. "Does ye b'lieve much 'bout what's goin' on in Tully level dese days?" asked Sal Jenkins. "Ded I doesn't," replied Ernest Pinkley in a staid, condescending manner.

FORCE OF HABIT. London People Have Become Used to the Great Specific Remedy.

London, July 6.—The despatch from Detroit with reference to the cure of Bright's disease and blood poison of Mr. Langley, of this city, by the use of Dodd's Kidney Pills, has recalled the wonderful facts of the case to the citizens, among whom Mr. Langley is well known.

A special to the Herald from Philadelphia says: "The Sultan dismissed Osman Nuri Pacha, Governor of Damascus, and has ordered him to be tried by court martial. He is accused of being responsible for the revolt of the Druses. The Societe de Navigation has refused to transport Turkish troops, unless it receives immediate payment from the Government. The treasury, however, is completely empty. The Sultan, in spite of the opposition of the diplomatic corps, insists upon calling in the loan of 10,000,000 francs to Constantinople. He has received menacing letters from members of the young Turk party demanding the immediate introduction of urgent reforms. William Pacha, Governor of Constantinople, has been dismissed."

"The Railroad Kidney." Railroad employes, bicyclists, transfers and other men who are subjected to much jolting, are often troubled with a pain across the small of the back. This indicates the "Railroad Kidney," an insidious precursor of serious illness. On the slightest symptoms of backache take one Chase's Kidney Pills—one is a dose—and this obtain instant relief. For all kidney troubles they have no equal. 25c. per box.

A Good Deal in a Few Words. "I paid a Toronto specialist on catarrh a large sum of money, but I got no benefit. I tried them all, but finally, almost in despair, and assuredly without any faith, I tried Chase's Catarrh Cure. It is all that is recommended, which is saying a good deal in a few words." Joel Rogers, clerk, Division Court, Beeton. Improved blower in each 25c. box.

The boiler in Robert E. Taylor's saw mill at Doyle's Pond, Tignish, burst on Saturday morning, a hole over two feet square being made in the boiler. The boiler was thrown over on top of the engine, wrecking the engine. Although some half dozen men were at work at the time, they all escaped with very slight injuries.

Money no Object. The amount of money suffers from catarrh will spend in attempting to cure that foul and disagreeable disease is almost incredible. J. W. Jennings, of Gilford, Ont., says: "I spent between \$200 and \$300 consulting doctors. I tried all the 'treatments' without benefit. One box of Chase's Catarrh Cure did me more good than all the remedies. A 25c. box cured me." Don't waste money. Chase's Cure with improved blower, 25c. it cures.

A deadly duel took place near Ashville, N.Y., on Saturday morning. Both younger went to town drunk, and as he rode out of town he fired his pistol. H. H. Harmon, the town marshal, jumped on a horse and started after Younger. An hour later both men were found dead about a mile from town. Both had been shot through the heart, and only one chamber in each revolver had been discharged.

John Siron, massed, Altonville, Ont., had salt rheum so severe that for seven years he was unable to work. He writes: "I used a quarter of a box of Chase's Ointment. It cured me. No trace of salt rheum now." Chase's Ointment cures every irritant disease of the skin, always itching instantly, and is a sterling remedy for piles. Avoid imitations. 60c. per box.

A man named Charles Ward, living near Paris, Texas, was struck dead one day last week. It is said that Ward made a bet that it would rain within 24 hours, and next day while he and three others were working in a field when rain began to fall and with a volley of hail which announced that he had won his bet. Scarcely had Ward got the last oath out of his mouth before he was struck by a bolt of lightning and instantly killed.

Handsome Features. Sometimes unsightly blotches, pimples or shallow open sores, destroys the attractiveness of handsome features. In all such cases Scott's Emulsion will build up the system and impart freshness and beauty.

CASTORIA

for Infants and Children.

MOTHERS, Do You Know that Paregoric, Bateman's Drops, Godfrey's Cordial, many so-called Soothing Syrups, and most remedies for children are composed of opium or morphine?

Do You Know that opium and morphine are stupefying narcotic poisons? Do You Know that in most countries druggists are not permitted to sell narcotics without labeling them as such?

Do You Know that you should not permit any medicine to be given your child unless you or your physician know of what it is composed? Do You Know that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle?

Do You Know that Castoria is the prescription of the famous Dr. Samuel Pitcher. That it has been in use for nearly thirty years, and that more Castoria is now sold than all other remedies for children combined?

Do You Know that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Pitcher and his assigns to use the word "Castoria" and its formula, and that to imitate them is a state prison offense? Do You Know that one of the reasons for granting this government protection was because Castoria had been proven to be absolutely harmless?

Do You Know that 35 average doses of Castoria are furnished for 35 cents, or one cent a dose? Do You Know that when possessed of this perfect preparation, your children may be kept well, and that you may have unbroken rest? Well, these things are worth knowing. They are facts.

The fac-simile signature of Dr. H. H. Pitcher is on every wrapper. Children Cry for Pitcher's Castoria.

Just for Fun. A certain young woman was anxious to impress her friends with her knowledge in general, and French in particular. She sought and obtained an interview with a noted woman writer.

"Well," said a friend, to whom she was relating the story of the call, "how was she dressed?" "O, well," she answered, "she wasn't dressed up much in the morning. She just wore her bonnet de plume!" On another occasion, when she had been remiss in returning a neighborly call, this same young woman said: "Well, really, you must excuse me; for we have had sickness and death in the house, and vice versa!"

A Middle Course. "Do man dat doan' nebbel kiek 'teal," said Uncle Eben. "An' de man dat keep 'em," said a friend, to whom she was relating the story of the call, "how was she dressed?" "O, well," she answered, "she wasn't dressed up much in the morning. She just wore her bonnet de plume!"
